SAMUEL THE SEEKER; "SAMUEL," SAID OLD EPHRAIM, "SEEK, AND YE SHALL FIND." UPTON SINCLAIR., Upton Sinclair 1878 1968 was a prolific American novelist and a political activist Apart from his bestselling novels which told in black and white illuminated the realities of the United States at the turn of the twentieth century he is remembered today for championing socialist causes that were naturally unpopular in conservative America In classics like *The Jungle* his work had considerable effects on American politics and legislation Sinclair's socialist ideals and dreams found their way to his fiction as he believed that no art can be practiced for art's sake as long as humanity still suffers from persistent dangers and evils Such orientations have often subjected Sinclair to harsh criticism and even to demonization from numerous critics and politicians of his time the most distinguished among which was probably President Theodore Roosevelt However his legacy is that of a successful and established novelist and activist who if not always righting the balance was able to bring an incisive mind and mass exposure to many areas and industries **Samuel the Seeker** Upton Sinclair (Schriftsteller, USA), 1910

Samuel the Seeker Upton Sinclair, 2013-11 Samuel said old Ephraim Seek and ye shall find He had written these words upon the little picture of Samuel's mother which hung in that corner of the old attic which served as the boy's bedroom and so Samuel grew up with the knowledge that he too was one of the Seekers Just what he was to seek and just how he was to seek it were matters of uncertainty they were part of the search Old Ephraim could not tell him very much about it for the Seekers had moved away to the West before he had come to the farm and Samuel's mother had died very young before her husband had a chance to learn more than the rudiments of her faith So all that Samuel knew was that the Seekers were men and women of fervor who had broken with the churches because they would not believe what was taught holding that it was every man's duty to read the Word of God for himself and to follow where it led him *Samuel the Seeker* Upton Sinclair, 1910
