

Sand Castle

by Lynnette Streeter

At the beach I built a castle.
I made it of wet sand
That I scooped up with my shovel
And patted smooth by hand.

I made a wall around it
And a pretty seashell door,
But I watched my castle tumble
When the ocean rushed ashore!

View With A Grain Of Sand Wislawa Szymborska, 2015-03-17 From one of Europe's most prominent and celebrated poets a collection remarkable for its graceful lyricism With acute irony tempered by a generous curiosity Szymborska documents life's improbability as well as its transient beauty to capture the wonder of existence Preface by Mark Strand Translated by Stanislaw Baranczak and Clare Cavanagh winners of the PEN Translation Prize

Slow Work Through Sand Leslie Ullman, 1998 For a number of years Leslie Ullman has lived in the Southwest on cultivated land in the company of horses and with access to uncultivated desert The seasons and conditions of this starkly appealing land have found their way into the poet and her work Ullman creates origins for herself in nature in solitude in animals and of course through those aspects of human relationships which teach important lessons Since winning the prestigious Yale Younger Poets Award in 1979 Ullman has manifested her love of language as both writer and teacher As she remembers from her youthful summers in a Wisconsin lake lodge Sometimes the words I read were the tap of rain on the roof or the fire snapping in its great stone bed but mostly they bloomed as the sound of the lake a mantra against the weathered dock She writes that her book may be trying to validate the history of women the title of one of the poems just as men's history has always validated hugely and by implication the way we use language and the way history has been taught Hers is not a defensive or an angry intention however but an exciting one *Slow Work through Sand* attempts simply to make visible the dance a woman's life is not apart from other dances but as a valid dance among dances

Grains of Sand Nancy Glascock Sneed, 2013-06-17 *Grains of Sand* is a collection of poems about the beach with beautiful watercolor illustrations The poems cover a family's vacation from packing to reliving the trip through the pictures in their photo album Some of the poems will tickle the funny bone of the youngest family member Some will cause Mom to sigh and nod her head All the poems will appeal to anyone who loves family and the precious memories a family vacation brings Feel the gentle call of the waves and the ties of family that can never be broken

Sand Theory William Olsen, 2011-02-09 The poems in *Sand Theory* William Olsen's fifth collection to date bristle with intellect sensitivity and ambition Engaging poets from William Blake to Theodore Roethke Olsen takes aim at grand questions of spirituality the instability of meaning and the individual's relationship with the natural world Yet Olsen's lithe and sinuous poems wear their metaphysical concerns lightly shifting easily between the immediate perceptions of a passing moment and observations offered as if from a great distance outside of time and space The energy of Olsen's poems is generated by his ability to meld the intellectual and the emotional the abstract and the concrete into a seamless whole while maintaining a sense of wit and playfulness *Sand Theory* cements Olsen's standing as one of the most vital poets writing today an audacious chronicler of the supremely open moment

Child Made of Sand Thomas Lux, 2012 In *Child Made of Sand* Kingsley Tufts winner Thomas Lux demonstrates a restless energy to explore new territory while confirming his place in the pantheon of contemporary American poetry

Water, Rock and Sand Peter Levi, 1962 *Pictures in the Sand* Glyn

Goode,2013-08 These poems express very relevant messages with disarming sincerity and often with unexpected humour though there is a lingering sadness that imparts a depth of feeling If you see his poem Footprints in the Sand as the voice of the Saviour or Comforter addressing the reader seeking guidance and help it takes on a very powerful dimension

Ceremony of Sand Rodney Gomez,2019-04-15 Poetry Latinx Studies Set along the U S Mexican border CEREMONY OF SAND is an examination of hiddenness of those things the borderlands want kept secret of the banal violence that is both internally created and forced upon it The collection exposes the futility of naming the borderlands as one particular type of place and tackles the complexity of its inhabitants their contradictions their language and their failures In poems both fatalistic and deeply hopeful CEREMONY OF SAND serves as witness as it also addresses the complexity of developing a language of unique personhood while living inside a culture that expects recapitulation of its own aesthetics and beliefs

Pebbles & Sand Louis Newman,1968 Pillars of Sand J. T. Bennett,2014-12-21 Pillars of Sand Poems made from Dreams Have you ever had a dream that seemed so real you couldn t forget it For years I have dreamt of wars of violence So moving are these haunting images that I was compelled to lyricise them and turn them into poems I d like to dedicate these poems and some others to those who have died in combat to those injured in the scourge of battle and to those they have left behind A collection of poems dedicated to Heroes of war Royalties to Help for Heroes a charity that supports all these individuals *Sand Poems* Lala Koehn,1979 Moy Sand and Gravel Paul Muldoon,2002 A collection of poems reflects the

author s life in his native Northern Ireland and as a father and teacher in suburban New Jersey **According to Sand** Thorpe Moeckel,2022-10-04 While ranging from creekbanks to hummocks from barrier islands to ridges and hollers from the Kansas River to West Penobscot Bay to the Edisto to various tributaries of the New and the James the Neuse and the Savannah the poems in ACCORDING TO SAND exhume often lost and surprising senses of the world and of words They track these creaturely poems the abundant and the minimal singing in praise and loss the uncanniness of existence Into the waters and the lives there this collection goes the ghost crabs fungi heron crap shifts of light of history family time a doll s head on a riverbank deadfall leaves weeds yes lots of plants some in blossom many edible ACCORDING TO SAND is an aching wryly joyous collection that embodies the erosive and porous qualities of sand and invites us to recognize how we might remain among the remains settling shifting filtering and surviving
