Rene Girard, Law, Literature, and Cinema Eric M. Wilson, 2024-04-05 This book is the first monograph to critically evaluate the work of the literary scholar Ren Girard from the perspectives of Law and Literature and Law and Film Studies two of the most multidisciplinary branches of critical legal theory The central thesis is that Girard's theory of the scapegoat mechanism provides a wholly new and original means of re conceptualizing the nature of judicial modernity which is the belief that modern Law constitutes an internally coherent and exclusively secular form of rationality The book argues that it is the archaic scapegoat mechanism the reconciliation of the community through the direction of unified violence against a single victim that actually works best in explaining all of the outstanding issues of Law and Literature in both of its sub forms law as literature the analysis of legal language and practice exemplified by literacy texts and law in literature the exploration of issues in legal theory through the fictitious form of the novel The book will provide readers with i a useful introduction to the most important elements of the work of Ren Girard ii a greater awareness of the hidden nature of legal culture and reasoning within a post secular age and iii a new understanding of the subversive or enlightening nature of some of the most iconic works on Law in both Literature and Cinema media which by their nature allow for the expression of truths repressed by formal legal discourse Children's Books and Their Creators Anita Silvey, 1995 Unique in its coverage of contemporary American children's literature this timely single volume reference covers the books our children are or should be reading now from board books to young adult novels Enriched with dozens of color illustrations and the voices of authors and illustrators themselves it is a cornucopia of delight 23 color 153 b w illustrations *Social Studies Review*, 1988
