Sam's Chance Horatio Alger, 2015-07-14 Excerpt from Sam's Chance And How He Improved It Sam's Chance is a sequel to the Young Outlaw and is designed to illustrate the gradual steps by which that young man was induced to give up his bad habits and deserve that prosperity which he finally attains The writer confesses to have experienced some embarrassment in writing this story The story writer always has at command expedients by which the frowns of fortune may be turned into sunshine and this without violating probability or at any rate possibility for the careers of many of our most eminent and successful men attest that truth is oftentimes stranger than fiction But to cure a boy of radical faults is almost as difficult in fiction as in real life About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish

or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Grip ,1892
