**Sammy's House** Kristin Gore, 2007-07-03 The heroine of Kristin Gore's bestselling inside the beltway romp Sammy's Hill returns and this time the laughs are richer and the stakes are higher at home and in the house the White House that is Samantha Joyce is many things Health care policy wonk Hypochondriac Lover of Japanese Fighting Fish and of Charlie Lawton her Washington Post reporter boyfriend Jumper to conclusions And when all these identities collide as they do most days the results are always unpredictable Sammy's role as an advisor to Vice President Robert Gary RG for short has led her down some exciting professional paths like when she accompanies RG on a trip to India to help open pharmaceutical supply lines and some troubling ones like when the president secretly asks her to plumb those lines to acquire as yet unapproved drugs for his own personal use Her job interferes with her love life too after Charlie is transferred to New York for a huge story just when she's expecting a proposal and they find that distance combines poorly with Sammy's dedication to her work and her overactive imagination And then there's the surprising though ego pleasing series of passes thrown Sammy's way culminating in a highly embarrassing photo of a Hollywood hotshot's hand where it doesn't belong published in the pages of Us Weekly As the dual crises in Sammy's personal and professional lives come to a head and her ideals are put to the ultimate test readers will be flipping pages madly wondering what might come next Because in Sammy's house anything is possible      **Catalog of Copyright Entries.
