## **Sam Houston A Biography Of The Father Of Texas:**

**Sam Houston** John Hoyt Williams,1994-03-03 Against the tumultuous backdrop of early Texas history Williams sketches a vivid portrait of a truly American legend Map      **Sam Houston and Mirabeau Lamar** Christopher J. Ryan,2018-07-27 This book is a rhetorical study of the writings of Republic of Texas presidents Sam Houston and Mirabeau Lamar which analyzes the frames applied in the writings of the two leaders to define Native Americans Presenting their individual writings as a dialogue and an argument it considers the points at which Houston and Lamar s rhetorical depictions overlapped and diverged and explores the range and overall social impact of each president s portrayal of Native Americans It prompts readers to consider the implications of such rhetorical framing both historically and through the modern day in application to a wide array of social groups      **Sam Houston** James L. Haley,2015-04-10 From his rise and fall in Tennessee politics and through his many roles in Texas Haley paints a lively picture of Houston as a sometimes deeply troubled man While this is not a definitive biography it is a refreshing important look at a weighty yet often overlooked figure in American politics Library Journal Illustrations      Sam Houston William R. Sanford,Carl R. Green,2013-01-01 Examines the life of Sam Houston including his early life on the Western frontier his time as a soldier leading the fight for Texas independence and his political career in Texas Provided by publisher      **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E s Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals      **The Encyclopedia of the Mexican-American War** Spencer C. Tucker,2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly

critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War

**The Undiscovered Country** Paul Andrew Hutton, 2025-08-05 New York Times Bestseller From the author of *The Apache Wars* the true story of the American West revealing how American ambition clashed with the realities of violence and exploitation The epic of the American West became a tale of progress redemption and glorious conquest that came to shape the identity of a new nation Over time a darker story emerged one of ghastly violence and environmental spoliation that stained this identity The Undiscovered Country strips away the layers of myth to reveal the true story of this first epoch of American history From the forests of Pennsylvania and Kentucky to the snow crested California Sierras and from the harsh deserts of the Southwest to the buffalo range of the Great Plains Paul Andrew Hutton masterfully chronicles a story that defined America and its people From Braddock's 1755 defeat to the 1890 Wounded Knee massacre he unfolds a grand narrative steeped in romantic impulses and tragic consequences Hutton uses seven main protagonists Daniel Boone Red Eagle Davy Crockett Mangas Coloradas Kit Carson Sitting Bull and William Buffalo Bill Cody as the biographical threads by which to weave a tapestry across seven generations revealing a story of heroic conquest and dark tragedy of sacrifice and greed and of man made wonders and environmental ruin The American frontier movement has proven eternally fascinating around the world the subject of countless books paintings poems television shows and films The Undiscovered Country reveals the truth behind America's great creation myth

**The Raven's Honor** Johnny D. Boggs, 2018-01-01 Sam Houston is a living legend in 1861 The hero of the Battle of San Jacinto he had defeated Santa Anna to win independence for Texas back in 1836 He had twice served as president of the Republic of Texas helped Texas join the Union and served as senator and governor of Texas Before settling in Texas he had been a hero of the Creek War and governor of Tennessee He had been friends with Andrew Jackson and Davy Crockett and had been adopted into the Cherokee tribe whose rights he had often defended and who had named him the Raven Yet now approaching seventy years of hard living he finds everything he has fought for being torn asunder Texas is joining the Confederacy and Houston a Unionist who has been cast out as governor quickly loses power prestige and friends He could hide in retirement but such is not the way of a warrior The Raven prepares for his most important fight yet He knows this battle will test his endurance and faith He knows he will need his wife Margaret to save him from his own worst enemy himself And he knows this war which will pit brother against brother will also try to divide Houston's family What he doesn't know yet is that he will find help from long dead friends and enemies to help him sort out his life and restore his honor Johnny D Boggs among the most honored Western writers of the twenty first century brings one of Texas greatest heroes to life warts and all in a character study and love story of a man fighting for his country and legacy but mostly for his family
