Davis,2020-04-08 In this interdisciplinary work William L Davis examines Joseph Smith s 1829 creation of the Book of Mormon the foundational text of the Latter Day Saint movement Positioning the text in the history of early American oratorical techniques sermon culture educational practices and the passion for self improvement Davis elucidates both the fascinating cultural context for the creation of the Book of Mormon and the central role of oral culture in early nineteenth century America Drawing on performance studies religious studies literary culture and the history of early American education Davis analyzes Smith s process of oral composition How did he produce a history spanning a period of 1 000 years filled with hundreds of distinct characters and episodes all cohesively tied together in an overarching narrative Eyewitnesses claimed that Smith never looked at notes manuscripts or books he simply spoke the words of this American religious epic into existence Judging the truth of this process is not Davis s interest Rather he reveals a kaleidoscope of practices and styles that converged around Smith s creation with an emphasis on the evangelical preaching styles popularized by the renowned George Whitefield and John Wesley *Subject Guide to Books in Print* ,2001 Book of Mormon Study Guide, Pt. 3 Randal S. Chase,2010-12-08 Helaman through Moroni This volume is the third of three on the Book of Mormon It covers the Book of Helaman through through the Book of Moroni This includes the period of great wickedness just prior to the coming of Christ We read of the missions of Nephi and Lehi followed by Samuel the Lamanite The signs of Christ s birth and death are given followed by their fulfillment Great destruction occurs on the American continent and only the righteous survive in the Land of Bountiful Christ appears to the Nephites teaches and heals them organizes His Church and ordains 12 disciples to lead them After His departure a Zion people live in peace for many years then decline again into great wickedness We read of the final days of the Nephites in the writings of Mormon and Moroni We also read about the Jaredites who were the first to inherit the land long before Lehi s family arrived In all it covers 2 000 years of Jaredite history and 469 years of Nephite history from 52 BC to 421 AD when the book of Moroni closes The cover features a beautiful painting titled Behold Your Little Ones by Del Parson **Mormons and Popular Culture** J. Michael Hunter,2012-12-05 Many people are unaware of how influential Mormons have been on American popular culture This book parts the curtain and looks behind the scenes at the little known but important influence Mormons have had on popular culture in the United States and beyond Mormons and Popular

Culture The Global Influence of an American Phenomenon provides an unprecedented comprehensive treatment of Mormons and popular culture Authored by a Mormon studies librarian and author of numerous writings regarding Mormon folklore culture and history this book provides students scholars and interested readers with an introduction and wide ranging overview of the topic that can serve as a key reference book on the topic The work contains fascinating coverage on the most influential Mormon actors musicians fashion designers writers artists media personalities and athletes Some topics such as the Mormon influence at Disney and how Mormon inventors have assisted in transforming American popular culture through the inventions of television stereophonic sound video games and computer generated animation represent largely unknown information The broad overview of Mormons and American popular culture offered can be used as a launching pad for further investigation researchers will find the references within the book s well documented chapters helpful
