information to light in this book *Meet It* about The One Project movement He answers questions like What is it Where did it come from Who is responsible for its creation On the surface it looks promising but when delving under the superficial outer layers the powers of darkness are found lurking At an October 2011 meeting of The One Project group eleven authors were noted as being the most helpful Yet they all promote and support the emerging church spiritual formation interests They all endorse and advance mysticism and spiritism and all of them are leaders and teachers of these principles that are designed to win souls to Romanism Rick Howard's *Meet It* indeed probes the subtle nuances of this issue of the Omega apostasy where much is to be found Herein he picks up where his first volume *The Omega Rebellion* stopped and offers details that opens the eyes and ears of the elect who do not want this deception to enter any of the parameters of their lives [Topical Analysis of the Bible](#) Walter A.
