Shree Maa The Life Of A Saint:

Shree Maa Swami Satyananda Saraswati, 1997-01-01 Shree Maa Swami Satyananda Saraswati, Shree Maa, 2015-04-30 The biography of Shree Maa describes the extraordinary experiences of an enlightened being Knowing her divinity from childhood Shree Maa left home at an early age to reside in the seclusion of the Himalayas and devote her life to spiritual practices Having realized her ultimate unity with God she has dedicated her life to sharing wisdom and inspiration The story of Shree Maa s journey is a classic example of realizing the human potential no matter what field of endeavor one may choose **The Graceful Guru** Karen Pechilis, 2004 A distinctive aspect of Hindu devotion is the veneration of a human guru who is not only an exemplar and a teacher but is also understood to be an embodiment of the divine Historically the role of guru in the public domain has been exclusive to men The new visibility of female gurus in India and the U S today and indeed across the globe has inspired this first ever scholarly study of the origins variety and worldwide popularity of Hindu female gurus In the Introduction Karen Pechilis examines the historical emergence of Hindu female gurus with reference to the Hindu philosophy of the self women spiritual exemplars as wives and saints Tantric worship of the Goddess and the internationalization of gurus in the U S in the twentieth century Nine essays profile specific female gurus presenting biographies of these remarkable women while highlighting overarching issues and themes concerning women s status as religious leaders these themes are nuanced in the afterword to the volume The essays explore how Hindu female gurus embody grace in both senses as a feminine ideal and an attribute of the divine and argue that their status as leaders is grounded in their negotiation of these two types of grace This book provides biographical profiles of the following female gurus plus sensitive scholarly analysis of their spiritual paths Ammachi Anandamayi Ma Gauri Ma Gurumayi Jayashri Ma Karunamayi Ma Ma Jaya Sati Bhagavati Mother Meera Shree Maa and Sita Devi **The Power of Tantra** Hugh B. Urban, 2009-10-30 In the West the varied body of texts and traditions known as Tantra for more than two centuries has had the capacity to scandalize and shock For European colonizers Orientalist scholars and Christian missionaries of the Victorian era Tantra was generally seen as the most degenerate and depraved example of the worst tendencies of the so called Indian mind a pathological mixture of sensuality and religion that prompted the decline of modern Hinduism Yet for most contemporary New Age and popular writers Tantra is celebrated as a much needed affirmation of physical pleasure and sex indeed as a cult of ecstasy to counter the perceived hypocritical prudery of many Westerners In recent years Tantra has become the focus of a still larger cultural and political debate In the eyes of many Hindus much of the western literature on Tantra represents a form of neo colonialism which continues to portray India as an exotic erotic hyper sexualized Orient Which then is the real Tantra Focusing on one of the oldest and most important Tantric traditions based in Assam northeast India Hugh B Urban shows that Tantra is less about optimal sexual pleasure than about harnessing the divine power of the goddess that flows alike through the cosmos the human body and political society In a fresh and vital contribution to the field

the author suggests that the real meaning of Tantra lies in helping us rethink not just the history of Indian religions but also our own modern obsessions with power sex and the invidious legacies of cultural imperialism
