Make Love, Not War David Allyn, 2016-05-23 When Helen Gurley Brown's *Sex and the Single Girl* hit bookstores in 1962 the sexual revolution was launched and there was no turning back Soon came the pill the end of censorship the advent of feminism and the rise of commercial pornography Our daily lives changed in an unprecedented time of sexual openness and experimentation *Make Love Not War* is the first serious treatment of the complicated events ideas and personalities that drove the sexual revolution forward Based on first hand accounts diaries interviews and period research it traces changes in private lives and public discourse from the fearful fifties to the first tremors of rebellion in the early sixties to the heady heyday of the revolution Bringing a fresh perspective to the turbulence of these decades David Allyn argues that the sexual revolutionaries of the 60s and 70s by telling the truth about their own histories and desires forced all Americans to re-examine the very meaning of freedom Written with a historian's attention to nuance and a novelist's narrative drive *Make Love Not War* is a provocative vivid and thoughtful account of one of the most captivating episodes in American history Also includes an 8 page insert

Free and Natural Sarah Schrank, 2019-07-12 From *Naked Juice* to nude yoga contemporary society is steeped in language that draws a connection from nudity to nature wellness and liberation This branding promotes a free and natural lifestyle to mostly white and middle class Americans intent on protecting their own bodies and those of society at large from overwork environmental toxins illness conformity to body standards and the hyper sexualization of the consumer economy How did the naked body come to be associated with naturalness and how has this notion influenced American culture *Free and Natural* explores the cultural history of nudity and its impact on ideas about the body and the environment from the early twentieth century to the present Sarah Schrank traces the history of nudity especially public nudity across the unusual eras and locations where it thrived including the California desert Depression era collectives and 1950s suburban nudist communities as well as the more predictable beaches and resorts She also highlights the many tensions it produced For example the blurry line between wholesome nudity and sexuality became impossible to sustain when confronted by the cultural challenges of the sexual revolution Many longtime free and natural lifestyle enthusiasts fatigued by decades of legal battles retreated to private homes and resorts while the politics of gay rights sexual liberation environmentalism and racial equality of the 1970s inspired a new generation of radical advocates of public nudity By the dawn of the twenty first century Schrank demonstrates a free and natural lifestyle that started with antimaterialist back to the land rural retreats had evolved into a billion dollar wellness marketplace where *Naked* sells endless products promising natural health sexual fulfillment organic food and hip authenticity *Free and Natural* provides an in depth account of how our bodies have become tethered so closely to modern ideas about nature and identity and yet have been consistently subjected to the excesses of capitalism

An Extraordinary Life Barbara Williamson with Nancy Bacon, 2014 Barbara Williamson proved the validity of one aspect of Sandstone that women in their 30 s 40 s and 50 s can be as alluring and sexually

attractive as a twenty year old Bunny or Pet Robert Rimmer Author Barbara Williamson shares her story for the first time ever as cofounder of the highly successful and controversial Sandstone Retreat in the late 1960s and early 1970s SANDSTONE Retreat quickly became outrageously popular with membership reaching five hundred and numerous newspapers magazines books movies and television shows clamoring for interviews SANDSTONE Retreat became known as the hub of the sexual revolution John was branded as The Messiah of Sex and I as the most liberated woman in America Based on mutual trust and friendship the bond between John and me grew so strong that we were inseparable for forty seven years until his death University professors nationwide rushed to visit this new kind of unstructured free love community to view and study members joyously living an alternate lifestyle The dress code was optional but most everyone preferred nudity Our goal at Sandstone was understanding society and setting it free We believe in the sexual self as being at the core of organized social behavior When sexuality is distorted it leads to a distortion of the basic self Upon my retirement we settled in Fallon Nevada and responded to an urgent call to save the lives of lions and tigers facing homelessness and euthanasia Within thirty days a permanent home was built for them Now we must learn how to feed and care for them This book offers insight into their personalities It may shock you to know how much alike we are with these magical creatures on the brink of extinction
