San Francisco Nights Eudora Carroll, 1983 **Delta Crossing** Joseph Nazel, 1984 He was a college professor on a field trip to do research on blues music What could be more innocent Then why had he been kidnapped and driven into the swamps Why had those men back there tried to kill him Then he heard it Sunday night music from an old country church He would be safe there safe from whatever sort of madness was chasing him back there in the woods How was he to know that in the Deep Delta country venomous deceit and monstrous evil is sometimes masked by the smiling face that calls you brother Back cover **The Heart Line** Gelett Burgess, 2022-06-02 Gelett Burgess's *The Heart Line* delves into the nuanced transition from the occult to the intellectual in pre 1906 San Francisco exploring themes of social ascension and the deceptive allure of spiritualism Through the character of Frank Granthope a palmist turned amateur counselor Burgess crafts a narrative that not only depicts the transformation of an individual but also reflects the broader societal shifts of the era His depiction of the labyrinthine world of fake spiritualism combined with a deeply ingrained satire characteristic of his style positions the novel within a rich literary context resonating with the works of contemporaneous American realists and naturalists who often scrutinized the interplay between societal norms and individual identity Burgess's own biography is laced with an affinity for humor and a disdain for convention elements that permeate his work and may have been instrumental in the conception of *The Heart Line* As an artist and writer Burgess was no stranger to the bohemian circles of his time rendering him well versed in the milieu he portrays The novel emerges not only as an exploration of societal values but as an extension of Burgess's personal observations and life experience in the rapidly changing American society at the turn of the century *The Heart Line* is recommended for readers interested in a vivid portrayal of early 20th century American society as well as those captivated by the complex interplay between status sincerity and the supernatural Burgess's work offers a journey through a transformative period of history illuminated by the author's clever wit and incisive commentary making it a noteworthy piece for both literary scholars and enthusiasts of historical fiction **The Heart Line** Gelett Burgess, 1907 [The Reader](#) , 1907 **Overland Monthly and Out West Magazine** , 1908 [Ephemeral Bibelots](#) Brad Evans, 2019-09-10 Restoring proto modernist little magazines known as ephemeral bibelots to the scholarly canon Emanating from the cabarets of modernist Paris a short lived vogue spread around the world for avant garde journals known in English as ephemeral bibelots For a time it seemed that all the young bohemians passing through Paris started their own bibelots modeled on *Le Chat Noir* the esoteric magazine of the famed Montmartre cabaret These journals were recognizable for their decadence campy queerness astounding art nouveau illustrations fin de siècle color schemes innovative typefaces and practiced bohemianism In *Ephemeral Bibelots* Brad Evans relays the untold story of this late nineteenth century craze for bibelots dusting off a trove of periodicals largely untouched by digitization In excavating this forgotten archive Evans calls into question the prehistory of modernist little magazines as well as the history of American art and literature at the turn of
