## Sams Lamp:

**Sam's Kid** Florence Ethel Mills Young, 1911      **The Adventure of Sam Carter** Peter Murray, 2013-07-25 In the year 2016 Sam James Carters life is turned upside down One day while walking home from school a dangerous young girl named Sophie Brooks tells him of his sisters murder that occurred while she was working for a secret US government agency Sam seeks vengeance for his sisters death and vows to find the murderer Sophie agrees to join him and they embark upon a head spinning journey to obtain revenge for his sister As events progresses nothing is what it seems anything could happen Will Sam and Sophie find and bring the killer down or will the assassin elude them forever      **A Miner's Million** John Monk Foster, 2021-11-09 In A Miner s Million John Monk Foster intricately weaves a narrative that explores the life of a coal miner striving for prosperity amidst the harsh realities of his environment The novel employs a richly descriptive literary style that captures the grit and determination of its protagonist while delving into the socioeconomic complexities of early 20th century mining communities Foster intricately contrasts the raw beauty of the Appalachian landscape with the oppressive nature of labor exploitation presenting a poignant commentary on the American Dream and the often unattainable pursuit of wealth Foster born and raised in a mining town draws heavily from his own experiences and community lore lending authenticity and depth to his characters His interests in labor rights and social justice profoundly influence the narrative as he seeks not only to entertain but to provoke thought on the conditions faced by working class Americans This backdrop of personal and regional history infuses the novel with an emotional weight that resonates throughout Readers seeking a compelling exploration of resilience sacrifice and aspiration within America s labor history will find A Miner s Million to be an essential read Foster s vivid storytelling and the novel s socio political insights make it a vital contribution to the contemporary canon of American literature      *Hitchcock's Motifs* Michael Walker, 2005 Among the abundant Alfred Hitchcock literature Hitchcock s Motifs has found a fresh angle Starting from recurring objects settings character types and events Michael Walker tracks some forty motifs themes and clusters across the whole of Hitchcock s oeuvre including not only all his 52 extant feature films but also representative episodes from his TV series Connections and deeper inflections that Hitchcock fans may have long sensed or suspected can now be seen for what they are an intricately spun web of cross references which gives this unique artist s work the depth consistency and resonance that justifies Hitchcock s place as probably the best know film director ever The title the first book length study of the subject can be used as a mini encyclopaedia of Hitchcock s motifs but the individual entries also give full attention to the wider social contexts hidden sources and the sometimes unconscious meanings present in the work and solidly linking it to its time and place      **SAM-TR.**, 1970-07      *Sam's Chance and How He Improved it* Horatio Alger, 2024-06-14      Snaked Duncan McGeary, 2017-12-19 Within the Juan de Fuca fault monsters stir A coastal town nestled just outside Seattle Everett is a picture perfect paradise but the Indigenous myths tell of when the darkness came out of the ocean and killed everything the world cleansed and begun anew An unusual

specimen washed up on the shore has Professors Charlie Wice and Carol Wheatley buzzing with excitement but what the ocean has spat out is far more dangerous than either could imagine As the darkness slithers closer and the deaths start to mount the residents of Everett and St Aloysius Island are locked in a battle against an enemy as implacable as they are numerous As the earth shakes once again another battle looms on the horizon fast flowing and deadly Who will survive when the ocean bares its fangs **Sam's Sweetheart** Helen Mathers,1883 **The Czar's Last Soldier** Jacques
