Sammy Tippit Gods Love In Action:

Sammy Tippit: God's Love in Action Sammy Tippit, 1973 God's Secret Agent Sammy Tippit, Jerry B. Jenkins, 2001
This account of Tippit's mission work in communist Eastern Europe reads like a spy novel. Readers will feel the danger of preaching God's Word behind the Iron Curtain and witness God's miracles as Tippit introduces Christ to people enslaved by communism.

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1975 *Worship Walk* Gareth J. Goossen, 2013-01-03
Gareth Goossen describes worship as entailing more than music as entailing all of life. To that one can only say a hearty Amen. But he does more than this for he not only describes the goal of worship doing so in a very down to earth way but he also gives us the practical steps for progressing towards that goal. Worship does involve all of life and I warmly recommend this book to anyone who is interested in entering into this reality. Dr. Peter H. Davids, author, pastor, professor, and New Testament scholar. At the very heart of worship is our longing to know and love God. *Worship Walk* helps bring us back to that heart in a compelling way. There are many powerful truths covered in this book. I love the way Gareth helps us to remember the truth of the cost of worship. God is more committed to forming his character in us than he is in providing for our comfort. This book is a timely reminder of what worship is all about and how we are to walk it out in our lives. Brian Doerksen, world renowned songwriter and worship leader. *Worship Walk* is an amazing manual for Christian living. Gareth has taken foundational aspects of Christianity and shown them through the lens of worship. As a worship leader who has also found great joy in worshipping God through things in addition to music, mountain biking for one, I found this book to be very affirming but also very challenging. Kevin Boese, songwriter and worship pastor.

Goossen, 2012-07
Caminar en Adoración nos describe que la adoración es más que una expresión meramente musical. La verdadera adoración es con la vida. La expresión musical es importante pero no lo es todo. Es donde la vida se intercepta con la adoración. Uno de los capítulos que más disfruto es en el que Gareth nos enseña a no temerle al silencio en medio de un mundo ruidoso. Tenemos que buscar el ruido del silencio. Si deseas saber el concepto de un verdadero adorador, este es un libro que no debe faltar en tu biblioteca personal. Y además conociendo al autor de este libro les puedo decir que él vive lo que dice. Luis Carlos Castillo es compositor y líder de alabanza maestro y el director de Nueva Generación. Luis Carlos, su esposa Mirella y sus dos hijas viven en Antigua, Guatemala. En el corazón de la adoración está nuestro anhelo de conocer y amar a Dios. *Caminar en Adoración* nos ayuda a volver a ese corazón de una manera convincente. En este libro hay muchas verdades poderosas. Me encanta la manera en que Gareth nos recuerda la verdad del costo de la adoración. Este libro es un recordatorio oportuno de lo que es la adoración y de cómo debemos
