One Day in the Season of Rain Mohan Rakesh, 2015-04-24. In a remote village in the foothills of the Himalayas, a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimagining of the life of India's greatest classical poet. It comes alive again in Aparna and Vinay Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage and is enriched by extensive commentary on the play's contexts, legacy, themes, and dramaturgy.

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07. More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature*. The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis, articulation, and coordination that it has been retained in all its essentials for the new edition. The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade, to correct and refine the bibliographical details already available, and to reshape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries.
