

# SALVATION, THE BIBLE, AND ROMAN CATHOLICISM WILLIAM WEBSTER

**W**hy are there Roman Catholic and Protestant Churches? Is there any reason why a disagreement about doctrine which took place almost 500 years ago should continue to divide people today? Is it not the case that Roman Catholics and Protestants believe basically the same things?

In *Salvation, The Bible, and Roman Catholicism* William A. Webster explores the answers to these and other questions. In doing so, he appeals both to authoritative Roman Catholic documents and to the Bible.

William Webster brings a special qualification to his study - although now a Protestant, he was educated as a Roman Catholic. He has written a book which will both inform and guide its readers. Both Protestants and Roman Catholics will find it instructive, thought-provoking and personally challenging.

*William Webster is a Christian businessman living in Tennessee. He is married with five children and is a member of River Oaks Reformed Presbyterian Church (PCA) in Memphis. The Trust have also published his The Christian: Following Christ as Lord and The Church of Rome at the Bar of History.*

## **Salvation The Bible And Roman Catholicism:**

*Salvation, the Bible, and Roman Catholicism* William Webster, 1990 Protestants and Roman Catholics alike will find this book instructive thought provoking and personally challenging Salvation: by Rome or by Grace? Moreno Dal Bello, 2016-06-27 Salvation is the most vital issue in any person's life What you believe about the Gospel of the Lord Jesus Christ which is the power of God unto salvation will have eternal consequences The Roman Catholic Church teaches that salvation is attainable by grace and good works by obedience to the laws of God and to the laws of Roman Catholicism Rome also teaches that there is no salvation outside of the Roman Catholic Church Conversely the Roman Catholic Bible states clearly that there is no salvation for those outside the Lord Jesus Christ for those who do not abide in His Gospel The Roman Catholic Church insists that If anyone shall say that justifying faith is nothing else than faith in the Divine compassion forgiving our sins for the sake of Christ or that this faith alone is that by which we are justified let him be anathema accursed

to do with our discovery of the real spiritual truth For if these things were truly critical then obviously the spiritual intellectual giants of history would have agreed on spiritual truth long ago In this work author Ted Even endeavors to show that the disagreeing intellectuals skeptics of the past only serves to reinforce Christ s radical statement about our need to just become like little children in order to discover the spiritual truth and that literally everyone has the same opportunity to enter the kingdom of heaven on that basis However while super intelligence or big degrees may not be necessary the discovery of spiritual truth does require just one very reasonable quality of heart which little children have always possessed Find out just what this basic quality of heart is as you continue your search for spiritual truth within this simple to understand work which only leaves the real spiritual truth left standing     *Reasoning from the Scriptures with Catholics*

DECEPTION IN THE CHURCH Fred DeRuvo,2018-07-02     **Birth, Criminal History and Judgment of the Roman C. Church** Luis Munoz,2013-08-16 This book uses history and the Bible to offers a fresh and scriptural interpretation of passages of the Bible which for centuries remained a mystery to the student of Bible prophecy including Mystery Babylon the great the mother of harlots and of the abomination of the earth I will explore the myths and deception of Roman Catholicism

and their direct connection with the idolatrous worship system of the Mother and Child of ancient Babylon The claims that Roman Catholicism is the only true Church of Christ on Earth and the claim that man cant find salvation apart from her is the greatest deception the world has ever known Centuries of moral crisis and sexual abuse of children speak volumes about the true nature of the leaders of the Catholic Church The abhorrence of marriage and the negative view of women recorded in the Canon Laws clearly reflect the Vaticans Gnostic belief on sexual intercourse and the imposition of celibacy Many people throughout the world equate Christianity with everything that is vile contemptible and depraved For centuries the Roman C Church suppressed basic human rights and also persecuted and murdered anyone who held beliefs which conflicted with the dogma of the church During the horrors of the Inquisition tens of thousands of people were tortured dismembered beaten and burned alive all in the name of a fraudulent faith Roman Catholicism is the false representation of truth and also the cause great many people throughout history have repudiated true Christianity The history of crimes the papacy has committed throughout history is so compelling that it would inevitably lead any objective thinker to the conclusion that throughout the history of the world there hasnt been any other organization as notorious as the Roman C Church The long history of cruelty crimes and immorality that for centuries the church of Judas has committed on every generation provides irrefutable proof that she is not of God      **NRSV - The Catholic Faith and Family Bible** HarperCollins

**The Roman Catholic Church - A Critical Appraisal** Hendrick Park, 2008-03 The Roman Catholic Church is the largest denomination with 1.1 billion adherents Recently the pope Benedict XVI reasserted that the Catholic Church is the only true church founded by Christ Today there is a pervasive indifference as to the question what is the true Christianity This is a serious situation because there are numerous false or only partly true versions of Christianity The author of this book attempts a critical appraisal of the Roman Catholic Church by the criteria of the Bible and history The conclusion he reached is that the Catholic Church is a perversion of the Christianity of the New Testament The author believes that he has substantiated the proposition that there are many unbiblical pagan elements in the Church To give one example the monarchical papacy and the authoritarian church structure developed after the model of the authoritarian government of the ancient Roman Empire No wonder that its official name is the Roman Catholic Church A theologian and a minister Received a doctorate in systematic theology from the University of Toronto He did the ministerial work for 17 years in the United Church of Canada Took early retirement in 1990 to study and write books which is he feels the talent and his main vocation he has received from God He respects the Bible as containing the revealed word of God According to the prophets of God justice and mercy and the pure preservation of the true religion of God are God's two major concerns He believes that God's major concerns should be all Christians major concerns as well The Roman Catholic Church A Critical Appraisal was written from that perspective in order to attest to the true religion of God and to keep Christians from heading onto the wrong path

*Fast Facts on Roman Catholicism* John Ankerberg, John Weldon, 2011-06-21 What do Catholics mean when they use the words salvation justification What special role does Mary have in the church What about the Pope Does the Catholic Tradition add to God's Word How do official Church teachings affect Catholics day to day lives In their helpful question answer style noted researchers John Ankerberg John Weldon lead you through these other key issues This straightforward practical guide will help you comprehend one of the world's most prominent religious institutions the beliefs of friends family members who belong to it in light of the clear teaching of the Bible
