Santa Claus Forty Antique Postcards:

Santa Claus, 1986-09-01 *Christmas* James Lantos, 2009-02-26 Part of Applewood's Pictorial America series these small books offer a beautiful visual history of American holidays and feature images drawn from historical sources including prints paintings illustrations and photographs **American Holiday Postcards, 1905-1915** Daniel Gifford, 2013-08-29 In the early 20th century postcards were one of the most important and popular expressions of holiday sentiment in American culture Millions of such postcards circulated among networks of community and kin as part of a larger American postcard craze However their uses and meanings were far from universal This book argues that holiday postcards circulated primarily among rural and small town Northern white women with Anglo Saxon and Germanic heritages Through analysis of a broad range of sources Daniel Gifford recreates the history of postcards to account for these specific audiences and reconsiders the postcard phenomenon as an image based conversation among exclusive groups of Americans A variety of narratives are thus revealed the debates generated by the Country Life Movement the empowering manifestations of the New Woman the civic privileges of whiteness and the role of emerging technologies From Santa Claus to Easter bunnies flag waving turkeys to gun toting cupids holiday postcards at first seem to be amusing expressions of a halcyon past Yet with knowledge of audience and historical conflicts this book demonstrates how the postcard images reveal deep divides at the height of the Progressive Era

Dad's Best Memories and Recollections Charles J. Humber, 2016-01-19 DAD'S BEST MEMORIES AND RECOLLECTIONS is Chazz Humber's epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood's shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad's Best Memories and Recollections AB Bookman's Weekly, 1999 **Santa Claus** Jill Bossert, 1986-09-01 The Official Price Guide to Antiques and Collectibles Eric Alberta, House of Collectibles, Art Maier, 1997-03-25 THE ONE STOP SOURCEBOOK WITH MORE THAN 60 000 PRICES LISTED COMPLETELY REVISED AND EXPANDED The Official Price Guide to Antiques and

another in the wake of a commercial success When John Carpenter s pioneering 1978 slasher film Halloween became a box office hit it was perhaps inevitable that other holiday based slasher films New Year s Evil April Fool s Day and Silent Night Deadly Night would follow Copiously illustrated New Old Fashioned Ways is at once entertaining and informative a treat for general readers as well as an important work for scholars in a variety of fields including communications folklore anthropology sociology and business **The Publishers Weekly** ,1995 *The Last Forty Years of Italian Popular Culture* Enrico Minardi,Paolo Desogus,2020-02-18 What is Italian pop culture This volume provides an answer to this question offering an insight into some of the most recent and interesting developments in the field of pop culture The reader will find essays on a variety of topics including literature theater music social media comics politics and even Christmas Each contribution here places stress on the popular The main reference points guiding the chapters are in fact the pioneering works by Antonio Gramsci and Umberto Eco The result is therefore a portrait of a country where mass participation in cultural events always accompanies some form of reflection on the national identity and other related issues Historians and sociologists as well as musicologists and philosophers in addition to pop culture aficionados will find the text an engaging and indispensable read *Kovels' Antiques and Collectibles Price List* Ralph M.
