Leffel & Co,1897 **Samson's Syndrome** Steve Monaghan,2017-11-03 A crisis in the Ukraine potentially ushers in World War Three A tense contemporary political thriller A satire about the mis information given out by modern news organisations Britain s flagship liberal newspaper The Chronicle is undergoing an identity crisis leaving it vulnerable to takeover The Eurosceptic aristocratic Sir Harold Nevin has realised that a botched attempt to draw Ukraine into the EU is a heaven sent opportunity to bolster the campaign for British withdrawal from the EU Using his old school tie links with the Editor in Chief Tom Hamble Nevin attempts to gain a foothold in The Chronicle John Morton a nonconformist investigative reporter is cast as Nevin s instrument of change During a trip to Russia Morton is introduced to a new concept the transition from unipolar to multipolar world order At the same time he faces the risk that the difficult transition period might lead to Samson s Syndrome a metaphor for Mutually Assured Destruction and global Armageddon based on the Bible story of Samson pushing aside the walls of the Temple and himself being killed in the process The story builds to a climax when John Morton agrees to leak a declassified Russian battle plan to warn the people of Europe of the dangers of depending on the failed neo liberal policies of Western governments This is spun into a tale of impending Russian invasion and the plans are leaked People throughout Europe take to the streets in terror

The Book of Samson David Maine,2025-06-25 This is the story of my life and it s not a happy one If you wish to read about me you re welcome to but if you re looking for something to give you hope joy comfort inspiration then you had best leave off here straightaway and go find something else My life has an abundance of frustration and pain plus a fair bit of sex and lots of killing and broken bones but it s got precious little hope joy comfort inspiration It s got some women in it too plus a wife Dalila is the one you may have heard of and a rare piece of work she was You may think you know the story but believe me there s more from The Book of Samson From the author of the acclaimed and provocative novels *Fallen* and *The Preservationist* comes a tale about a man who believes he is touched by the hand of God then instructed by that God to slaughter his enemies It is the story of this worldly existence of men brutes desire unkindness and of the woman Dalila who figures at the center of it all In *The Book of Samson* David Maine has created an unforgettable portrait a unique and astonishing masterpiece that puts a face on a previously faceless icon **Samson in Gaza** Tex Ford,2014-04-09 *Samson in Gaza* tells the untold story of Samson and Delilah Where did Delilah come from and how did she end up in Israel This new novel reveals all of the details of this historically tragic tale of love and betrayal or was it betrayal Only *Samson in Gaza* answers that question Samson has been revered as a strong man for countless generations Now read about his true strength and how it led him to become one of Israel s ultimate heroes **Judges 13-21** Jack M. Sasson,2025-08-27 The second volume of Jack M Sasson s authoritative commentary on the book of Judges The second half of Judges is set when there was

no king in Israel anyone could do whatever felt right It narrates the tale of Samson the would be liberator of Israel who comes to a violent end the conquest of the land of Laish and a vicious rape that when followed by a shocking dismemberment ignites a war among the tribes In the second installment of his authoritative two volume commentary Jack M Sasson invites his readers to ponder the many levels of meaning in the Hebrew text through a careful survey of its contents evolution and reception By situating the text alongside its earliest translations into Greek Aramaic and Latin Sasson offers compelling observations on the characters action pacing and style of the narrative focusing on the characterization of Samson as a resourceful avenger of Philistine cruelties and as an instrument of God intended to humiliate false divinities Sasson draws widely on comparative literature from Egypt Greece and Mesopotamia to enrich our understanding of how biblical writers adapted older regional sagas and he derives insights from Hellenistic and rabbinic sources to re create how Judges was understood by its earliest readers Comprehensive and engagingly written Judges 13 21 is an invitation to readers to rediscover these ancient stories and in so doing gain a greater appreciation for the art of Hebrew storytelling **Samson's Column** Alfred West,2001-01-01 Samson's Shadow Ernest W. Cockrell,2024-01-19 The primary characters of this novel the vicar churchwarden and Thomson took life within my wonderings on the death of my bishop and do not represent any persons living or dead that I have known in my life Some of the other characters in the novel do reflect specific people though never from confession of course and I offer their words experiences and wisdom as a tribute to them and to the integrity and struggles of their own journey This novel makes use of fiction to investigate questions raised by males young middle aged and older as they undergo the difficult lifelong metamorphosis into manhood engaging one primary issue as a paradigm for the many unique and deeply personal issues which confront each man along his journey **Beowulf and the Dragon** Christine Rauer,2000 The analogues discussed are presented with facing translations and detailed bibliographies

BOOK JACKET Seeds of Yesterday V.C. Andrews,2011-02-08 Now a major Lifetime movie event Book Four of the Dollanganger series that began with Flowers in the Attic the novel of forbidden love that captured the world s imagination and earned V C Andrews a fiercely devoted fanbase They escaped their mother s hellish trap years ago but a cruel history of lies and deceit has come full circle The forbidden love that blossomed when Cathy and Christopher were held captive in Foxworth Hall is one the Dollanganger family s darkest secrets Now with three grown children and even a new last name the pair seem to have outlived a twisted legacy But on their son Bart s twenty fifth birthday when the spiteful and disturbed young man claims his rightful inheritance the full shattering truth of their tainted past will be revealed at Foxworth Hall the place where the nightmare began and where Christopher and Cathy were once just innocent flowers in the attic **Samson** Pnina Galpaz-Feller,2006 The story of Samson in the Bible is told in just four chapters of the Book of Judges but the story of his life is composed of a mosaic of events This book examines many aspects of the unique figure of Samson Samson as the chosen of God who is destined to save the Israelites from Philistine oppression and who ultimately dies with the Philistines

Samson who appears on the stage of history as a promising leader but whose leadership fails Samson the dissolute Nazirite a powerful man who rips apart a lion as though it were a lamb who uproots the gates of the city of Gaza and pulls down a pagan temple but at the same time he succumbs to his women and is ruled by them This book invites the reader to contemplate Samson's highly contradictory personality to take up moral issues and to reflect upon love and betrayal life and death family and society subjects that have concerned people from antiquity to the present **Historic Ship Models** Arnold Kriegstein, Henry Kriegstein, 2022-10-04 In terms of quality historical significance and sheer numbers the Kriegstein family's ship model collection in the United States is the finest in private hands anywhere in the world Principally made up of official 17th and 18th century models in the Admiralty or Navy Board style the collection is unrivalled by any museum outside the British national collection at Greenwich As the models are not on public display this book fills the need for a detailed catalogue and visual reference with superb colour photos of all the models both overall portraits and multiple close ups Apart from lengthy descriptions of these magnificent artefacts space is devoted to how they were identified and the valuable research done by Arnold and Henry Kriegstein the identical twins whose shared passion brought this all together Beyond the technicalities of the ships the story has a human dimension in the brothers' adventures in pursuit of every model and their dogged determination to secure them against official obstruction and dubious antiques trade practices This is an entirely new and revised edition of *Seventeenth and Eighteenth Century Ship Models* first published in 2007 now expanded to include the additions to the collection since that date *Moses* Emil Bock, 1986-09 Acknowledging his debt to Rudolf Steiner Bock draws a parallel between spiritual research and ancient texts to reveal the esoteric history of Moses He discusses cosmic history mythological history and human history and shows how all three stages constitute the path of our still evolving consciousness *Music Appreciation for Every Child* Mabelle Glenn, Margaret Lowry, 1927 **Pillar of Fire**, 1914

Judges and Saviors, Deborah and Samson Hillel I. Millgram, 2018-03-09 This is a book about a book it is an in depth yet reader friendly analysis of the Book of Judges one of the most dramatic books of the Bible Against the commonly held view that this remarkable work is no more than a collection of hero tales stemming from Israel's earliest days in its land its Heroic Age so to speak this study makes the case that the Book of Judges is a unified composition with a single focused message that it is the values held by a people and not its politics that determine its fate Further Judges contends that there is a direct connection between the kind of values people internalize and the level of violence that racks their society both inflicted from without and generated from within And not least that the presence of violence is a symptom that a society has abandoned the moral values of monotheism for the Machiavellian politics of a pagan worldview that worships power as the ultimate reality The larger than life heroes and heroines Ehud and Jael Deborah and Gideon Jephthah and Samson who people the pages of Judges serve by their example to illustrate the way this thesis works out in the world Paradise regain'd, a poem.
