

Brian D. Taylor

RUSSIAN POLITICS

A Very Short Introduction

OXFORD

Russian Politics

Robert V. Barylski

Russian Politics:

Understanding Russian Politics Stephen White, 2011-03-31 A fresh and compelling interpretation of Russian politics by a leading authority this textbook focuses on political developments in the world's largest country under Putin and Medvedev. Using a wealth of primary sources it covers economic, social and foreign policy and the system of politics that has developed in recent years. Opposing arguments are presented and students are encouraged to reach their own judgements on key events and issues such as privatisation and corruption. This textbook tackles timely topics such as gender and inequality issues, organised religion, the economic crisis and Russia's place in the international community. It uses numerous examples to place this powerful and richly endowed country in context with a focus on the place of ordinary people which shows how policy is translated to Russians' everyday lives.

Russian Politics and Society Richard Sakwa, 2020-08-16 Fully revised and updated to reflect the considerable changes in Russia over the last decade, the fifth edition of this classic text builds on the strengths of previous editions to provide a comprehensive and sophisticated analysis of Russian politics and society. The new edition incorporates the latest debates about Russian politics, analysing recent institutional and political developments and examines the electoral cycle and prospects of the president elected at the end of the process. New to this edition: an evaluation of Putin's leadership and the country's political performance under him; updated election results and demographic, social, ethnic, national statistics to include results of the 2010 census; changes in the party system to electoral legislation and to the composition of parliament as well as the relationship between the executive and legislature; coverage of the constitutional changes and governmental appointments under the various prime ministers; more analysis of economic performance including discussion of the energy sector and pipeline politics; changes in Russian foreign policy since EU enlargement; its relationship with NATO since the reset as well as its relations with post-Soviet states; assessment of the military reforms and security and defence policy; debates over the question of democracy in Russia today; the nature of the system and its future prospects. Written in an accessible and lively style, this book is packed with detailed information on the central debates and issues in Russia's difficult transformation. An unrivalled textbook on the subject, it is essential reading for all those concerned with the fate of Russia and with the future of international society.

Russian Politics Brian D. Taylor, 2024 This book provides a concise and accessible overview that places Russia in a global context while explaining its internal political development. Russian politics is powerfully shaped by large impersonal forces such as geography and Russia's place in the international political and economic system. At the same time, its formal political institutions such as the Constitution and electoral procedures are relatively weak and manipulable compared to those of stable established democracies. Under these circumstances, powerful leaders such as Mikhail Gorbachev, Boris Yeltsin and Vladimir Putin represent a source of potential dynamism and change. To make sense of Russian politics, Brian Taylor grounds his discussion in an appreciation of some enduring influences such as the primacy of the state over society and the role of the so-called

West which has represented a source of inspiration of threat and of competition for generations of Russians At the same time most of the focus is on the period since the collapse of the Soviet Union in 1991 That revolutionary event brought about dramatic change across multiple spheres from the nature of the political and economic system to the country s borders and who counted as a citizen More than three decades later Russia is still working its way through the consequences of these transformations

Russian Politics Today Susanne A. Wengle,2022-10-27 An accessible and nuanced introduction to contemporary Russian politics using the theme of stability versus fragility as its overarching framework This innovative textbook explores core themes as well as path breaking insights into the politics of race class gender sexuality and the environment

Russian Politics Today Michael Waller,2005-07-22 This introductory text written by an established authority on communist and post communist politics describes how Vladimir Putin has turned to those with backgrounds in the military and security structures to provide stability in today s Russian Federation following the democratising reforms of Gorbachev and the ensuing instability of the Yeltsin presidency Against the background of an increasing authoritarianism which has restored features of the Soviet political system it examines the attempts by social and economic groups to assert themselves against the state using embryonic democratic forms that fall far short of pluralism The book s fourteen chapters offer an exceptionally broad coverage It will appeal to first and second year students in higher education but its deliberately accessible style will also make it attractive to the general reader

Russian Politics Herbert Metford Thompson,1896

Russian Politics in Exile F. Patrikeeff,2002-08-06 This work explores Russian life in Northern Manchuria during the period of political economic and social upheaval leading to its eventual de facto control by Japan and disruption of the balance of power in the Northeast Asian Region Presenting a fresh interpretation of the combined impact of the 1929 Sino Soviet Conflict and the onset of the Great Depression the book examines the interplay of Soviet and emigr Russian interests in Manchuria and their role in generating the instability that led to Japanese intervention and Russian decline

Russian Politics and Society Richard Sakwa,2008-04-10 Having been fully revised and updated to reflect the considerable changes in Russia over the last decade the fourth edition of this classic text builds on the strengths of the previous editions to provide a comprehensive and sophisticated analysis on Russian politics and society New to this edition extended coverage of electoral laws party development and regional politics new chapter on the phoney democracy period 1991 93 historical evaluation of Yeltsin s leadership full coverage of Putin s presidency discussion of the development of civil society and the problems of democratic consolidation latest developments in the Chechnya conflict more on foreign policy issues the re introduction of the Russian Constitution as an appendix an updated Select Bibliography more focus on the challenges facing Russia in the twenty first century Written in an accessible and lively style this book is packed with detailed information on the central debates and issues in Russia s difficult transformation This makes it the best available textbook on the subject and is essential reading for all those concerned with the fate of Russia and with the future of international society

Institutions, Ideas and Leadership in Russian Politics Julie Newton, William Tompson, 2010-06-23 A stimulating and thought provoking collection that challenges some of the emerging conventional wisdom about contemporary Russia It examines the role of leadership institutions and ideas and the interactions among them in shaping Russia's post Soviet transformation

Contemporary Russian Politics Neil Robinson, 2019-04-16 Vladimir Putin's return to the Kremlin for a fourth presidential term in 2018 has seen Russian democracy weaken further and Russia's relations with the West deteriorate seriously Yet within Russia Putin's position remains unchallenged and his foreign policy battles have received widespread public support But is Putin as safe as his approval ratings lead us to believe And how secure is the regime that he heads In this new book Neil Robinson places contemporary Russian politics in historical perspective to argue that Putin's regime has not overcome the problems that underpinned the momentous changes in twentieth century Russian history when the country veered from tsarism to Soviet rule to post communist chaos The first part of the book outlining why crises have been perennial problems for Russia is followed by an exploration of contemporary Russian political institutions and policy to show how Putin has stabilised Russian politics But while Putin's achievements as a politician have been considerable in strengthening his personal position they have not dealt successfully with the enduring problem of the Russian state's functionality Like other Russian rulers Putin has been much better at establishing a political system that supports his rule than he has at building up a state that can deliver material wealth and protection to the Russian people As a result Robinson argues Russia has been and remains vulnerable to political crisis and regime change

Developments in Russian Politics 5 Stephen White, Alex Pravda, Zvi Y. Gitelman, 2001 Russia has a new parliament and a new president and the shape of its future political life remains uncertain Taking the elections of 1999 and 2000 as their starting point the contributors to *Developments in Russian Politics 5* describe the institutional framework of the post Yeltsin system and examine the policy choices that confront the Putin administration This completely revised edition includes new discussions of such topics as media and political communication crime and corruption and Russia's continuing search for a national idea Other sections cover elections and electoral procedures parties and organized interests as well as economic social and foreign policy Written by leading scholars from both sides of the Atlantic *Developments in Russian Politics 5* will replace earlier editions as the leading text for students of Russia and for a wider group of readers seeking a reliable and up to date introduction to the politics of the world's largest country

Advanced Introduction to Russian Politics Richard Sakwa, 2023-12-11 This perceptive *Advanced Introduction* provides a contemporary analysis of Russia's political system political institutions and its place on the global stage Richard Sakwa deftly explores Russia's emergence as an independent state examining the structure of its existing political and economic system its transformation following the constitutional reform of 2020 and the immediate and long term consequences of the Russia Ukraine war

Routledge Handbook of Russian Politics and Society Graeme Gill, James Young, 2013-03-01 There is an ever burgeoning number of books analyzing the Russian experience or aspects of it

This Handbook is the first single volume which gives both a broad survey of the literature as well as highlighting the cutting edge research in the area Through both empirical data and theoretical investigation each chapter in the Routledge Handbook Russian of Politics and Society examines both the Russian experience and the existing literature points to research trends and identifies issues that remain to be resolved Offering focused studies of the key elements of Russian social and political life the book is organized into the following broad themes General introduction Political institutions Political Economy Society Foreign Policy Politically economically and socially Russia has one of the most interesting development trajectories of any major country This Handbook seeks to answer questions about democratic transition the relationship between the market and democracy stability and authoritarian politics the development of civil society the role of crime and corruption and the creation of a market economy Providing a comprehensive resource for scholars and policy makers alike this book is an important contribution to the study of Russian Studies Eastern European studies and International Relations

The Soldier in Russian Politics 1988-1996 Robert V. Barylski, Russian Politics and Presidential Power Donald R. Kelley, 2016-10-05 Russian Politics and Presidential Power takes an in depth look at the Russian presidency and uses it as a key to understanding Russian politics Donald R Kelley looks at presidents from Gorbachev to Putin as authoritarian transformational leaders who set out to build the future while sometimes rejecting and reinterpreting the work of past modernizers Placing the presidency in this context helps readers understand both the disintegration of the Soviet Union and the nature of the Russian Federation that rose in its place And by setting the presidency within a longer historical context Kelley shows how the future of the presidency is dependent on other features of the political system

Russian Politics from Lenin to Putin S. Fortescue, 2010-05-13 Seven leading specialists present chapters devoted to key themes in Soviet and post Soviet Russian politics Those themes include the personal versus the institutional in the political process legitimacy and legitimation and change and collapse of a mono organisational society While the book focuses on these major themes individual chapters deal with wide ranging and even unusual cases Graeme Gill analyzes the legitimating functions of Moscow s architecture Sheila Fitzpatrick uses the archives to draw a picture of Stalin the boss dealing with his closest colleagues Eugene Huskey provides a detailed description of post Soviet Russian pantouflage and Archie Brown and Peter Reddaway present their different takes on Gorbachev and the Soviet collapse Stephen Fortescue provides an overview of policy making processes from Lenin and Putin and Leslie Holmes updates the concept of goal rational legitimacy

The Soldier in Russian Politics, 1985-96 Robert Barylski, 2018-04-17 If Russia is to become a viable democracy it will need a viable state to make and enforce decisions that nurture societal cohesion and sustain complex economic activity Armed forces are essential attributes of viable modern states but what happens when states undergo major structural changes What was the military s contribution to the end of the Soviet Union and the rise of post Soviet Russia The Soldier in Russian Politics is the first study to go beyond familiar accounts of the main events that brought down the Soviet state and began its reconstruction

It captures the interplay between soldier and civilian politicians in a major political history based on solid political sociological analysis Barylski uses the study of civil military relations to explore new political and intellectual conditions and explain the historic relationship between changes in Western models of Russian reality and political change in the former Soviet Union Examining the military's participation in every major twentieth century political change from 1917 to 1991 Barylski demonstrates that every deep political transformation in Russia has military dimensions Barylski discusses how the Russian presidency's power to command and control the military without legislative checks and balances led to armed conflict with Parliament in October 1993 and to the Chechen war of 1994-1996 and is unhealthy for long term democratic development Barylski analyzes ministers of defense Yazov Shaposhnikov Grachev and Rodionov as political actors traces the careers of ambitious political soldiers such as Aleksandr Lebed and Aleksandr Rutskoi and describes the military's growing political alienation from the Yeltsin administration His final chapters cover the presidential elections the short lived Yeltsin Lebed political alliance the tensions associated with Yeltsin's ailments and Yeltsin's efforts to rebuild his personal power political effectiveness The Soldier in Russian Politics presents political history in an incisive and objective manner It applauds the progressive officers soldiers and politicians where decisions minimized bloodshed and prevented civil war But it also warns that civilian and military leaders can make mistakes which cause political institutional failure violence and dictatorship This book will interest political scientists political sociologists students of Russian and Soviet politics and all military historians and professionals

Russian Politics and Response to Globalization Lada V. Kochtcheeva, 2020-02-17 This book analyzes the nature of Russia's involvement with globalization To date Russia has mainly followed a course of selective openness governed by an increasingly strong state pursuing self determination and its own vision of strategic objectives and forms of cooperation rather than the projected reproduction of global convergence It is also a country that is believed to be finding a new place and position for itself in the evolving global order where European and American reflections shape the treatment of contemporary questions concerning Russia's status in the world The book highlights the problems and conflicts associated with political developments democratization economic reforms and innovation as well as societal perceptions and national identity formation The world is shifting with Russia developing its own vision of global politics and cultivating a pragmatic strategy based on national interest one that supports globalization where necessary and opposes it where conflicts of interest and values are inevitable

Elites and Leadership in Russian Politics Graeme Gill, 2016-07-27 The fall of the Communist regime in the USSR and Russia's search for a democratic and prosperous market based future is one of the most compelling episodes of the end of the twentieth century A central part in this drama is being played by political elites These essays written by some of the leading scholars in the field analyse various aspects of the role being played by elites and leaders in Russian politics Among the issues dealt with are the origins of the Russian elites including the issue of continuity with the Soviet past the relationship between political and economic elites the means taken by elites to structure politics and

their relations the dynamic of elite politics and the nature of post communism These essays deal with many of the crucial questions facing Russia today **Russian Politics** Zoltan D. Barany, Robert G. Moser, 2001-08-27 What went wrong in Russia's decade old post communist transition A group of leading young scholars answer this question by offering assessments of five crucial political arenas during the Yeltsin era elections executive legislative relations interactions between the central state and the regions economic reforms and civil military relations All of the contributors recognize that adverse historical legacies have complicated Russian democratization They challenge structural explanations that emphasize constraints of the pre existing system however and concentrate instead on the importance of elite decisions and institution building The authors agree that elites failure to develop robust political institutions has been a central problem of Russia's post communist transition The weakness of the state and its institutions has contributed to a number of serious problems threatening democratic consolidation These include the tensions between the executive and the legislature the frail infrastructure for successful market reform and the absence of proper civilian control over the armed forces

Ignite the flame of optimism with Crafted by is motivational masterpiece, **Russian Politics** . In a downloadable PDF format (*), this ebook is a beacon of encouragement. Download now and let the words propel you towards a brighter, more motivated tomorrow.

Russian Politics Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russian Politics PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need.

Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russian Politics PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Russian Politics free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russian Politics Books

1. Where can I buy Russian Politics books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Russian Politics book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Russian Politics books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Russian Politics audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Russian Politics books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
