Ohio's Lake Erie Wineries Claudia J. Taller, 2011 Ohio's Lake Erie wineries and vineyards are rooted in tradition. European immigrants settled on the Lake Erie islands and nearby shoreline in the mid 1800s and the grape industry flourished in Ohio into the early 20th century. Industrialization from Cleveland to Toledo swallowed up prime growing property along the lakeshore but many farms continued to grow grapes. During Prohibition wine making went underground. When it ended restaurant owners bottled their own fortified wines and some of the wineries started mass producing wine with new equipment. The wines of Ohio like those all over the eastern United States were mostly sweet and made from native labrusca grapes. In the 1960s Ohio's serious winemakers learned how to cultivate European style vinifera grapes along Lake Erie's shore and on the islands. Chardonnay and cabernet sauvignon grapes now grow alongside Concord and Catawba. Today more than 40 wineries stretch across northern Ohio.

Marblehead Lighthouse on Lake Erie: Ohio's Historic Beacon James Proffitt, 2015 When the Marblehead Lighthouse first lit its flame in 1822 it drew on whale oil. The beacon flickered through kerosene and LED lights over the next two centuries while the tower weathered razing and reorganization. Despite the advent of GPS the light still provides a solid basis for boats and ships to navigate the nearshore waters of the peninsula. The lighthouse's rich history boasts the first female keeper on the Great Lakes as well as a place on Ohio license plates and on a U.S. postage stamp. James Proffitt gives an in-depth profile of the most photographed site in the state.

Confederates from Canada Ralph Lindeman, 2023-10-02 Unable to achieve sustained military success in the Civil War the Confederacy tried a daring strategy in 1864: commando style raids into northern states from Canada. Taking advantage of the undefended border rebels hit targets along the Great Lakes where growing antiwar sentiment was an election year problem for the Lincoln administration. Revisiting one of the forgotten chapters of the war this is a deeply researched history of the South's operations in Canada. One of the most significant raids is covered in detail for the first time: Virginia planter turned Confederate agent John Yates Beall's attempt to liberate 2,700 Confederate officers from a prison camp on Lake Erie.

Lake Erie's Shores and Islands H. John and Marie Hildebrandt, 2015 For 150 years people have come to rest, relax and recharge in the area from Vermilion to Port Clinton south to Milan, Bellevue and Fremont and north to Sandusky, Cedar Point, the Marblehead Peninsula and the Lake Erie Islands. Lake Erie is the constant in this fascinating story: the natural resource that gives the region its character and charm. Quaint wineries, world class roller coasters, amusement parks, water toboggans, indoor and outdoor water parks, lake steamers and jet boats, cottage communities, sportfishing, swimming, sailing, boating, camping, historical sites, caverns, museums, beaches, Civil War history, resort hotels, religious retreats and natural wonders. Lake Erie's shores and islands have a rich tourism and recreation history.
