Sacrifices for Love and Freedom Dwight A. Spencer, 2008-03-10 She was leaving her home behind thousands of miles to start a new adventure An opportunity to experience the differences of a culture other than her own all while gaining a higher education He was intrigued by this newcomer in his circle of friends Through each others families they would be subject to different views ideals and ways of thinking Together they would find strong emotions that drew them closer more than they ever could have expected The world would forever change in a single day With it each individual changed leaving some to struggle within themselves altering their relationships The same differences that drew them together now pulled them apart The world needed to be put on a path of healing and harmony But it would be a long hard fought battle and sacrifices needed to be made Could their love be strong enough to survive or would it be just another sacrifice in ridding the world of its dark days ahead
