The A to Z of American Radio Soap Operas Jim Cox, 2009-07-17 The period from 1925 to 1960 was the heyday of the American Radio Soap Opera In addition to being part of popular culture the soap opera had important commercial aspects as well that were not only related to their production but also to the desperate need to sell products or perish Both sides of this story are traced in this comprehensive compendium The dictionary section made up of more than 500 cross referenced entries provides brief vignettes of the more popular and also less well known soaps among them Back Stage Wife Our Gal Sunday Pepper Young's Family and The Guiding Light Other entries evoke those who brought these programs to life the actors announcers scriptwriters networks and even the sponsors Nor are the basic themes the stock characters and the gimmick forgotten The book's introduction defines the soap opera examines the span of the radio serial reviews its origins and its demise and focuses on the character types that made up its denizens The chronology outlines the period and the bibliography offers further reading Together these elements make a comprehensive reference work that researchers will find invaluable long into the future

Routledge Revivals: Radio Broadcasting from 1920 to 1990 (1991) Diane Foxhill Carothers, 2016-11-10 First published in 1991 this book presents a comprehensive annotated bibliography of radio broadcasting Its eleven chapter categories cover almost the entire range of radio broadcasting with the exception of radio engineering due to its technical complexity although some of the historical volumes do encompass aspects thus providing background material Entries are primarily restricted to published books although a number of trade journals and periodicals are also included Each entry includes full bibliographic information including the ISBN or ISSN where available and an annotation written by the author

with the original text in hand **The A to Z of Old Time Radio** Robert C. Reinehr, Jon D. Swartz, 2010-04-09 The term Old Time Radio refers to the relatively brief period from 1926 when the National Broadcasting Company first began network broadcasting until approximately 1960 when television became the dominant communication medium in the United States During this time radio was as popular and ubiquitous as television is today It was amazingly varied in the types of programming it offered many characters and programs were so popular that virtually everyone was familiar with them Even today recorded versions of these programs are still extremely popular and widely available both from commercial outlets and from hobbyists Behind the production of these programs was a complex technological and financial infrastructure that had to be developed virtually from scratch in a world unaccustomed to the rapid communication and technological marvels that we take for granted today The A to Z of Old Time Radio provides essential facts and information on the Golden Age of Radio This is accomplished through the use of a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the radio networks programs directors producers writers actors radio series and radio stations Entries on your favorite shows The Lone Ranger The Shadow Dragnet and Suspense and actors Bob Hope George Burns Gracie Allen and Edgar Bergen will have you jumping from one entry to the next as you relive old favorites and discover hidden treasures from the Golden Age of Radio **Radio Drama and Comedy Writers, 1928-1962** Ryan Ellett, 2017-11-02 More than 700 uncredited scriptwriters who created the memorable characters and thrilling stories of radio's Golden Age receive due recognition in this reference work For some radio was a stepping stone on the way to greater achievements in film or television on the stage or in literature For others it was the culmination of a life spent writing newspaper copy Established authors dabbled in radio as a new medium while working writers saw it as another opportunity to earn a paycheck When these men and women came to broadcasting they crafted a body of work still appreciated by modern listeners [A History of Mass Communication](#) Irving Fang, 1997-02-27 This exciting new text traces the common themes in the long and complex history of mass communication It shows how the means of communicating grew out of their eras how they developed how they influenced the societies of those eras and how they have continued to exert their influence upon subsequent generations The book is divided into six periods which are identified as Information Revolutions writing printing mass media entertainment the toolshed which we call home now and the Information Highway In looking at the ways in which the tools of communication have influenced and been influenced by social change A History of Mass Communication provides students of media and journalism with a strong sense of the way their chosen field affects how society functions Providing a broad based approach to media history Dr Fang encourages the reader to take a careful look at where our culture is headed through the tools we use to communicate with one another A History of Mass Communication is not only the most current text on communication history but also an invaluable resource for anyone interested in how methods of communication affect society [Building New Bridges - Bâtir de nouveaux ponts](#) Jeff Keshen, Sylvie Perrier, 2005-06-30 Questions of methodology and the

use of sources are fundamental to all academic disciplines In recent years this topic has become far more challenging as scholars are increasingly adopting an interdisciplinary approach to achieve richer and deeper analyses particularly in the humanities and social sciences Building New Bridges B tir de nouveaux ponts is a collection of scholarly papers that deals with the first principles of source identification and their effective utilization The contributors to the volume come from a wide range of disciplines and represent both French and English Canada Together they explore and encourage the interdisciplinarity trend around which considerable academic trepidation remains and seek to explain for example how historians and those in English or Lettres fran aises analyze texts how scholars approach paintings photography and film and how the study of music relates tempo and lyrics to wider societal trends They utilize their respective research to elucidate means of effectively employing evidences and methods to achieve richer deeper and more nuanced results As a whole the collection provides an excellent primer for scholars of methodology Published in English

Kido Art Gregory,2012 The origins of KIDO date back to 1920 and the experimental radio station 7YA at Boise High School In 1922 chemistry teacher Harry Redeker was granted a limited commercial license and the call letters KFAU Redeker left the school in 1927 and in 1928 the Boise Independent School District sold KFAU to Frank L Hill and C G Phillips who changed the station s call letters to KIDO Over the next 30 years Kiddo Phillips and his wife Georgia achieved many firsts in Idaho broadcasting including securing NBC as the state s first network affiliation In 1942 Curt G Phillips suddenly passed away Georgia remarried and became Georgia Davidson going on to build KIDO FM and KIDO TV which were both among the first in the state In 1959 she sold KIDO Radio to William E Boeing Jr of Seattle who owned KIDO for the next 17 years It is this period of KIDO s rich history from 1920 to 1976 that this book will cover

Radio Critics and Popular Culture Paul Rixon,2018-04-20 Radio still remains an important form of media with millions listening to it daily It has been reborn for the digital era and is an area where there is great interest in its development role and form Attempting to fill the gap in research on British radio criticism this volume explores the development and role of radio criticism in the discourse around radio in Britain from its birth in the 1920s up to present day Using a historical approach to explore how as radio emerged the press provided coverage which helped shape and reflect radio s position in popular culture Paul Rixon delivers an interesting and engaging exploration that provides a cultural perspective on radio with a specific focus on newspaper criticism Radio Critics and Popular Culture is an innovative and original addition to existing research and will be invaluable for those interested in the way that British radio has evolved

Bay Area Radio John F. Schneider,2012 The San Francisco Bay Area was a key national radio broadcasting center during the first three decades of commercial radio In 1909 it was home to the very beginnings of the art and science of broadcasting when Charles Doc Herrold began sending out weekly voice and music programs from his radio school in San Jose Dozens of other radio pioneers soon followed In 1926 big broadcasting came to San Francisco when the newly formed National Broadcasting Company NBC established its West Coast headquarters on Sutter Street Other national and regional

networks soon set up their own broadcast production centers and for the next 20 years thousands of actors musicians announcers and engineers were creating important programs that were heard on the West Coast as well as nationwide During World War II San Francisco became the key collection center for Pacific war news and bulletins received in San Francisco were quickly relayed to an anxious nation Conversely powerful shortwave stations broadcast war news and propaganda back to the Pacific and entertained American troops overseas Mass Communications Research Resources Christopher Sterling,James K.
