The Plains Sioux and U.S. Colonialism from Lewis and Clark to Wounded Knee Jeffrey Ostler, 2004-07-05 This volume first published in 2004 presents an overview of the history of the Plains Sioux as they became increasingly subject to the power of the United States in the 1800s Many aspects of this story the Oregon Trail military clashes the deaths of Crazy Horse and Sitting Bull and the Ghost Dance are well known Besides providing fresh insights into familiar events the book offers an in depth look at many lesser known

facets of Sioux history and culture Drawing on theories of colonialism the book shows how the Sioux creatively responded to the challenges of US expansion and domination while at the same time revealing how US power increasingly limited the autonomy of Sioux communities as the century came to a close The concluding chapters of the book offer a compelling reinterpretation of the events that led to the Wounded Knee massacre of December 29 1890 **Coming Down from Above** Lee Irwin,2014-10-20 For longer than five centuries Native Americans have struggled to adapt to colonialism missionization and government control policies This first comprehensive survey of prophetic movements in Native North America tells how religious leaders blended indigenous beliefs with Christianity's prophetic traditions to respond to those challenges Lee Irwin gathers a scattered literature to provide a single volume overview that depicts American Indians creative synthesis of their own religious beliefs and practices with a variety of Christian theological ideas and moral teachings He traces continuities in the prophetic tradition from eighteenth century Delaware prophets to Western dream dance visionaries showing that Native American prophecy was not merely borrowed from Christianity but emerged from an interweaving of Christian and ancient North American teachings integral to Native religions From the highly assimilated ideas of the Puget Sound Shakers to such resistance movements as that of the Shawnee Prophet Irwin tells how the integration of non Native beliefs with prophetic teachings gave rise to diverse ethnotheologies with unique features He surveys the beliefs and practices of the nation to which each prophet belonged then describes his or her life and teachings the codification of those teachings and the impact they had on both the community and the history of Native religions Key hard to find primary texts are included in an appendix An introduction to an important strand within the rich tapestry of Native religions *Coming Down from Above* shows the remarkable responsiveness of those beliefs to historical events It is an unprecedented encyclopedic sourcebook for anyone interested in the roots of Native theology *And a Little Child Shall Lead Them* Steve Edwards,2007-06 Whether standing in a courtroom or a corral there are very few horsemen who can tell a story like Steve Edwards In recent years his love of wild horses has led him to develop the largest herd of Registered American Indian Horses on the entire east coast Steve's unique riding program teaches natural horsemanship to children as young as five years old In person or on a DVD Steve communicates as well with kids as he does with horses This poignant book filled with warmth and humor shows how natural horsemanship improves the lives of Steve's horses and his students Hidden among his recounting of the accomplishments of his young riders is a detailed instructional manual on natural horsemanship This book is tailor made for anyone who cares about horses and children **The Long Journeys Home** Nick Bellantoni,2014-04-30 The moving stories of two Indigenous men in the United States and the return of their remains to their homelands Henry Opkaha ia ca 1792 1818 Native Hawaiian and Itankusun Wanbli ca 1879 1900 Oglala Lakota lived almost a century apart Yet the cultural circumstances that led them to leave their homelands and eventually die in Connecticut have striking similarities p kaha ia was orphaned during the turmoil caused in part by Kamehameha's wars in Hawai'i and found passage on a ship to New
