Dye, 1997-12-01 The first volume of Hawaii Chronicles presented little known yet highly interesting historical facts about Hawaii that originally appeared in the pages of Honolulu magazine the successor to Paradise of the Pacific and the oldest continuously published regional magazine in the United States Articles in the first volume ranged from the Islands volcanic beginnings to the bombing of Pearl Harbor and the first days of World War II In this new volume Hawaii Chronicles II looks at the people that have made a difference in the Islands since World War II including artists and writers politicians local heroes and leaders in the Hawaiian sovereignty movement Through interviews and biographical profiles this new collection provides a historical context for the events that have shaped Hawaii's recent past

Rich People Behaving Badly Dick Kreck, 2016-08-01 Take a trip back in time to revel in the scandal murders infidelities financial misdeeds and just plain bad behavior from Colorado's past Public respectability does not always translate into tidy private lives and our interest in the naughty behavior of the rich and famous will never be satisfied Former Denver Post reporter Dick Kreck takes us back through Colorado's history to show that the foibles of people rich or poor remain the same Included are socialites such as Louise Sneed Hill who created and ruled over Denver's Sacred 36 circle of society Jane Tomberlin who met and fell in love with a prince in an elevator at the Brown Palace Hotel Irene Nolan who cavorted late into the night with her family priest and prominent Denver clubman Courtland Dines who was wounded during a frolic with two silent screen stars in his Hollywood apartment *Rethinking the Native Hawaiian Past* Kanalu G. Terry Young, 2021-12-12 First published in 1999 The kaukau ali'i were lower ranked chiefs who served the AIVi Nui high chiefs This work describes how that service role changed overtime Equally important is this study's attempt to understand the Native Hawaiian past in the context of how the kaukau ali'i lived The formal relationship between a kaukau ali'i and an AIVi Nui was based on the routine performance of hana laxvelawe or service tasks

Shakespeare has been adapted and appropriated onto stage screen page and a variety of digital formats The thirty nine chapters address topics such as trans and intermedia performances Shakespearean utopias and dystopias the ethics of appropriation and Shakespeare and global justice as guidance on how to approach the teaching of these topics This collection brings into dialogue three very contemporary and relevant areas the work of women and minority scholars scholarship from developing countries and innovative media renderings of Shakespeare Each essay is clearly and accessibly written but also draws on cutting edge research and theory It includes two alternative table of contents offering different pathways through the book one regional the other by medium which open the book up to both teaching and research Offering an overview and history of Shakespearean appropriations as well as discussing contemporary issues and debates in the field this book is the ultimate guide to this vibrant topic It will be of use to anyone researching or studying Shakespeare adaptation and global appropriation
