James R. Lewis, Inga Bårdsen Tøllefsen

Salvation And Protest Studies Of Social And Religious Movements:

Salvation and Protest Roy Wallis, 1979-01-01 *The Sociology of Religious Movements* William Sims Bainbridge, 2021-12-24 Explaining how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Satanism New Age and democratization The Sociology of Religious Movements is the culmination of work begun in *The Future of Religion* the 1986 award winner of the Society for the Scientific Study of Religion and *A Theory of Religion* 1993 award winner of the Pacific Sociological Association Explaining religious schism innovation and conversion to show how religion and society transform each other this book explores such movements as Holiness Adventism religious communes Children of God Satanism New York City Mission Society New Age Asian imports and democratization Researching New Religious Movements Elisabeth Arweck, 2006 This cutting edge analysis of American and European new religious movements explores the controversies between religious groups and the majority interests which oppose them It asks how modern societies can best respond to new religious movements **Violence and New Religious Movements** James R. Lewis, 2011-04-06 The relationship between new religious movements NRMs and violence has long been a topic of intense public interest an interest heavily fueled by multiple incidents of mass violence involving certain groups Some of these incidents have made international headlines When New Religious Movements make the news it is usually because of some violent episode Some of the most famous NRMs are known much more for the violent way they came to an end than for anything else Violence and New Religious Movements offers a comprehensive examination of violence by and against new religious movements The book begins with theoretical essays on the relationship between violence and NRMs and then moves on to examine particular groups There are essays on the Big Five the most well known cases of violent incidents involving NRMs Jonestown Waco Solar Temple the Aum Shunrikyo subway attack and the Heaven's Gate suicides But the book also provides a richer survey by examining a host of lesser known groups This volume is the culmination of decades of research by scholars of New Religious Movements The Oxford Handbook of New Religious Movements James R. Lewis, Inga Bårdsen Tøllefsen, 2016 The Oxford Handbook of New Religious Movements both covers the current state of the field and breaks new ground Its contributors drawn from both sociology and religious studies are leading figures in the study of NRMs Routledge Library Editions: Sociology of Religion Various, 2021-07-14 This set collects together in 19 volumes a wealth of texts on Sociology of Religion An invaluable reference resource it contains classic books on a wide range of topics including religion and violence religion and family life religion and society culture and class

Governing Morals Alan Hunt, 1999-08-13 This evocative and broad ranging book traces the history of moral regulation in Britain and the US from the late seventeenth century to the present day Specific coverage is given to movements such as the Society for the Reformation of Manners and the Vice Society the sexual abuse and anti pornography movements and contemporary self help movements Hunt argues that the main impetus for moral regulations often stems from the middle

classes rather than those with institutional power but most significantly they provide classic instances of the intimate link between the governance of others and the governance of the self Using the work of Foucault this book analyses how projects of self regulation can manifest themselves into the regulation of others Concurrent with this is the rise of health discourses which play a central role in contemporary discussions of moral governance *Lubavitcher Messianism* Simon Dein,2011-01-20 In 1994 the Lubavitcher Rebbe Menachem Schneerson died leaving no successor For many years his followers had maintained that he was Moshiach the Jewish Messiah and would usher in the Redemption After his death Lubavitch divided into two opposing groups While some messianists hold that the Rebbe died but is to be resurrected as the messiah others hold that he is still alive but concealed The anti messianists maintain that the Rebbe could have been Moshiach if God had willed it but they disagree vehemently that as such he could come back from the dead Using ethnographic data obtained by the author through twenty years of fieldwork this book presents a social psychological account of Lubavitcher Messianism and moves beyond the typical scholarly preoccupation with belief and dissonance to examine the role of rhetoric religious experience and ritual in maintaining counterintuitive convictions Through examining the parallels between early Christianity and messianism in Lubavitch this book provides a comprehensive perspective for examining messianism generally The Transformation of Yiguan Dao in Taiwan Yunfeng Lu,2008-01-01 Yunfeng Lu explores the operation of Yiguan Dao under suppression in Taiwan its transformation from a persecuted sect to a respected religion in the past two decades and the relationship between Yiguan Dao and its rivals in Taiwan s religious market He also develops the religious economy model by extending it to Chinese societies *Schism* Christie Chui-Shan Chow,2021-10-15 Schism is the first ethnographic and historical study of Seventh day Adventism in China Scholars have been slow to consider Chinese Protestantism from a denominational standpoint In Schism the first monograph that documents the life of the Chinese Adventist denomination from the mid 1970s to the 2010s Christie Chui Shan Chow explores how Chinese Seventh day Adventists have used schism as a tool to retain revive and recast their unique ecclesial identity in a religious habitat that resists diversity Based on unpublished archival materials fieldwork oral history and social media research Chow demonstrates how Chinese Adventists adhere to their denominational character both by recasting the theologies and faith practices that they inherited from American missionaries in the early twentieth century and by engaging with local politics and culture This book locates the Adventist movement in broader Chinese sociopolitical and religious contexts and explores the multiple agents at work in the movement including intrachurch divisions among Adventist believers growing encounters between local and overseas Adventists and the denomination s ongoing interactions with local Chinese authorities and other Protestants The Adventist schisms show that global Adventist theology and practices continue to inform their engagement with sociopolitical transformations and changes in China today Schism will compel scholars to reassess the existing interpretations of the history of Protestant Christianity in China during the Maoist years and the more recent developments

during the Reform era It will interest scholars and students of Chinese history and religion global Christianity American religion and Seventh day Adventism The SAGE Encyclopedia of the Sociology of Religion Adam Possamai,Anthony J. Blasi,2020-02-14 The SAGE Encyclopedia of the Sociology of Religion takes a three pronged look at this namely investigating the role of religion in society unpacking and evaluating the significance of religion in and on human history and tracing and outlining the social forces and influences that shape religion This encyclopedia covers a range of themes from fundamental topics like definitions secularization dimensions of religiosity to such emerging issues as civil religion new religious movements This Encyclopedia also addresses contemporary dilemmas such as fundamentalism and extremism and the role of gender in religion Devils and Deviants Jason L. Merritt,2017-01-30 Devils and Deviants takes up the question of the impact of religious schism on the composition of 1 and 2 John After decades attempting to reconstruct the beliefs of the schismatics referenced briefly in 1 John Johannine scholars have largely rejected the notion that such a reconstruction can in fact be accomplished In addition there has been a notable move by some to interpret 1 and 2 John non polemically arguing that the schism has little or no bearing on the composition of these epistles and our ability to interpret them In this volume Merritt turns to the anthropology and sociology of religious schism to reconstruct the processes by which groups separate themselves from one another He then applies that model as a heuristic device in reading 1 and 2 John arguing in the process that while the beliefs of the schismatics cannot be reconstructed with any accuracy the schism has indeed had a profound impact on the Johannine community and 1 and 2 John **Psychiatry and the Cults** John A. Saliba,2018-09-24 Originally published in 1987 this title was compiled in response to the concern in some segments of society about the presence of new religious movements in the West in the second half of the twentieth century There are lots of psychological questions surrounding cults and the influence they have over their members These questions have been operative in the accumulation of this annotated bibliography which was intended primarily as a reference guide for psychiatrists and counsellors who advise cult members ex cult members and their bewildered parents and lawyers who use psychiatric arguments in the courts Religion and the Racist Right Michael Barkun,2014-02-01 According to Michael Barkun many white supremacist groups of the radical right are deeply committed to the distinctive but little recognized religious position known as Christian Identity In Religion and the Racist Right 1994 Barkun provided the first sustained exploration of the ideological and organizational development of the Christian Identity movement In a new chapter written for the revised edition he traces the role of Christian Identity figures in the dramatic events of the first half of the 1990s from the Oklahoma City bombing and the rise of the militia movement to the Freeman standoff in Montana He also explores the government s evolving response to these challenges to the legitimacy of the state Michael Barkun is professor of political science in the Maxwell School of Citizenship and Public Affairs at Syracuse University He is author of several books including Crucible of the Millennium The Burned over District of New York in the 1840s *Schism and Solidarity in Social Movements* Christopher K. Ansell,2001-10-01 Like

many organizations and social movements the Third Republic French labour movement exhibited a marked tendency to schism into competing sectarian organizations During the roughly 50 year period from the fall of the Paris Commune to the creation of the powerful French Communist Party the French labour movement shifted from schism to broad based solidarity and back to schism In this 2001 book Ansell analyses the dynamic interplay between political mobilization organization building and ideological articulation that produced these shifts between schism and solidarity The aim is not only to shed light on the evolution of the Third Republic French labour movement but also to develop a more generic understanding of schism and solidarity in organizations and social movements To develop this broader understanding the book builds on insights drawn from sociological analyses of Protestant sects and anthropological studies of segmentary societies as well as from organization and social movement theory The Blackwell Companion to Sociology of Religion Richard K.

Fenn,2008-06-09 The Blackwell Companion to Sociology of Religion is presented in three comprehensive parts Written by a range of outstanding academics the volume explores the current status of the sociology of religion and how it might look in future Explores the current status of the sociology of religion and how it might look at the beginning of the next millennium Traces the boundaries between sociology and other closely related disciplines such as theology and social anthropology Edited by one of the best known and most widely respected sociologists of religion Accessibly presented in three comprehensive parts *Religion* L. M. Barley,C. D. Field,B. A. Kosmin,J. S. Nielsen,2014-06-28 This volume reviews the

publicly available sources of statistical information on religion The majority of this data relates to the Christian churches and is split between the serial or recurrent sources in the first review and the ad hoc survey data in the second The third sets out the available Jewish data which comprise the best recorded and the most extensive of the sources in the non Christian sector and the final review brings together statistical sources on the remaining religions practised in the UK This book will be an invaluable source of information for researchers and practitioners in the field **The Rise of Baptist Republicanism** Oran

P Smith,2000-05-01 A Choice Outstanding Academic Book By championing the ideals of independence evangelism and conservatism the Southern Baptist Convention SBC has grown into the largest Protestant denomination in the country The Convention s mass democratic form of church government its influential annual meetings and its sheer size have made it a barometer for Southern political and cultural shift Its most recent shift has been starboard toward fundamentalism and Republicanism While the Convention once offered a happy home to Harry Truman Jimmy Carter and church state separationists in the past two decades the SBC has become an uncomfortable institution for Democrats progressive theologians and other moderate voices Current SBC member heroes include Senators Trent Lott and Jesse Helms Despite this seeming marginalization Southern Baptist politicians have grown from political obscurity to occupying the four highest positions in the constitutional order of succession to the presidency President Bill Clinton Vice President Al Gore Senate President pro tempore Strom Thurmond and House Speaker Newt Gingrich are all Southern Baptists In its emerging

Republicanism the SBC has taken on characteristics of its more active fellow travelers in the Christian Right forging alliances with former enemies African Americans and Roman Catholics playing presidential politics establishing a Washington lobbying presence working the political grassroots and declaring war on Walt Disney Each of these missions has been accomplished with calculating political precision The Rise of Baptist Republicanism traces the Republicanization of the SBC s Republicanism in the context of the rise of the Fundamentalist Right and the emergence of a Republican majority in the South Describing the SBC s political roots Oran P Smith contrasts Baptist Republicans with the rest of the Christian Right while revealing the theological cultural and historical factors which have made Southern Baptists receptive to Republican Fundamentalist Right influences The book is a must read for anyone wishing to understand the intersection of religion and politics in America today

Social Movements Suzanne Staggenborg, 2016 Social movements around the world have used a wide variety of protest tactics to bring about enormous social changes influencing cultural arrangements public opinion and government policies in the process This concise yet in depth primer provides a broad overview of theoretical issues in the study of social movements illustrating key concepts with a series of case studies It offers engaging analyses of the protest cycle of the 1960s the women s movement the LGBT movement the environmental movement right wing movements and global social justice movements Author Suzanne Staggenborg examines these social movements in terms of their strategies and tactics the organizational challenges they faced and the roles that the mass media and counter movements played in determining their successes and failures

Religion and Society in Twentieth-Century Britain Callum G. Brown, 2014-09-11 During the twentieth century Britain turned from one of the most deeply religious nations of the world into one of the most secularised nations This book provides a comprehensive account of religion in British society and culture between 1900 and 2000 It traces how Christian Puritanism and respectability framed the people amidst world wars economic depressions and social protest and how until the 1950s religious revivals fostered mass enthusiasm It then examines the sudden and dramatic changes seen in the 1960 s and the appearance of religious militancy in the 1980s and 1990s With a focus on the themes of faith cultures secularisation religious militancy and the spiritual revolution of the New Age this book uses people s own experiences and the stories of the churches to display the diversity and richness of British religion Suitable for undergraduate students studying modern British history church history and sociology of religion

Adopting the Melody of Appearance: An Emotional Symphony within **Salvation And Protest Studies Of Social And Religious Movements**

In a world taken by displays and the ceaseless chatter of instantaneous transmission, the melodic splendor and emotional symphony developed by the published term frequently fade into the backdrop, eclipsed by the persistent noise and interruptions that permeate our lives. However, situated within the pages of **Salvation And Protest Studies Of Social And Religious Movements** a wonderful fictional value full of raw emotions, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, that charming masterpiece conducts viewers on an emotional journey, skillfully unraveling the concealed songs and profound influence resonating within each carefully constructed phrase. Within the depths of this moving evaluation, we will discover the book is central harmonies, analyze its enthralling writing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Salvation And Protest Studies Of Social And Religious Movements Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Salvation And Protest Studies Of Social And Religious Movements PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to

locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Salvation And Protest Studies Of Social And Religious Movements PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Salvation And Protest Studies Of Social And Religious Movements free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Salvation And Protest Studies Of Social And Religious Movements Books

1. Where can I buy Salvation And Protest Studies Of Social And Religious Movements books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
