Shaped Notes Larnelle Harris, Christine Schaub, 2018-02-06 Larnelle Harris is one of the most renowned Christian vocalists of our generation. Aside from his numerous accolades in the recording industry, Larnelle has been a stalwart figure of integrity, choosing to always put his marriage and children above his career. In his first memoir, Larnelle honestly shares some of the most difficult moments of his life, from losing his voice for a year to being attacked for his color. And he humbly credits the people who shaped his life and career early on, offering timeless insights into how God can use ordinary people to do extraordinary things. Encyclopedia of Contemporary Christian Music, Don Cusic, 2009-11-12 The first comprehensive overview of contemporary inspirational music, covering its historical roots and dramatic growth into one of America's most vital music genres. The Encyclopedia of Contemporary Christian Music: Pop, Rock, and Worship is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize. It fills a major gap in the literature on American music and Christian culture, looking at this increasingly popular genre in the context of the overall history of religious music in the United States. With over 200 entries, The Encyclopedia of Contemporary Christian Music covers important performers and industry figures, songs and albums, concerts and festivals, the rise of Christian radio and television, and other issues related to the growth of inspirational music. Scholars and fans alike will find a wealth of revealing information and insightful coverage illustrating the influence of gospel on modern American music, with musicians such as Elvis, Sam Cooke, Johnny Cash, Bob Dylan, and U2. The work also examines the use of fundamental rock, pop, and rap music templates in the service of songs of faith. **Falling Forward** Sandi Patty, 2007-04-08 For every mother who has thought, "I just blew it with my kids," for every wife who thinks she just can't stand to pretend anymore, for every friend who thinks she's reached the end of her patience, for every headline you read about someone who has compromised, there's a story that started from birth and led to the chapter she is currently surviving. Sandi Patty knows more than a little about such stories. At the height of a spectacular singing career, Sandi found herself in the middle of an affair, a divorce, and a fall from grace that couldn't possibly have been more public. How could she have made those choices? What are the warning signs that disaster is ahead? What are the steps needed to rebuff temptation? How do you recover from such a visible shame? Is there life after failure? Sandi describes the red flags that indicate a crisis on the horizon, as well as the path to recovery. She shares how she managed to move on with God's grace and the help of friends and family, and she shows how you can see crossroads looming in your own life and find safe places to fall. From relearning joy to finding the right support group, Sandi helps us all to begin anew, embracing the power of God's redemptive grace.
