San Juan Glimpses In Time Travels Through Shadow:

San Juan: Glimpses in Time Michael Jean Nystrom-Schut, 2004-07-02 From my home in San Juan a lovely sector of central Tibas situated just north of San Jose Costa Rica while the candle flickers I commence the writing of these varied glimpses Warning What you are about to read are personal memoirs They are much to do about self They amount to a large group of random thoughts sporadic observations I always feel I am somehow supposed to write my thoughts down what a big ego I must have because I like to think that if you put them all together they form a loose knit way of seeing the world They are a part of my worldview Everyone has one of these whats your view of the world look like I am going to be a world philosopher when I grow up you see That is what my intention is since I have always been preoccupied with how to see things how to process things How odd is life anyway Thats why my interest in philosophy to figure out the oddness of life Normally I think philosophy can be pretty dry and boring But for me its terribly exciting In this book what you are about to delve into will resemble the form of an ongoing story It will consist of a sequence of six weeks of shadows and lights i e days and nights After that time wherever I am at with it I will stop and simply and abruptly start to write another book about something else I know not what Here though I will I suspect be sharing with you a series of ideas dreams fears logical thoughts illogical thoughts wonderings wanderings and general psychobabble I say that because I intend to impart thoughts and ideas about whatever might be in my ongoing existence in being This could be anything I assure you as of course it could be for anyone Exactly what will appear in the pages that represent the next six weeks of my life I do not have any idea that for me is going to be much of the fun of writing it *Little Journey to Puerto Rico* Marian Minnie George, 2022-09-04 DigiCat Publishing presents to you this special edition of *Little Journey to Puerto Rico* For Intermediate and Upper Grades by Marian Minnie George DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature *Glimpses ... Now I Can See* Elizabeth A. Roberts, 2015-07-21 When Elizabeth Roberts twice lost her sight she felt she had lost her self as well Months and years of darkness loomed ahead How could she continue the life she once had Could she be self reliant and independent Could she find happiness in accomplishment again This collection of stories poems and essays reflects her journey to go beyond loss to regain life She recalls disturbing times of abuse as she seeks a newly defined self She finds wonderfully implausible moments of humor involving students teachers and colleagues Furthermore the abiding love for a small donkey a gray cat and a cherished friend brings positive though poignant remembrances The glimpses of her life reveal frustration and fear as well as joy contentment and peace but most of all the hope and love she needs to survive to live to flourish Through the authors loss of sight and search for vision we see resilience and achievement and love **Tracing Time** Craig Childs, 2022-04-19 An engaging glimpse into a world both fascinating and fundamentally unknowable to those
