# Samuel Beckett Now

**Angela Moorjani, Danièle de Ruyter-  
Tognotti, Sjef Houppermans**

## **Samuel Beckett Now:**

**Samuel Beckett Now** Samuel Beckett, 1970      *Samuel Beckett Now* Jackson R. Bryer, 1970      Samuel Beckett's Library Dirk Van Hulle, Mark Nixon, 2013-06-28 The first study to assess the importance of the marginalia inscriptions and other manuscript notes in the 750 volumes of Samuel Beckett's personal library      **Samuel Beckett** Laura Salisbury, 2012-04-04 Reads Beckett's comic timing as part of a post war ethics of representation Samuel Beckett is a funny writer He is also an author whose work is taken to respond ethically to the unspeakable seriousness of the post Holocaust situation How can these two statements sit together Ranging widely over Beckett's fiction drama and critical writings and including readings of *Murphy* the *Trilogy* *Waiting for Godot* *Endgame* the late prose and the late plays the book demonstrates that it is through Beckett's comic timing that we can understand the double gesture of his art the ethical obligation to represent the world how it is while at the same time opening up a space for how it ought to be Key Features Presents innovative readings of the comedy found in Beckett's fiction drama and critical writings Spans Beckett's entire oeuvre using published and unpublished sources Engages with recent and contemporary philosophical approaches to literature including work by Derrida Badiou Levinas and Adorno Makes a unique contribution to theoretical work on comedy and laughter Provides a rigorous introduction to the theoretical debates surrounding the relationship between modernist literature and a post war ethics of representation      **Beckett and Poststructuralism** Anthony Uhlmann, 1999-09-02 In *Beckett and Poststructuralism* Anthony Uhlmann offers a reading of Beckett in relation to French philosophy particularly the work of Foucault Deleuze and Guattari Levinas and Derrida Uhlmann offers a work of literary criticism that is also a piece of intellectual history emphasizing how Beckett develops a kind of critical thinking which differs from yet is just as powerful as that of philosophers who along with Beckett found themselves faced with sets of ethical problems which were thrown into sharp relief in post war France Uhlmann explores the links between ethics and physical existence in Beckett Foucault and Deleuze and Guattari and between ethics and language in Beckett Derrida and Levinas showing how post war French philosophy was powerfully affected by Beckett's work Literature is not reduced to philosophy or vice versa rather Uhlmann considers how they interrelate and overlap informing and deforming one another and how both encounter history      Samuel Beckett and the Second World War William Davies, 2020-12-10 In the wake of the Second World War Samuel Beckett wrote some of the most significant literary works of the 20th century This is the first full length historical study to examine the far reaching impact of the war on Beckett's creative and intellectual sensibilities Drawing on a substantial body of archival material including letters manuscripts diaries and interviews as well as a wealth of historical sources this book explores Beckett's writing in a range of political contexts from the racist dogma of Nazism and aggressive traditionalism of the Vichy regime to Irish neutrality censorship and the politics of recovery in the French Fourth Republic Along the way Samuel Beckett and the Second World War casts new light on Beckett's political commitments and his concepts of history as they

were formed during Europe's darkest hour      Beckett's Dantes Daniela Caselli, 2013-07-19 Beckett's Dantes Intertextuality in the Fiction and Criticism is the first study in English on the literary relation between Beckett and Dante. It is an innovative reading of Samuel Beckett and Dante's works and a critical engagement with contemporary theories of intertextuality. It is an informative intertextual reading of Beckett's work detecting previously unknown quotations, allusions to, and parodies of Dante in Beckett's fiction and criticism. The volume interprets Dante in the original Italian as it appears in Beckett translating into English all Italian quotations. It benefits from a multilingual approach based on Beckett's published works in English and French and on manuscripts which use English, French, German, and Italian. Through a close reading of Beckett's fiction and criticism, the book will argue that Dante is both assumed as an external source of literary and cultural authority in Beckett's work and also participates in Beckett's texts, sceptical undermining of authority. Moreover, the book demonstrates that the many references to various Dantes produce Mr Beckett as the figure of the author responsible for such a remarkably interconnected oeuvre. The book is aimed at the scholarly communities interested in literatures in English, literary and critical theory, comparative literature, and theory, French literature and theory, and Italian studies. Its jargon-free style will also attract third-year or advanced undergraduate students and postgraduate students as well as those readers interested in the unusual relationship between one of the greatest writers of the twentieth century and the medieval author who stands for the very idea of the Western canon.

**Samuel Beckett's Endgame**, 2007-01-01 This collection of essays, the first volume in the Dialogue series, brings together new and experienced scholars to present innovative critical approaches to Samuel Beckett's play Endgame. These essays broach a broad range of topics, many of which are inherently controversial and have generated significant levels of debate in the past. Critical readings of the play in relation to music, metaphysics, intertextuality, and time are counterpointed by essays that consider the nature of performance, the history of the theater, and the music hall. Beckett's attitudes to directing his play and his responses to other directors. This collection will be of special interest to Beckett scholars, to students of literature and drama, and to drama theorists and practitioners.

**Samuel Beckett and the Language of Subjectivity** Derval Tubridy, 2018-07-05 Samuel Beckett and the Language of Subjectivity is the first sustained exploration of aporia as a vital, subversive, and productive figure within Beckett's writing as it moves between prose and theatre. Informed by key developments in analytic and continental philosophies of language, Tubridy's fluent analysis demonstrates how Beckett's translations between languages, genres, bodies, and genders offer a way out of the impasse outlined in his early aesthetics. The primary modes of the self's extension into the world are linguistic speaking, listening, and material engaging with bodies, spaces, and objects. Yet what we mean by language has changed in the twenty-first century. Beckett's concern with words must be read through the information economy in which contemporary identities are forged. Derval Tubridy provides the groundwork for new insights on Beckett in terms of the posthuman, the materialist, the vitalist, and the relational subject cathected within differential mechanisms of power.

**Beckett after Wittgenstein** Andre

Furlani, 2015-11-30 Among the best represented authors in Samuel Beckett's library was Ludwig Wittgenstein yet the philosopher's relevance to the Nobel laureate's work is scarcely acknowledged and seldom elucidated. Beckett after Wittgenstein is the first book to examine Beckett's formative encounters with and profound affinities to Wittgenstein's thought style and character. While a number of influential critics including the philosopher Alain Badiou have discerned a transition in Beckett's work beginning in the late 1950s, Furlani is the first to identify and clarify how this change occurs in conjunction with the writer's sustained engagement with Wittgenstein's thought on, for example, language, cognition, subjectivity, alterity, temporality, belief, hermeneutics, logic, and perception. Drawing on a wealth of Beckett's archival materials, much of it unpublished, Furlani's study reveals the extent to which Wittgenstein fostered Beckett's views and emboldened his purposes. *Raymond Federman and Samuel Beckett* Nathalie Camerlynck, 2021-07-13 This book is about Raymond Federman and his incredible textual obsession with Samuel Beckett. Federman was a scholar of Beckett, postmodern theorist, a self-translator, and avant-garde novelist. Born in Paris in 1928, all of his immediate family perished in the Holocaust. Federman escaped thanks to his mother who hid him in a closet. After the war, he migrated to America and devoted his life to scholarship and creative writing. In both, he devoted his life to Beckett. Federman's creative and theoretical writings contaminate and pervert each other just as in his novels. French contaminates English and fiction perverts reality. His work is centered on the details of his survival, enacting a perpetual return to the closet as previous studies have demonstrated. By examining Beckettian and by extension Joycean intertextuality in the novels of Raymond Federman, this study traces the contours of a second closet. *Beckett in Conversation, "yet again" / Rencontres avec Beckett, "encore"* Angela Moorjani, Danièle de Ruyter-Tognotti, Sjeff Houppermans, 2017-07-10 Inexhaustible Beckett even as his oeuvre continues to mark today's literary, dramatic, and other arts, the man and artist remain alive in the memories of those who knew him personally. Collected here are conversations with the author recalled by translators, scholars, artists, and theatre and media practitioners, drawing on unpublished notes of meetings and uncollected, mostly correspondence with him. Through the varied lenses of their reminiscences, readers will appreciate Beckett's remarkable art of letter writing, his conversation punctuated by pregnant pauses, his exceptional humor and talent for friendship, and his punctilious concern for the translations, interpretations, and performance of his works. The readers of this volume will come to share the exhilaration, the encounters with Beckett produced in the writers of these memoirs. In *puisable Beckett*, Non seulement son œuvre reste vivante et laisse son empreinte dans la littérature, le théâtre et les arts actuels, mais sa personnalité d'homme et d'artiste continue de marquer ceux qui l'ont connu personnellement. Ce sont les témoignages de plusieurs d'entre eux que nous reproduisons ici. À travers leurs diverses perspectives, le lecteur pourra apprécier cet art pistolaire propre à Beckett, celui de sa conversation ponctuée de silences lourds de sens, son humour exceptionnel, ainsi que son talent pour l'amitié, autant que la rigueur pointilleuse qu'il apportait aux traductions, interprétations et mises en scène de ses œuvres. Nous espérons que les lecteurs de ce volume pourront

partager l'enchantement ressenti par les auteurs de ces mémoires lors de leurs rencontres avec Beckett **Beckett and Joyce** Barbara Reich Gluck, 1979 *Unwording the World* Carla Locatelli, 2016-11-11 This comprehensive study of Beckett's art proposes a doubly contextualized reading of his later works Carla Locatelli reads late Beckett through his previous writings and relates them to the literary philosophical and critical community which surrounds him To appreciate his contribution as an epistemological rhetorician she proposes a multidisciplinary approach that draws upon a remarkably wide range of theorists including Kierkegaard Husserl Heidegger Peirce Jakobson Deleuze Lacan and Derrida In Part One of this study Locatelli traces the evolution of Beckett's writing proposing that his principal concern devolves more and more upon the essential character of representation and its role in the constitution and signification of the subject Part One also provides a history of this thematic showing how Beckett's writing effects a radical displacement of representation from function to object of discourse In Part Two Locatelli focuses on Beckett's fiction after the Nobel Prize of 1969 and on the epistemological and aesthetic issues in *Company* 1980 *Ill Seen, Ill Said* 1981 and *Worstward Ho* 1983 She examines his unwording in this Second Trilogy and defines it as a process of subtraction that probes into the most basic mode of our being in the world Here Beckett proposes as Locatelli suggests a very real hermeneutics of experience beyond the schools of suspicion which are still influencing some postmodernist thinking This volume will be of particular value to scholars and students of twentieth century English literature French literature and literary theory **The Cambridge Companion to Beckett** John Pilling, 1994-03-17 The world fame of Samuel Beckett is due to a combination of high academic esteem and immense popularity An innovator in prose fiction to rival Joyce his plays have been the most influential in modern theatre history As an author in both English and French and a writer for the page and the stage Beckett has been the focus for specialist treatment in each of his many guises but there have been few attempts to provide a conspectus view This book first published in 1994 provides thirteen introductory essays on every aspect of Beckett's work some paying particular attention to his most famous plays e.g. *Waiting for Godot* and *Endgame* and his prose fictions e.g. the trilogy and *Murphy* Other essays tackle his radio and television drama his theatre directing and his poetry followed by more general issues such as Beckett's bilingualism and his relationship to the philosophers Reference material is provided at the front and back of the book

*Damned to Fame: the Life of Samuel Beckett* James Knowlson, 2014-10-16 \_\_\_\_\_ A triumph of scholarship and sympathy one of the great post-war biographies Independent A landmark in scholarly criticism Knowlson is the world's largest Beckett scholar His life is right up there with George Painter's Proust and Richard Ellmann's Joyce in sensitivity and fascination Daily Telegraph It is hard to imagine a fuller portrait of the man who gave our age some of the myths by which it lives Evening Standard \_\_\_\_\_ SHORTLISTED FOR THE WHITBREAD PRIZE \_\_\_\_\_ Samuel Beckett's long standing friend James Knowlson recreates Beckett's youth in Ireland his studies at Trinity College Dublin in the early 1920s and from there to the Continent where he plunged into the multicultural literary society of late 1920s Paris The biography

throws new light on Beckett's stormy relationship with his mother the psychotherapy he received after the death of his father and his crucial relationship with James Joyce There is also material on Beckett's six month visit to Germany as the Nazis tightened their grip The book includes unpublished material on Beckett's personal life after he chose to live in France including his own account of his work for a Resistance cell during the war his escape from the Gestapo and his retreat into hiding Obsessively private Beckett was wholly committed to the work which eventually brought his public fame beginning with the controversial success of *Waiting for Godot* in 1953 and culminating in the award of the Nobel Prize for Literature in 1969

*Samuel Beckett's Novel "Watt"* Gottfried Büttner, 2016-11-11 The finest full length work devoted to Watt The most important study to date and quite possibly the standard interpretation for many years to come Deirdre Bair author of *Samuel Beckett A Biography*

*Beckett and Nature* Charles Clements, Eleanor Green, James Martell, 2025-07-10 New analyses on the insightful ways in which Beckett's work actively engages with contested notions of Nature and the natural developing a radical version of modernism's main questions and insights Beckett and Nature takes its cue from contemporary developments in Beckett scholarship focused on ecocriticism posthumanism and the Anthropocene going beyond them into a questioning of the very concepts of Nature and the natural It examines one of the most unthought ontological dimensions of literature and life that symbolic space deemed natural or part of Nature appears necessary and undeniable and therefore impossible to be deconstructed In doing so the authors show that in fact this space takes on many shapes recognizing three natural dimensions criticized by Beckett bodies worlds and literatures Featuring a wide range of both Beckett's work and Beckett scholars including Jean Michel Rabat and Stanley E Gontarski *Beckett and Nature* offers contextualized readings of the understandings of nature and the natural throughout his decade spanning oeuvre The volume shows that part of the radicality of Beckett's writing is that through a variety of evolving techniques and strategies it questions what appears in our cultures as the most unquestionable and opens up possibilities for thinking not only what is human literature and philosophy but also gender identity and any attempt at definitions of ourselves or the world at large

**The Transformations of Godot** Frederick Busi, 2021-10-21 Didi Gogo Pozzo Lucky the bizarre names stand out strangely against the bare bones landscape of *Waiting for Godot* In an intriguing new study of one of the most haunting plays of this century Frederick Busi shows that these names serve important dramatic functions reinforcing the changing roles assumed by the mysterious characters in their tortuous search for and avoidance of self Busi also explores Beckett's convoluted literary relationship with James Joyce especially as revealed in the plays within the play and verbal jigs of *Finnegans Wake* where as in *Godot* the same characters keep dreamily encountering themselves in different disguises under shifting names Beckett's strong affinities with Cervantes and the common debt of these two authors to the traditions of *commedia dell'arte* lead Busi to important insights into the shifting master slave relationship so prominent in *Godot* as in *Don Quixote* The religious implications of *Godot* the subject of so much critical debate are placed in a new perspective by Busi's provocative observation

that certain early Christian heretical works and certain books of the Apocrypha contain not only the idea of the Devil God Judas Jesus identifications implied in Godot but also a number of names that Beckett seems to have had in mind when he wrote his play Rich in linguistic historical and psychological learning Busi s examination of the names in Godot leads the reader to a fuller awareness of Beckett s extraordinarily complex imagination As Wylie Sypher writes in the foreword the book is an invitation to expand our reading of Beckett in many directions      **French XX Bibliography** William J. Thompson, 2006-09 Provides a listing available of books articles and book reviews concerned with French literature since 1885 This work is a reference source in the study of modern French literature and culture The bibliography is divided into three major divisions general studies author subjects arranged alphabetically and cinema

Getting the books **Samuel Beckett Now** now is not type of inspiring means. You could not by yourself going subsequently book buildup or library or borrowing from your connections to gate them.
