**Samuel Bronfman** Michael Robert Marrus,1991 The irascible son of a Jewish pioneer from Czarist Russia whose business acumen built an international company renowned for the quality of its products Samuel Bronfman s father failed as a wheat farmer and then found success selling frozen fish firewood and horses At this point young Sam observed to his father The bar makes more profits than we do Instead of selling horses we should be selling the drinks And thus began what was to become the Seagram whiskey empire Sam s insight and timing were right as Canada and especially the United States were coming under the influence of the temperance movement While legend often places Sam in the thick of Prohibition era bootlegging and rum running in fact he built for the long term and kept his operations within both the law and its loopholes as he supplied American bootleggers Sam demonstrated his marketing genius by insisting on quality in a business notorious for cutting corners and thereby set the standard for the industry in the decades to follow Sam s success in

penetrating the American market was such that after Prohibition his competitors lobbied the federal government for protection. While Samuel Bronfman is a classic rags to riches tale, it is also the story of a Jew who remained in many ways outside business and social establishments even after becoming internationally famous. Commuting every week between his Montreal and New York office, his was a private life centered on his family and their home in Montreal and summer places such as Tarrytown, New York. In the 1950s, Sam, under instructions from his daughter Phyllis Lambert, commissioned Mies van der Rohe to design a new corporate headquarters, the Seagram building at 375 Park Avenue, a landmark on the New York City skyline. As a leader of the Jewish community, Sam was elected president of the Canadian Jewish Congress in 1939 and went on to organize financial aid to the fledgling state of Israel, beginning decades-long involvement in Jewish affairs and support for the Jewish state.

On the Front Line of Life Stephen Leacock, 2004-11. In the last years of his life, Leacock wrote informal essays blending humour with a conversational style about topics like education, literature, economics, Canada's place in the world, and the joys and sorrows of his life. These passionate personal essays convey the message that only the human spirit can bring social justice, peace, and progress. These essays reveal a personal Leacock conveying the message that only the human spirit can bring social justice, peace, and progress.

**The Icarus Factor** Rod McQueen, 2011-07-27. In June 2000, Edgar Bronfman Jr. sold Seagram Co. to French media giant Vivendi in a \$34 billion deal. Young, handsome, and fabulously rich, Edgar Jr. seemed finally to have silenced the detractors who for fifteen years had scorned him, calling him a naïve dilettante and the star-struck whisky king. As the third-generation president and CEO of a family dynasty in the booze business, Edgar Jr. had made controversial corporate decisions. In 1995, he sold Seagram's holding in the secure but boring DuPont to buy Hollywood studio MCA. In 1998, he acquired PolyGram, thereby creating the world's largest record company. In 2000, when convergence was the corporate mantra, he merged Seagram with Vivendi. At fifteen, Edgar Jr. had been designated by his grandfather, Sam Bronfman, Seagram's legendary founder, to eventually head the business Mr. Sam had built as a bootlegger during Prohibition. For Edgar Jr., that choice turned into a curse as he agonized over Mr. Sam's prescient 1966 warning: "Shirtsleeves to shirtsleeves in three generations. I'm worried about the third generation. Empires have come and gone." In 1994, when Edgar Jr. succeeded his father, he announced, "I'm not going down in history as the one Bronfman who pissed away the family fortune." Despite all his efforts, Edgar Jr. could not avoid his destiny. The value of the Bronfman family holdings in Seagram, swapped for shares in Vivendi, fell by almost three quarters from \$8.2 billion to \$2.2 billion between 2000 and 2002. Business Week featured Edgar Jr. on its Worst Managers List, calling him the most desperate billionaire around. In this unauthorized biography, acclaimed and award-winning business writer Rod McQueen tells the gripping story of an empire's demise. Based on 150 revealing interviews with high school friends, associates from his Hollywood and Broadway days, as well as former colleagues, officers, and directors at Seagram and Vivendi, *The Icarus Factor* tracks Edgar Jr. on his meteoric rise and spectacular fall. In addition to Edgar Jr. himself, McQueen interviewed many powerful media and entertainment leaders.

including Frank Biondi Jr Jack Valenti Barry Diller Ron Meyer Doug Morris and Herbert Allen Jr What emerges is a compelling and intimate portrait of a man who wrestled with his own fervent dreams and family responsibilities This is a story about duty and destiny passion and performance family and failure Above all it is a cautionary tale about the complex relationship between a father and a son with catastrophic consequences **TLS, the Times Literary Supplement** ,1992
