A Patron Family Between Renaissance Florence, Rome, and Naples Vincenzo Sorrentino, 2022-04-19 This book tells the story of the Del Riccio family in Florence in the early modern period investigating the cultural mediations fostered by the family between Florence Rome and Naples as well as shedding light on the intellectual and social exchanges between different regions of Italy and on the creation of foreign nations within the main Italian cities These social and cultural dimensions are further explored through the study of the obsessive persistence of the family s relationship with Michelangelo Buonarroti exhibited both publicly in the Florentine and Neapolitan family chapels and privately in their homes The main achievement of this study is to move the focus from the ruling power the Medici family and the immediate members of their court to a Florentine middle class family and its social mobility this shift from the conventional narrative to a distributed microhistory is fundamental to better assess the use of images and artworks in early modern Florence and abroad The aesthetic and stylistic choices in the use of art and art display made by the Del Riccio reveal a deep awareness of the substantial differences in taste and meaning between different cities of the Italian peninsula The book will be of interest to scholars working in art history visual culture and Renaissance studies

Papal Banking in Renaissance Rome Francesco Guidi Bruscoli, 2017-03-02 Benvenuto Olivieri was a Florentine banker active in Rome during the first half of the sixteenth century

A self made man without any great family patrimony he rose to prominence during the pontificate of Pope Paul III becoming involved with a variety of papal enterprises which allowed him to get to the heart of the mechanisms governing the papal finances Amassing a considerable fortune along the way Olivieri soon built himself a role as co ordinator of the appalti revenue farms and became one of the most powerful players in the complex network that connected bankers and the papal revenue This book explores the indissoluble link that had developed between the papacy and bankers illuminating how the Apostolic Chamber increasingly in need of money could not meet its debts without farming out the rights to future income Utilising documents from a rich corpus of unpublished sources in Florence and Rome Guidi Bruscoli unravels the web of financial connections that bound together Florentine and Genoese bankers with the papacy and looks at how money was raised and the appalti managed

Ave Papa/Ave Papabile Lilian H. Zirpolo,2005 In 1624 Pope Urban VIII appointed Marcello Sacchetti depositary general and secret treasurer of the Apostolic Chamber and Giulio Sacchetti bishop of Gravina Urban later gave Marcello the lease on the alum mines of Tolfa and raised Giulio to the cardinalate To assert their new power the Sacchetti began commissioning works of art Marcello discovered and promoted leading Baroque masters such as Pietro da Cortona and Nicolas Poussin while Giulio purchased works from previous generations In the eighteenth century Pope Benedict XIV bought the collection and housed it in the Capitoline Museum where it is now a substantial portion of the collection By focusing on the relationship between the artists in service and the Sacchetti this study expands our knowledge of the artists and the complexity of the processes of agency in the fulfillment of commissions In so doing it underlines how the Sacchetti used art to proclaim a certain public image and to promote Cardinal Giulio as a candidate to the papal throne

J. P. Lowe,2002-09-05 A detailed look at the public and private worlds of a leading Italian Renaissance cardinal **Historical Dictionary of Francesco Borromini** Lilian H. Zirpolo,2025-07-10 Francesco Borromini was one of the most notable architects of the 17th century and though he fell into

disfavor by the end of the following century today he is classified as one of the most innovative architects in history Although Borromini enjoyed a highly successful career he was already subjected to intense criticism during his lifetime Criticism continued well after Borromini's death when the most often used word to assess his work was bizarre Critics begrudged the fact that in their view Borromini ignored the traditional rules of architecture that had been established by the ancients and revived during the Renaissance era They did not recognize that Borromini was indeed an avid student of both ancient and Renaissance architecture and that he often borrowed elements from these two eras but then applied them to his structures in new and inventive ways It was not until art historians began assessing Borromini's architecture in a sober and nonjudgmental manner in the late 19th century that he was finally given his proper place in the history of architecture This book assesses Borromini's individual commissions following the proper scholarly methodology as well as his biographical details artistic development relationship with his protectors and patrons and external circumstances that might have determined his artistic output This book emphasizes the innovations Borromini introduced to the field of architecture and how these influenced later artists
