Santa Monica Poems Steve Richmond, 1987 [Santa Monica Disposal and Salvage](#) Penny Perry, 2012-03-23 Praise from Marge Piercy Penny Perry's SANTA MONICA DISPOSAL SALVAGE is a powerful and moving collection of poems that form a narrative of loss and survival When the poet was only sixteen her mother died suddenly and her father abandoned her She had to take care of herself cook clean learn everything she had been protected from and she did Her attitude is incredibly nonjudgmental in these poems rich in detail grounded in a place and time They are dense with specifics but flow in carefully crafted effortless seeming narrative Praise from Diane Wakoski I loved everything about Penny Perry's SANTA MONICA DISPOSAL SALVAGE The vivid details of place period people the rich linking narrative and most of all the sense of poetry being teased out of the everyday world imposed on the immigrant experience of her grandparents the echoes of the holocaust the odd snazzy world of movie dominated California before digitized reality usurped it I who recognize personality in art was completely won over by these poems In Santa Monica Disposal Salvage her first collection of poetry Penny Perry links 34 autobiographical poems into a stirring memoir from a famous beach town that is anything but postcard perfect Here aging movie stars peer through curtains at tourists as the narrator's parents an Irish junkman and a Jewish New Yorker struggle to carve out a life in the land of orange trees perennial sun and cultural divides In her journey to adulthood the young woman discovers a knack for salvage and an ability to see the true beauty of a place everyone wants to visit Praise from Steve Kowit The poems in Santa Monica Disposal Salvage create the moving story of the author's difficult and troubled childhood and adolescence The family portraits are sharply drawn and the story that emerges utterly believable and compelling Penny Perry's poetry graceful engaging and free of rhetorical excess allows her tale to unfold much the way it would in any captivating prose memoir Santa Monica Disposal Salvage is powerful precise and a book you will not soon forget **Poetry Los Angeles** Laurence Goldstein, 2014-03-12 A look at the poetry of one of America's most populous and fascinating cities with poems spanning from 1942 to 2012

PRISMATICS: LARRY LEVIS & CONTEMPORARY AMERICAN POETRY Gregory Donovan, Michele Poulos, 2020-03-04 Prismatics Larry Levis he was the star risen out of a constellation of poets coming from Fresno In Prismatics many of our most notable poets offer insightful personal and detailed responses to and assessments of Larry's life and work Especially touching and salient are the interviews with Philip Levine Peter Everwine C G Hanzlicek and David St John Fresno poets and friends who knew him best and who knew Larry from the start They testify to his talent humanity and unmatched originality and voice For lovers of Larry's poetry of contemporary poetry this is an invaluable collection

Christopher Buckley author of *A Condition of the Spirit* As I read through the interviews in *Prismatics* I found myself pausing in the middle of chapters rather than between them so as to savor the feeling of always being immersed in a rich and rewarding conversation I love the cumulative warmth of this book of so many poets speaking affectionately and thoughtfully about one of the great American poets of the 20th century as friend colleague lover co conspirator and cynosure But more than a commemoration of Larry Levis *Prismatics* offers meditations on passion creativity self destruction ambition and the nature of literary legacy It s a book as capacious and complex as the poetry of Levis itself Nicky Beer author of *The Octopus Game* and *The Diminishing House* Wordsworth's Poems of Travel 1819-1842 J. Wyatt,1999-06-03 There is a long held view that Wordsworth s inspiration dried up before the age of forty This book opposes that view by examining the substantial body of poetry written after his fiftieth year The argument is that in order to appreciate this work much of which was inspired by itineraries in Britain and in Europe we have to read the poems as they were first published By adopting the perspective of the contemporary reader Wordsworth s grand design can be appreciated *Jump Soul: New and Selected Poems* Charlie Smith,2014-03-24 A stunning collection from a poet who writes with a scalding aortal brilliance that leaves the reader drunk on dream New York Times Book Review Selecting from among Charlie Smith s seven previous collections and including more than forty astonishing new poems *Jump Soul* represents work from the career of a poet who writes with a scalding aortal brilliance that leaves the reader drunk on dream New York Times Book Review From the lush Southern landscapes of *Red Roads* 1987 and the haunted longing of *Heroin* 2000 to the bold eroticism of *Women of America* 2004 and most recently the fresh and exuberant *Word Comix* 2009 Smith reminds us that we don t really know what beauty is until we ve looked hard at the horror that throws beauty into bright relief David Kirby New York Times Beauty in Smith s poetry is mixed with harrowing darkness it is the rescued returned to the floods and fruit pickers those who catch beauty aflight on the sweet smelling breeze authentic characters messed up dead on the floor of western motels crapped out jinxed lost to the boulevards Smith is a poet of shimmering energy Mary Oliver His work brutal in its honesty and stunning in its lyricism is represented in all of its extraordinary range in this new collection *From Collected First Lines* I m sure there is meaning and I know it s sometimes more interesting to stand in a road than to move along it though even this said with such confidence just a minute ago explains nothing Poems, 1913-1956 Bertolt Brecht,1979 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company *Poems* Frank Earl Herrick,1926 *Poetry as Testimony* Antony Rowland,2014-03-26 This book analyzes Holocaust poetry war poetry working class poetry and 9 11 poetry as forms of testimony Rowland argues that testamentary poetry requires a different approach to traditional ways of dealing with poems due to the pressure of the metatext the original traumatic events the poems demands for the hyper attentiveness of the reader and a paradox of identification that often draws the reader towards identifying with the poet s experience but then reminds them of its sublimity He engages with the work of a diverse range of twentieth century authors and across the literature of several

countries even uncovering new archival material The study ends with an analysis of the poetry of 9 11 engaging with the idea that it typifies a new era of testimony where global secondary witnesses react to a proliferation of media images This book ranges across the literature of several countries cultures and historical events in order to stress the large variety of contexts in which poetry has functioned productively as a form of testimony and to note the importance of the availability of translations to the formation of literary canons

The Lollipop Trollops and Other Poems Alexander Theroux,1992 Action Ideas of a certain kind writes the author thoughts of a certain nap can properly be expressed in no other way not merely one take ideas rather substances requiring a specific form the way brandy suitably calls for a snifter absinthe a drip glass and champagne an eight ounce tulip A variety of voices and visions reflect the alternations of mood degrees of power and a broad array of themes a major one of which remains Theroux s insistent

Avidly Reads Poetry Jacquelyn Ardham,2022-04-05 Poetry has leapt out of its world and into the world Poetry is everywhere From Amanda Gorman performing The Hill We Climb before the nation at Joe Biden s Presidential inauguration to poems regularly going viral on Instagram and Twitter more Americans are reading and interacting with poetry than ever before Avidly Reads Poetry is an ode to poetry and the worlds that come into play around the different ways it is written and shared Mixing literary and cultural criticism with the author s personal and often intimate relationship with poetry Avidly Reads Poetry breathes life into poems of every genre from alphabet poems and Shakespeare s sonnets to Claudia Rankine s Citizen and Rupi Kaur s Instapoetry and asks How do poems come to us How do they make us feel and think and act when they do Who and what is poetry for Who does poetry include and exclude and what can we learn from it Each section links a reason why we might read poetry with a type of poem to help us think about how poems are embedded in our lives in our loves our educations our politics and our social media sometimes in spite of and sometimes very much because of the nation we live in Part of the Avidly Reads series this slim book gives us a new way of looking at American culture With the singular blend of personal reflection and cultural criticism featured in the series Avidly Reads Poetry shatters the wall between poetry and the rest of us
