**The Gospel Mystery of Sanctification** Walter Marshall, 2005-01-20 The Gospel Mystery of Sanctification by Walter Marshall first published in 1692 is one of the classic works of Christian spirituality It is a deep and rich biblical study of sanctification how Christians grow in holiness and become more like Jesus In a day when Christians are very prone to pursue self help methods to grow in obedience to Christ Walter Marshall lays out the biblical way of growth obedience comes as Christians live by grace in union with Christ by faith Growth comes as Paul says in Galatians 2 20 through Christ living in me The message of this book is so important for Christians today it is essential that it be rewritten in contemporary English

**A New Creation in Christ** T. Michael Christ, 2024-08-08 What is the most important book on sanctification For John Murray it was Walter Marshall's The Gospel Mystery of Sanctification William Cowper praised Marshall I think Marshall one of the best and most spiritual expositors of Scripture The Marrow men also commended Marshall Even Andrew Murray believed Gospel Mystery to be the one book admitted by all to be the standard on sanctification Marshall's enduring value is well established yet scarcely any resources explain Marshall's theology T Michael Christ's A New Creation in Christ fills this void by exploring Marshall's theology in the context of the antinomian and neonomian controversies of Marshall's day At a time when interlocutors were pushing one another to further extremes Marshall achieves balance because he grounds sanctification in the believer's union with Christ and deploys two limiting concepts that discourage using one error to refute the other He insists both that some measure of assurance of salvation must precede actual works of holiness refuting neonomians and that holiness is a necessary part of salvation countering antinomianism A New Creation in Christ explores how these limiting concepts translate into practical help for those who as Marshall says pursue holiness under the guilt and power of indwelling sin **The Mystery of Sanctification by Christ & The Christian Warfare** Thomas

Boston, 2019-04-06 This book is a facsimile reprint of two shorter treatises by Thomas Boston the first concerning sanctification by Christ and the second concerning the Christian's spiritual warfare These are excerpted and reprinted from Boston's Whole Works Sanctification as Set Apart and Growing in Christ Margaret Elizabeth Köstenberger, 2023-05-05 A

Fahim, 2022-01-18 The opposition against legalism and Antinomianism is one fight that Calvin the

Westminster Divines and Walter Marshall were involved in Both errors are strongly connected and we are prone to swing between these two errors Each of them leads to the other When we think that being forgiven in Christ means that we are not bound to the law we fall into Antinomianism As a reaction against Antinomianism we can go to the other extreme which is legalism In legalism we try to secure obedience by making it the condition for our salvation and hence it becomes a heavy burden The final result of this swinging is despair which leads to hatred of the law and subsequently of God The swinging between these two errors can only be broken by the gospel
