Salve For Every Sore

William Shakespeare

Salve For Every Sore:

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases 1820 1880* It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious *A Salve for Every Sore Or, A Collection of Promises Out of the Whole Book of God* Philip Skippon, 1643

Elizabethan Proverb Lore in Lyly's Euphues and in Pettie's Petite Pallace Morris Palmer Tilley, 1926 **Writing the Lives of People and Things, AD 500-1700** Robert F.W. Smith, Gemma L. Watson, 2017-05-15 Historical biography has a mixed reputation at its best it can reveal much not only about an individual but the wider context of their life and society at worst it can result in a narrowly focused work of hagiography or condemnation Yet in spite of its sometimes inferior status amongst academics biography has remained a popular genre and in recent years has developed into new and intriguing areas As the essays in this volume reveal scholars from an array of different disciplines have embraced what biography can offer them expanding the remit of biography from people to things tracing the life of their chosen object from creation to use to disposal to rediscovery The increasing concern with the physicality of manuscripts and books has also meant an awareness of and interest in the lives of these forms of material culture Historians have also become increasingly interested in groups of individuals resulting in prosopographical studies A book on the diversity of biography is therefore very timely exploring the multi disciplinary application of historical biography in the period 500 1700 It presents fourteen case studies offering new approaches to historical biography written by early career researchers from backgrounds in archaeology English art architectural history and history demonstrating different approaches and techniques Overall the collection is a strong and united statement by a group of early career researchers who insist on the vitality of biography as a central concern of historians across the disciplines of the humanities Contributors believe that the life is a fundamental medium of study for the medieval and early modern periods and thus bolsters the move back towards biography as a primary tool of medieval and

early modern scholars as well as a tool for future research for humanities scholars interested in biography

Proverbial Language in English Drama Exclusive of Shakespeare, 1495-1616 R. W. Dent, 2022-05-27 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1984

Philip Skippon and the British Civil Wars Ismini Pells, 2020-03-06 Philip Skippon was the third most senior general in parliament's New Model Army during the British Civil Wars A veteran of European Protestant armies during the period of the Thirty Years War and long serving commander of the London Trained Bands no other high ranking parliamentarian enjoyed such a long military career as Skippon He was an author of religious books an MP and a senior political figure in the republican and Cromwellian regimes This is the first book to examine Skippon's career which is used to shed new light on historical debates surrounding the Civil Wars and understand how military events of this period impacted upon broader political social and cultural themes

Madame Young's Guide to Health Amelia Young, 2021-05-19 In Madame Young's Guide to Health Amelia Young presents a comprehensive exploration of holistic wellness seamlessly intertwining contemporary health practices with time honored traditions The book is characterized by its accessible yet erudite prose aiming to demystify complex health concepts while fostering a sense of empowerment in readers Young adeptly navigates areas such as nutrition mental well being and physical fitness complementing her insights with empirical evidence and anecdotal experiences Set against the backdrop of an increasing public interest in alternative health solutions this work emerges as a pertinent contribution to the ongoing discourse surrounding personal wellness and preventive care Amelia Young a leading voice in the field of health and wellness draws upon her extensive background in nutrition and alternative therapies shaped by her experiences working with diverse populations Her journey into health advocacy began with her own battles against chronic illness which inspired her to delve deeper into the principles of holistic living Young's dedication to demystifying health for the average individual is reflected in her previous publications lectures and seminars solidifying her standing as an authoritative figure in the wellness community Readers seeking a practical and insightful resource on health management will find Madame Young's Guide to Health to be not only a valuable manual but also an inspiring call to action Young's engaging narrative invites readers to embrace a more informed approach to their health making it essential for anyone looking to enhance their well being through informed choices and lifestyle changes
