Salvation On The Installment Plan:

Salvation on the Installment Plan Anthony S. Magistrale, Tony Magistrale, 1982-01-01 **Sermon Sparks** Thomas H. Troeger, 2011-11-01 A working pastor is always looking for fresh preaching perspectives This hands on resource from the author of a long standing column in the journal Lectionary Homiletics covers the entire three year lectionary cycle with brief reflections designed to generate fresh and timely sermon ideas Each reflection is limited to two pages and provides an interpretation of one or more lections for every month of the year While some focus on a single lection others draw forth a theological pastoral theme that stretches across several lections suggesting how to approach an entire month homiletically

The Renewed Mind Larry Christenson, 2000-12 Have you ever tried to break a bad habit By sheer willpower you set your mind to overcome it but suddenly there it is again Do you ever have thoughts rise up in your mind that would make you blush if they were suddenly broadcast over a loudspeaker *Glorious Grace* Richard Goswiler, 2019-05-01 Amazing grace how sweet the sound A familiar refrain right Do those words resonate with you Well rightly understood the word grace is one of the grandest words in the Christian vocabulary and is certainly one of the most glorious themes in the Bible This book attempts to explain the reasons why Against the backdrop of sinful humanity and the natural distortions of grace the author presents the ingredients for a thoroughly biblical understanding of grace Why is this so important Because it is from that premise alone that we are enabled to fully grasp the absolute necessity of God s grace in our salvation and the power of the grace that operates in the believer s soul It is because grace alone is the divine purpose pattern and power in the Christian s life And the inevitable result is a fruitful lifestyle that brings fullness to us blessing to others and glory to God Yes grace is amazing indeed **An Anchor for the Soul** Ray Pritchard, 2011-02-01 People have honest doubts and questions about God that deserve solid answers How do we explain the Gospel of Jesus Christ in a way we can all understand Ray Pritchard has updated this best selling presentation of the gospel in a clear straightforward way using simple language and clear Scripture references An Anchor for the Soul is written with doubters seekers and skeptics in mind In a clear straightforward presentation he answers questions such as What is God like How can I know Him Who is Jesus and what did He do What does it mean to be a Christian Through stories and illustrations Pastor Pritchard very personally yet gently challenges his readers with the Good News of Jesus Christ **You Are Cordially Invited to the Wedding of Heaven & Earth** Cristina Braun

Jones, 2024-06-19 There is no about the book information available as of this time 2 Corinthians (Word and Spirit Commentary on the New Testament) Ben Witherington, III, 2024-10-29 The Spirit who inspired the authors of the New Testament is at work today around the globe as evidenced by the explosive growth of pentecostal charismatic and renewal movements There is a clear need for a balanced affordable and accessible commentary series aimed at Christians who identify as Spirit filled The Word and Spirit Commentary on the New Testament series emphasizes how we listen alongside ancient audiences for the Spirit s voice in our time and contexts Written by pastorally sensitive biblical scholars from the

Spirit filled tradition these commentaries explore how God works in the biblical texts and how Christians can expect God to work today even if in new or culturally surprising ways Series editors are Holly Beers Westmont College and Craig S Keener Asbury Theological Seminary In this addition to the series senior scholar Ben Witherington III engages 2 Corinthians in its ancient setting and explores its message for Spirit filled Christians today Images illustrations and sidebars on pentecostal charismatic revival history or insights are included

A Chalice of Miracles John W. Casperson, 2008-12-15 An excerpt

Miraculous power emanates when wisdom and moral strength and moral discipline determine words and actions that resonate with harmony of eternal morals as opposed to immediate temptations of egoic desire Miraculous power emanates when we comfort or care for someone in need Miraculous power of forgiveness can transform a life Miraculous power of hope can generate a million possibilities Miraculous power of honesty can cleanse guilt Miraculous power of atonement can eliminate karmic debt While miraculous power of faith can move mountains we possess the miraculous inability to understand that faith is not one size fits all There are many paths to the one Truth Whether Christianity or Islam religious faith can cause violence and strife among us Miraculous power of reason can acknowledge that felicity and adversity are the keys of the same piano from which the harmony of life is comprised and one Composer wrote the symphony A miracle of empathy can bestow freedom on those who need understanding and knowledge upon those who endeavor to understand A miracle of affectionate love can transform lover and loved A physical expression of love can fashion a portal conception through which an infinite soul may once again choose to incarnate in order to experience the awe and mystery of life on this small planet amidst the backwaters of the universe All these powers to be sure rest within the Chalice of Miracles the Holy Grail of our bodies that cradles conscience and nurtures within us a creative impulse that impels us toward Divinity

Uprooting the Root of all Evil John W. Casperson, 2015-12-08 One of the greatest individuals of the twentieth century was the founding father of India Mohandas K Gandhi His vision determination and courage of heart mind and soul were the rocks on which the modern country of India was founded Though he never held political office his moral authority formed the vanguard that would lead the populace of the Indian sub continent to pursue and obtain home rule from the British Crown Mr Gandhi had this to say while still under the yoke of British rule An armed conflict between nations horrifies us But the economic war is no better than an armed conflict This is like a surgical operation An economic war is prolonged torture And its ravages are no less terrible than those depicted in the literature on war properly so called We think nothing of the other because we are used to its deadly effects The movement against war is sound I pray for its success But I cannot help the gnawing fear that the movement will fail if it does not touch the root of all evil greed M K Gandhi Non Violence The Greatest Force I Timothy 9 10 But those who desire to be rich fall into temptation into a snare into many senseless and harmful desires that plunge people into ruin and destruction For the love of money is a root of all kinds of evils Greed comes in two forms greed of power and greed of money Greed for power comes in two forms power over body and power over soul This

work will confront the powerbrokers of religion and finance and lay bare their lies and deceit in the realm of both body and soul Each person is a sovereign being After uprooting the root of all evil may each person be able more fully to reclaim their sovereignty over their bodies and souls

In the Shadow of the Cross: The Deeper Meaning of Calvary Ray Pritchard, The fallen cross stands as a symbol for the spiritual condition of the church of Jesus Christ in the early days of the twenty first century In many places and many churches the cross has fallen to the ground Instead of boasting in the cross we have neglected it substituting in its place religious activity and therapeutic language designed to help us feel better about ourselves And yet when the story is truly told it must be said that Christianity is supremely the religion of the cross At the center of our faith a dying man hangs suspended between heaven and earth Pastor Ray Pritchard takes a fresh look at the cross and the God man on it and asks who is He why is He there what are the words he is speaking What did the cross mean to God What did the cross mean to Satan What does the cross mean to you today Pastor Ray Pritchard asks these spiritually provocative questions in what will prove to be a spiritual tonic for your soul Center your world around the anchor of our faith the cross Discover the atonement found where grace and wrath meet Linger at the foot of the cross

Secrets to Spiritual Power Watchman Nee, 1999-02-01 Watchman Nee experienced such a close intimacy with the Lord that many remarkable insights into triumphant Christian living were revealed to him by the Holy Spirit Now these truths are available to you so that you can have the same kind of vibrant relationship with God This collection of Watchman Nee s time tested words of wisdom will inspire you to Enjoy all that is yours in Christ Know for sure that you are saved Overcome adversity and Satan s power Receive guidance from the Holy Spirit Find daily strength for daily needs See the truths of the Bible come alive Have faith that moves mountains You will be set free from all sin and bondage as you discover not only that Christ is your salvation but also that He is your sanctification In fact Christ will be to you all that you need your victory your power your life God will pour out His blessings to you in Christ You can receive His powerful provision today

Romans Jared C. Wilson, 2013-04-30 The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God s Word Each 12 week study leads participants through one book of the Bible and is made up of four basic components 1 Reflection questions designed to help readers engage the text at a deeper level 2 Gospel Glimpses highlighting the gospel of grace throughout the book 3 Whole Bible Connections showing how any given passage connects to the Bible s overarching story of redemption culminating in Christ and 4 Theological Soundings identifying how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from a wide array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God s grace on each and every page of the Bible The book of Romans was Paul s greatest literary achievement a majestic letter in which the apostle expounds on crucial doctrines such as original sin election substitutionary atonement the role of the law and justification by faith alone Plumbing the theological depths Jared Wilson writes with a pastor s eye toward understanding and application as he explains the biblical

text with clarity and passion helping readers follow along as Paul recounts the history of salvation and illuminates the glories of the cross of Christ Gospel Dialogue Watchman Nee,1975-01-01 This volume contains the gist of a dialogue on the truth of the gospel that was held between the author and other Christian believers in Shanghai China during the period of 1930 31

System ,1921 **Images of Salvation in the New Testament** Brenda B. Colijn,2010-10-05 The New Testament does not develop a systematic doctrine of salvation writes Brenda Colijn Instead it presents us with a variety of pictures taken from different perspectives Students of the New Testament and of theology will both find their vision broadened and their understanding deepened by this rich informative study As the author seeks to understand their implications for people of faith she uncovers how New Testament images provide the building blocks of the master story of redemption Bible Personalities Warren W. Wiersbe,2005-02-01 By incorporating biblical characters that have struggled with the same obstacles of faith pastors speakers and teachers make it easier for their listeners to personally apply sermons and lessons More than just a dictionary of biblical characters Bible Personalities gives speakers historical context for their messages and simplifies research Warren W Wiersbe presents people from Aaron to Zedekiah offering selected quotes from respected Bible scholars on each character By putting the thoughts and experiences of these great contributors to work Wiersbe cracks open complex Bible characters and gives overworked pastors and teachers a simple starting point for effective communication
