Same Sex Desire In Victorian Religious Culture:

Same-Sex Desire in Victorian Religious Culture F. Roden, 2002-10-23 *Same Sex Desire in Victorian Religious Culture* examines the role of Christian history in nineteenth century definitions of homosexual identity Roden charts the emergence of the modern homosexual in relation to religious not exclusively sociological discourses Positioning Catholicism as complementary to classical Greece he challenges the separatism of sexuality and religion in critical practice Moving from Newman and Rossetti to Hopkins Wilde and Michael Field amongst others *Same Sex Desire* claims a new literary history bringing together gay studies and theology in Victorian literature

Same-Sex Desire in Victorian Religious Culture F. Roden, 2002-10-23 *Same Sex Desire in Victorian Religious Culture* examines the role of Christian history in nineteenth century definitions of homosexual identity Roden charts the emergence of the modern homosexual in relation to religious not exclusively sociological discourses Positioning Catholicism as complementary to classical Greece he challenges the separatism of sexuality and religion in critical practice Moving from Newman and Rossetti to Hopkins Wilde and Michael Field amongst others *Same Sex Desire* claims a new literary history bringing together gay studies and theology in Victorian literature

Same-sex Desire in Victorian Religious Culture Frederick Scott Roden, 1998 **Women, Gender and Religious Cultures in Britain, 1800-1940** Sue Morgan, Jacqueline de Vries, 2010-06-10 This volume is the first comprehensive overview of women gender and religious change in modern Britain spanning from the evangelical revival of the early 1800s to interwar debates over women's roles and ministry This collection of pieces by key scholars combines cross disciplinary insights from history gender studies theology literature religious studies sexuality and postcolonial studies The book takes a thematic approach providing students and scholars with a clear and comparative examination of ten significant areas of cultural activity that both shaped and were shaped by women's religious beliefs and practices family life literary and theological discourses philanthropic networks sisterhoods and deaconess institutions revivals and preaching ministry missionary organisations national and transnational political reform networks sexual ideas and practices feminist communities and alternative spiritual traditions Together the volume challenges widely held truisms about the increasingly private and domesticated nature of faith the feminisation of religion and the relationship between secularisation and modern life Including case studies further reading lists and a survey of the existing scholarship and with a British rather than Anglo centric approach this is an ideal book for anyone interested in women's religious experiences across the nineteenth and twentieth centuries

The Oxford Handbook of Victorian Medievalism Joanne Parker, Corinna Wagner, 2020-09-15 In 1859 the historian Lord John Acton asserted two great principles divide the world and contend for the mastery antiquity and the middle ages The influence on Victorian culture of the Middle Ages broadly understood then as the centuries between the Roman Empire and the Renaissance was both pervasive and multi faceted This medievalism led for instance to the rituals and ornament of the Medieval Catholic church being reintroduced to Anglicanism It led to the Saxon Witan being celebrated as a

prototypical representative parliament It resulted in Viking raiders being acclaimed as the forefathers of the British navy And it encouraged innumerable nineteenth century men to cultivate the superlative beards we now think of as typically Victorian in an attempt to emulate their Anglo Saxon forefathers Different facets of medieval life and different periods before the Renaissance were utilized in nineteenth century Britain for divergent political and cultural agendas Medievalism also became a dominant mode in Victorian art and architecture with 75 per cent of churches in England built on a Gothic rather than a classical model And it was pervasive in a wide variety of literary forms from translated sagas to pseudo medieval devotional verse to triple decker novels Medievalism even transformed nineteenth century domesticity while only a minority added moats and portcullises to their homes the medieval style textiles produced by Morris and Co decorated many affluent drawing rooms The Oxford Handbook of Victorian Medievalism is the first work to examine in full the fascinating phenomenon of medievalism in Victorian Britain Covering art architecture religion literature politics music and social reform the Handbook also surveys earlier forms of antiquarianism that established the groundwork for Victorian movements In addition this collection addresses the international context by mapping the spread of medievalism across Europe South America and India amongst other places **The Lesbian Muse and Poetic Identity, 1889-1930** Sarah Parker, 2015-10-06

Throughout history the poetic muse has tended to be a passive female and the poet male This dynamic caused problems for late Victorian and twentieth century women poets how could the muse be reclaimed and moved on from the passive role of old Parker looks at fin de si cle and modernist lyric poets to investigate how they overcame these challenges and identifies three key strategies the reconfiguring of the muse as a contemporary instead of a historical mythological figure the muse as a male figure and an interchangeable poet muse relationship granting agency to both *Chains of Love and Beauty* Carolyn Dever, 2025-01-28 Why a monumental diary by an aunt and niece who published poetry together as Michael Field and who were partners and lovers for decades is one of the great unknown works of late Victorian and early modernist literature Michael Field the renowned late Victorian poet was well known to be the pseudonym of Katharine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 Less well known is that for three decades the women privately maintained a romantic relationship and kept a double diary sharing the page as they shared a bed and eventually producing a 9 500 page twenty nine volume story of love life and art in the fin de si cle In *Chains of Love and Beauty* the first book about the diary Carolyn Dever makes the case for this work as a great unknown novel of the nineteenth century and as a bridge between George Eliot and Virginia Woolf Victorian marriage plot and modernist experimentation While Bradley and Cooper remained committed to publishing poetry under a single male pseudonym the diary which they entitled *Works and Days* and hoped would be published after their deaths allowed them to realize literary ambitions that were unfulfilled during their lifetime The women also used the diary which remains largely unpublished to negotiate their art desires and frustrations as well as their relationships with contemporary literary celebrities including Robert Browning Oscar Wilde William Butler Yeats and Walter

Pater Showing for the first time why Works and Days is a great experimental work of late Victorian and early modernist writing one that sheds startling new light on gender sexuality and authorship Dever reveals how Bradley and Cooper wrote their shared life as art and their art as life on pages of intimacy that they wanted to share with the world Gerard Manley Hopkins and the Poetry of Religious Experience Martin Dubois,2017-09-21 This nuanced yet accessible study is the first to examine the range of religious experience imagined in Hopkins s writing By exploring the shifting way in which Hopkins imagines religious belief in individual history Martin Dubois contests established views of his poetry as a unified project Combining detailed close readings with extensive historical research Dubois argues that the spiritual awareness manifest in Hopkins s poetry is varied and fluctuating and that this is less a failure of his intellectual system than a sign of the experiential character of much of his poetry s thought Individual chapters focus on biblical language and prayer as well as on the spiritual ideal seen in the figures of the soldier and the martyr and on Hopkins s ideas of death judgement heaven and hell Offering fresh interpretations of the major poems this volume reveals a more diverse and exploratory poet than has been recognised **Michael Field: The Poet** Katherine Bradley,Edith Cooper,2009-07-08 Michael Field was the literary pseudonym of two women Katharine Bradley 1846 1914 and her niece Edith Cooper 1862 1913 The women were poets playwrights diarist and lovers who lived and wrote together during the final decades of the nineteenth century up to World War I Their arresting poetry has recently gained them a place in the canon and their extensive engagement with other writers puts them at the centre of fin de si cle literary culture This Broadview Edition offers selections from all published books of poetry by Michael Field and a substantial section of transcriptions from largely unpublished manuscript letters and diaries that gives insight into the extraordinary life and work of the authors A critical introduction bibliography and selection of contemporary reviews are also included **Sexual Restraint and Aesthetic Experience in Victorian Literary Decadence** Sarah Green,2023-03-09 Can sexual restraint be good for you Many Victorians thought so This book explores the surprisingly positive construction of sexual restraint in an unlikely place late nineteenth century Decadence Reading Decadent texts alongside Victorian writing about sexual health including medical literature adverts advice books and periodical articles it identifies an intellectual Paterian tradition of sensuous continence in which healthy pleasure is distinguished from its harmful counterpart Recent work on Decadent sexuality concentrates on transgression and subversion with restraint interpreted ahistorically as evidence of repression sublimation or queer coding Here Sarah Green examines the work of Walter Pater Lionel Johnson Vernon Lee and George Moore to outline a co extensive alternative approach to sexuality where restraint figured as a productive part of the aesthetic life or a practical ethics shaped by aesthetic principles Attending to this tradition reveals neglected connections within and beyond Decadence bringing fresh perspective to its late nineteenth and twentieth century reception **Jewish/Christian/Queer** Frederick Roden,2016-05-06 At a time when major branches of Judaism and most Christian denominations are addressing the relationship between religion and homosexuality

Jewish Christian Queer offers a unique examination of the similarities between the queer intersections of Judaism and Christianity and the queer intersections of the homosexual and the religious. This volume investigates three forms of queerness: the rhetorical, theological, and the discursive dissonance at the meeting points between Christianity and Judaism, the crossroads of the religious and the homosexual, and the intersections of these two forms of queerness, namely where the religiously queer of Jewish and Christian speech intersects with the sexually queer of religiously identified homosexual discourse. Including essays on literature and literary theory, Christian theology, Biblical, Rabbinic, and Jewish studies, queer theory, architecture, Freud, gay and lesbian studies, and history, Jewish Christian Queer will have a truly interdisciplinary appeal.

Music and the Queer Body in English Literature at the Fin de Siècle Fraser Riddell, 2022-04-14 Drawing on an ambitious range of interdisciplinary material including literature, musical treatises, and theoretical texts, *Music and the Queer Body* explores the central place music held for emergent queer identities in the late nineteenth and early twentieth centuries. Canonical writers such as Walter Pater, E. M. Forster, and Virginia Woolf are discussed alongside lesser-known figures such as John Addington Symonds, Vernon Lee, and Arthur Symonds. Engaging with a number of historical case studies, Fraser Riddell pays particular attention to the significance of embodiment in queer musical subcultures and draws on contemporary queer theory and phenomenology to show how writers associate music with shameful, masochistic, and anti-humanist subject positions. Ultimately, this study reveals how literary texts at the fin de siècle invest music with queer agency to challenge or refuse essentialist identities, to facilitate reconceptions of embodied subjectivity, and to present alternative sensory experiences of space and time. This title is also available as Open Access on Cambridge Core.

The Oxford Encyclopedia of British Literature David Scott Kastan, 2006-03-03 From folk ballads to film scripts, this new five-volume encyclopedia covers the entire history of British literature from the seventh century to the present, focusing on the writers and the major texts of what are now the United Kingdom and the Republic of Ireland. In five hundred substantial essays written by major scholars, the *Encyclopedia of British Literature* includes biographies of nearly four hundred individual authors and a hundred topical essays with detailed analyses of particular themes, movements, genres, and institutions whose impact upon the writing or the reading of literature was significant. An ideal companion to *The Oxford Encyclopedia of American Literature*, this set will prove invaluable for students, scholars, and general readers. For more information, including a complete table of contents and list of contributors, please visit www.oup.com/us/eb1.

Two Views on Homosexuality, the Bible, and the Church Zondervan, 2016-11-29 Unique among most debates on homosexuality, this book presents a constructive dialogue between people who disagree on significant ethical and theological matters and yet maintain a respectful and humanizing posture toward one another. Few topics are more divisive today than homosexuality. *Two Views on Homosexuality, the Bible, and the Church* brings a fresh perspective to a well-worn debate. While Christian debates about homosexuality are most often dominated by biblical exegesis, this book seeks to give much-needed attention to the rich

history of received Christian tradition bringing the Bible into conversation with historical and systematic theology To that end both theologians and biblical scholars well accomplished in their fields and conversant in issues of sexuality and gender articulate and defend each of the two views Affirming represented by William Loader and Megan K DeFranza Traditional represented by Wesley Hill and Stephen R Holmes The main essays are followed by insightful responses that interact with their fellow essayists with civility Holding to a high view of Scripture a commitment to the gospel and the church and a love for people especially those most affected by this topic the contributors wrestle deeply with the Bible and theology especially the prohibition texts the role of procreation gender complementarity and pastoral accommodation The book concludes with reflections from general editor Preston Sprinkle on the future of discussions on faith and sexuality The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

Constance Maynard's Passions Pauline A. Phipps, 2015-09-15
Successful but self tormented English educational pioneer Constance Maynard 1849 1935 was a deeply religious evangelical Christian whose personal atonement theology demanded that one resist carnal feelings to achieve personal salvation As the founder of Westfield College at the University of London Maynard championed women s access to a university education As the college s first principal she also engaged in a string of passionate relationships with college women in which she imagined love as God s gift as well as a test of her faith Using Maynard s extensive personal papers especially her diaries and autobiography Pauline A Phipps examines how the language of her faith offered Maynard the means with which to carve out an independent career and to forge a distinct same sex sexual self consciousness in an era when middle class women were expected to be subservient to men and confined to the home Constance Maynard s Passions is the fascinating account of a life which confounds the usual categories of faith gender and sexuality

Palgrave Advances in Oscar Wilde Studies Frederick S. Roden, 2004-09-30 Palgrave Advances in Oscar Wilde Studies is a comprehensive guide to recent critical approaches Topics covered include Gay Studies Feminist Criticism Material Culture Religion Philosophy Performance Studies Aestheticism Biography Textual Studies and Postcolonial Theory The book is designed to acquaint readers of all levels with the history of scholarship in a range of fields and suggest ways that Wilde s work offer new areas for research The collection also provides a Chronology and detailed bibliography

Theology, Horror and Fiction Jonathan Greenaway, 2020-12-10
Longlisted for the 2022 International Gothic Association s Allan Lloyd Smith Prize Surpassing scholarly discourse surrounding the emergent secularism of the 19th century Theology Horror and Fiction argues that the Victorian Gothic is a genre fascinated with the immaterial Through close readings of popular Gothic novels across the 19th century Frankenstein Wuthering Heights Dracula and The Picture of Dorian Gray among others Jonathan Greenaway demonstrates that to understand and read Gothic novels is to be drawn into the discourses of theology Despite the differences in time place and

context that informed the writers of these stories the Gothic novel is irreducibly fascinated with religious and theological ideas and this angle has been often overlooked in broader scholarly investigations into the intersections between literature and religion Combining historical theological awareness with interventions into contemporary theology particularly around imaginative apologetics and theology and the arts Jonathan Greenaway offers the beginnings of a modern theology of the Gothic

Decadent Conservatism Alex Murray, 2023 Decadent Conservatism argues that both literary Decadence and political conservatism in Britain at the turn of the twentieth century was driven by a common drive to find alternatives to liberal modernity Thematic chapters offer a new and much messier picture of fin de siècle literary politics

Majestic Mirror or Mind-Bending Mirage Jens Bruun Kofoed, 2025-03-13 Discover the profound insights on gender identity and sexuality through a biblical lens in this compelling book Delving into the Old Testament the author critiques modern gender theories tracing their evolution through feminist movements existentialism and social constructivism By contrasting these with a biblical perspective rooted in the creation story the book offers a thoughtful examination of today's complex gender discussions including identity expression and orientation Explore historical and theological views from ancient Mesopotamian cultures focusing on the worship of Inanna Ishtar and the shifting gender roles and sexual norms of the time The author defends a traditional biblical view challenging modern secular ideologies and arguing for a consistent understanding of the body sexuality and gender This book also provides valuable guidance for church leaders and pastors on navigating these sensitive topics in today's world Engage with a perspective that reconnects biological and theological truths offering a robust critique of contemporary feminist and transgender movements

The Forms of Michael Field LeeAnne M. Richardson, 2021-11-08 Michael Field the poetic identity created by Katharine Bradley 1846-1914 and her niece Edith Cooper 1862-1913 ceaselessly experimented with forms of identity and forms of literary expression The Forms of Michael Field argues that their modes of self creation are analogous to their poetic creations and that exploring them in tandem is the best way to understand Michael Field's cultural and literary importance Michael Field deploys a different form in each volume of their lyric poetry translations of Sappho ekphrasis songs sonnets and devotional verse They also appropriate and revise the dramatic genres of verse tragedy and the masque Each of these experiments in form enable Michael Field to differently address the cultural questions that beset late Victorian women writers Drawing on the insights of new lyric studies and new formalism this book analyzes Michael Field's continual quest for the aesthetic forms that best express their evolving ideas about identity and sexuality gender and sacrifice lyric voice and authority

Same Sex Desire In Victorian Religious Culture Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Same Sex Desire In Victorian Religious Culture PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Same Sex Desire In Victorian Religious Culture PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms

offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Same Sex Desire In Victorian Religious Culture free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Same Sex Desire In Victorian Religious Culture Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Same Sex Desire In Victorian Religious Culture is one of the best book in our library for free trial. We provide copy of Same Sex Desire In Victorian Religious Culture in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Same Sex Desire In Victorian Religious Culture. Where to download Same Sex Desire In Victorian Religious Culture online for free? Are you looking for Same Sex Desire In Victorian Religious Culture PDF? This is definitely going to save you time and cash in something you should think about.
