## **Same Sex Love And Desire Among Wom:**

**Women and Gender in Medieval Europe** Margaret Schaus, 2006 Publisher description      **Sexual Fluidity** Lisa M. Diamond, 2008-02-28 Is love blind when it comes to gender For women it just might be This unsettling and original book offers a radical new understanding of the context dependent nature of female sexuality Lisa M Diamond argues that for some women love and desire are not rigidly heterosexual or homosexual but fluid changing as women move through the stages of life various social groups and most important different love relationships This perspective clashes with traditional views of sexual orientation as a stable and fixed trait But that view is based on research conducted almost entirely on men Diamond is the first to study a large group of women over time She has tracked one hundred women for more than ten years as they have emerged from adolescence into adulthood She summarizes their experiences and reviews research ranging from the psychology of love to the biology of sex differences Sexual Fluidity offers moving first person accounts of women falling in and out of love with men or women at different times in their lives For some gender becomes irrelevant I fall in love with the person not the gender say some respondents Sexual Fluidity offers a new understanding of women s sexuality and of the central importance of love      **Female Desire in Chaucer's Legend of Good Women and Middle English Romance** Lucy M. Allen-Goss, 2020 An examination of female same sex desire in Chaucer and medieval romance      Love, Desire and Melancholy Angharad Eyre, Jane Mackelworth, Elsa Richardson, 2018-10-11 Originally inspired by the digitisation of the autobiographical writings of Constance Maynard this volume considers women s historical experience of sexuality through the frame of the history of emotions Constance Maynard 1849 1935 rose to prominence as the first Mistress and Principal of Westfield College holding that position from 1882 to 1913 However her writings offer more than an insight into the movement for women s higher education As pioneering feminist scholars such as Martha Vicinus have discovered Maynard s life writings are a valuable source for scholars of gender and sexuality Writing about her relationships with other women teachers and students Maynard attempted to understand her emotions and desires within the frame of her evangelical religious culture The contributions to this volume draw out the significance of Maynard s writings for the histories of gender sexuality religion and the emotions Interdisciplinary in nature they use the approaches of literary studies architecture studies and life writing to understand Maynard and her historical significance This book was originally published as a special issue of Women s History Review      *Myths and Mysteries of Same-Sex Love* Christine Downing, 2006 Myths and Mysteries of Same Sex Love makes a powerful statement about the realities of gay and lesbian psyche A gay and lesbian psychic perspective may at first be startling but once examined it proves to be unforgettable The Advocate      Same-Sex Desire in Victorian Religious Culture F. Roden, 2002-10-23 Same Sex Desire in Victorian Religious Culture examines the role of Christian history in nineteenth century definitions of homosexual identity Roden charts the emergence of the modern homosexual in relation to religious not exclusively sociological discourses Positing Catholicism as complementary to classical Greece he challenges the

separatism of sexuality and religion in critical practice Moving from Newman and Rossetti to Hopkins Wilde and Michael Field amongst others Same Sex Desire claims a new literary history bringing together gay studies and theology in Victorian literature

**Gender and Women's Studies, Second Edition** Margaret Hobbs, Carla Rice, 2018-05-03 Now in its second edition Gender and Women's Studies Critical Terrain provides students with an essential introduction to key issues approaches and concerns of the field This comprehensive anthology celebrates a diversity of influential feminist thought on a broad range of topics using analyses sensitive to the intersections of gender race class ability age and sexuality Featuring both contemporary and classic pieces the carefully selected and edited readings centre Indigenous racialized disabled and queer voices With over sixty percent new content this thoroughly updated second edition contains infographics original activist artwork and a new section on gender migration and citizenship The editors have also added chapters on issues surrounding sex work as labour the politics of veiling trans and queer identities Indigenous sovereignty decolonization masculinity online activism and contemporary social justice movements including Black Lives Matter and Idle No More The multidisciplinary focus and the unique combination of scholarly articles interviews fact sheets reports blog posts poetry artwork and personal narratives reflect the vitality of the field and keep the collection engaging and varied Concerned with the past present and future of gender identity gendered representation feminism and activism this anthology is an indispensable resource for students in gender and women's studies classrooms across Canada and the United States

**Violent Liminalities in Early Modern Culture** Kaye McLelland, 2022-11-25 Violent liminalities in Early Modern Culture is a methodologically innovative book combining the twin disciplines of queer theory and disability studies It investigates the violence feared from and directed at inhabitants of the betwixt and between spaces of early modern literature and culture through a focus on the perpetuated metamorphic states of Shakespeare's and Spenser's liminal figures including Lavinia Puck and Britomart With chapters on gender sexuality adolescence madness and physical disability Kaye McLelland applies a bi-theoretical lens to interrogate the ways in which being simultaneously neither and both brings to bear the non-normative disruption identified by queer theory in ways that use binary systems against themselves For many of Spenser's and Shakespeare's characters the in-between state whether ritually or otherwise induced transforms the instantaneous binary threshold of the limen into a permanent habitation This created space is one of great power that is feared and violently countered by those who would shut it down Set against the literary history of Spenser's and Shakespeare's Ovidianism and festivity and the historical context of the post-Reformation transformation from a tertiary to a binary model of the afterlife this volume identifies a persistent positioning of liminal literary figures in proximity to the liminality of the dead and dying whilst simultaneously tracing the positive ways in which these inhabitants of the powerful betwixt and between are depicted

Reading Contemporary Chinese Migrant Fiction Meng Xia, 2025-06-12 Reading Contemporary Chinese Migrant Fiction examines the spectrum of Chinese migrant writing about memory since the 1990s and what it tells

us about history memory and trauma in contemporary China Drawing on a range of interdisciplinary approaches the book casts new light on texts by writers from the Cultural Revolution generation including Ken Liu Yiyun Li and Geling Yan among others Meng Xia demonstrates how these writers construct collective identity in the contexts of transnational experiences of migration and historical trauma The book delves into the possibilities and problems of transposing memory across borders and engages with debates over the unspeakability and politicization of trauma across public and private lines

*Technologies of Sexuality, Identity and Sexual Health* Lenore Manderson, 2012 *Technologies of Sexuality Identity and Sexual Health* highlights the complex ways in which sexuality is expressed and enacted through local ideologies global identities and material cultures and their influence on people's sexual health and well being Its impetus is the renewed interest in technology and the social life of things including pharmaceuticals expanded sexual and related surgery the growing exploitation of markets for sexual and contraceptive products and the impact of these on sexual and health practices and outcomes Organised loosely into three parts the opening chapters concentrate on female contraception its availability and the varied cultural significance attached to the ability to control its use exploring the politics of reproductive health and birth control and the ties between technology and power The middle section turns its attention to men and the impact of traditional and contemporary concerns about masculinity and the social and sexual roles of men The final chapters look at the commonalities across cultural borders and sexual gendered identities how products and procedures travel not only through the formal channels of globalisation but also informally carried by individuals across cultural and social boundaries through sexual social and commercial interactions The volume brings together anthropologists sociologists and cultural studies scholars both senior and emerging from around the globe Offering an important and topical contribution to the developing global literature on sexuality sexual identity culture and health it is of interest to researchers and advanced students in these areas

**Queer (re)readings in the French Renaissance** Gary Ferguson, 2008 Reading works of Renaissance literature against their ancient classical sources this book examines representations of homosexuality in sixteenth century France and stresses the historical coexistence of different models of homosexuality The texts and topics covered include the Decameron and its translation and reception in France the poetry of Ronsard Montaigne's *Essais* works in praise of and satirising Henri III Brantôme's *Dames galantes* and the figures of the androgyne and the hermaphrodite

**Gender Protest and Same-Sex Desire in Antebellum American Literature** David Greven, 2016-04-22 Expanding our understanding of the possibilities and challenges inherent in the expression of same sex desire before the Civil War David Greven identifies a pattern of what he calls gender protest and sexual possibility recurring in antebellum works He suggests that major authors such as Margaret Fuller Edgar Allan Poe Herman Melville and Nathaniel Hawthorne consciously sought to represent same sex desire in their writings Focusing especially on conceptions of the melancholia of gender identification and shame Greven argues that same sex desire was inextricably enmeshed in scenes of gender role strain as exemplified in

the extent to which The Narrative of Arthur Gordon Pym depicts masculine identity adrift and in disarray Greven finds similarly compelling representations of gender protest in Fuller's exploration of the crisis of gendered identity in Summer on the Lakes in Melville's representation of Redburn's experience of gender nonconformity and in Hawthorne's complicated delineation of desire in The Scarlet Letter As Greven shows antebellum authors not only took up the taboo subjects of same sex desire and female sexuality but were adept in their use of a variety of rhetorical means for expressing the inexpressible

*Devotions and Desires* Gillian A. Frank, Bethany Moreton, Heather R. White, 2018-02-06 At a moment when freedom of religion rhetoric fuels public debate it is easy to assume that sex and religion have faced each other in pitched battle throughout modern U.S. history Yet by tracking the nation's changing religious and sexual landscapes over the twentieth century this book challenges that zero sum account of sexuality locked in a struggle with religion It shows that religion played a central role in the history of sexuality in the United States shaping sexual politics communities and identities At the same time sexuality has left lipstick traces on American religious history From polyamory to pornography from birth control to the AIDS epidemic this book follows religious faiths and practices across a range of sacred spaces rabbinical seminaries African American missions Catholic schools pagan communes the YWCA and much more What emerges is the shared story of religion and sexuality and how both became wedded to American culture and politics The volume framed by a provocative introduction by Gillian Frank Bethany Moreton and Heather R. White and a compelling afterword by John D. Emilio features essays by Rebecca T. Alpert and Jacob J. Staub Rebecca L. Davis Lynne Gerber Andrea R. Jain Kathi Kern Rachel Kranson James P. McCartin Samira K. Mehta Daniel Rivers Whitney Strub Aiko Takeuchi Demirci Judith Weisenfeld and Neil J. Young **Role**

**of immersive media in public understanding of socio scientific issues (SSIs)** Fahad Asmi, Rongting Zhou, Darren Mundy, Xuesong Zhai, Muhammad Azfar Anwar, 2023-03-24 Tokens of Exchange Lydia H. Liu, 2000-01-19 Theorizes the role of translation in the circulation of ideas and meanings in a global economy through a number of China related case studies Sexual Revolutions in Cuba Carrie Hamilton, 2012-03-12 In *Sexual Revolutions in Cuba* Carrie Hamilton delves into the relationship between passion and politics in revolutionary Cuba to present a comprehensive history of sexuality on the island from the triumph of the Revolution in 1959 into the twenty first century Drawing on an unused body of oral history interviews as well as press accounts literary works and other published sources Hamilton pushes beyond official government rhetoric and explores how the wider changes initiated by the Revolution have affected the sexual lives of Cuban citizens She foregrounds the memories and emotions of ordinary Cubans and compares these experiences with changing policies and wider social political and economic developments to reveal the complex dynamic between sexual desire and repression in revolutionary Cuba Showing how revolutionary and prerevolutionary values coexist in a potent and sometimes contradictory mix Hamilton addresses changing patterns in heterosexual relations competing views of masculinity and femininity same sex relationships and homophobia AIDS sexual violence interracial relationships and sexual tourism Hamilton's examination of

sexual experiences across generations and social groups demonstrates that sexual politics have been integral to the construction of a new revolutionary Cuban society      **Reading and Writing the Ambiente** Susana

Chávez-Silverman, Librada Hernández, 2000 In this dynamic collection of essays many leading literary scholars trace gay and lesbian themes in Latin American Hispanic and U S Latino literary and cultural texts Reading and Writing the Ambiente is consciously ambitious and far ranging historically as well as geographically It includes discussions of texts from as early as the seventeenth century to writings of the late twentieth century Reading and Writing the Ambiente also underscores the ways in which lesbian and gay self representation in Hispanic texts differs from representations in Anglo American texts The contributors demonstrate that unlike the emphasis on the individual in Anglo American sexual identity Latino Spanish and Latin American sexual identity is produced in the surrounding culture and community in the ambiente As one of the first collections of its kind Reading and Writing the Ambiente is expressive of the next wave of gay Hispanic and Latin scholarship

**Dictionary of Daily Life in Biblical and Post-Biblical Antiquity** Edwin M. Yamauchi, Marvin R. Wilson, 2021-10-05 The Dictionary of Daily Life in Biblical Post Biblical Antiquity is a unique reference work that provides background cultural and technical information on the world of the Hebrew Bible and New Testament from 4000 BC to approximately AD 600 Also available as a 4 volume set ISBN 9781619708617 this complete one volume edition covers topics from A Z This dictionary casts light on the culture technology history and politics of the periods of the Hebrew Bible and the New Testament Written and edited by a world class historian and a highly respected biblical scholar with contributions by many others this unique reference work explains details of domestic life technology culture laws and religious practices with extensive bibliographic material for further exploration There are 115 articles ranging from 5 20 pages long Scholars pastors and students and their teachers will find this to be a useful resource for biblical study exegesis and sermon preparation This is not your standard Bible dictionary but one that focuses on aspects of daily life in Bible times addressing interesting and sometimes puzzling topics that are often overlooked in other encyclopedias I highly recommend the Dictionary of Daily Life in Biblical and Post Biblical Antiquity and will be giving it shout outs in my classes in the years to come James K Hoffmeier Professor of Old Testament and Near Eastern Archaeology Trinity Evangelical Divinity School This wonderful resource is much more than a dictionary It is a compendium of substantive essays on numerous facets of daily life in the ancient world I am frequently asked by pastors and students for recommendations on books that illuminate the manners customs and cultural practices of the biblical world Now I have the ideal set of books to recommend Clinton E Arnold Dean and Professor of New Testament Talbot School of Theology Biola University      **Understanding the Victorians** Susie L. Steinbach, 2012-11-12

Understanding the Victorians paints a vivid portrait of the era combining broad surveys with close analysis and introduces students to the critical debates taking place among historians today Focusing not just on England but on the whole of Great Britain and Ireland it emphasises class gender and racial and imperial positioning as constitutive of human relations This

book encompasses the whole of the Victorian period giving equal prominence to social and cultural topics alongside the politics and economics Starting with the Queen Caroline Affair in 1820 and coming right up to the start of World War I in 1914 Susie L Steinbach uses thematic chapters to discuss and evaluate the economy gender religion the history of science and ideas material culture and sexuality Steinbach also provides much needed chapters on consumption which links consumption with production on law which explains the legal culture and trials of criminal and scandalous cases and on space which draws to together the most current research in Victorian studies

**Conditional Spaces** Denise Tse-Shang Tang, 2011-05-01 Dense living conditions in Hong Kong do not provide much privacy for lesbians and other sexual minorities living with their families As a result lesbians often locate alternative spaces to develop support networks with other women Others reject the notion of lesbian spaces and instead assert their visibility in different aspects of everyday life Based on life history interviews with several dozen lesbians living in Hong Kong this book maps the complex relations between personal subjectivities and spatialities as they emerge and interact with various social justice movements and alternative communities Denise Tse shang Tang is an assistant professor of sociology at the University of Hong Kong
