Literature as World Literature Piotr Florczyk, K. A. Wisniewski, 2022-12-15 This carefully curated collection consists of 16 chapters by leading Polish and world literature scholars from the United States Canada Italy and of course Poland An historical approach gives readers a panoramic view of Polish authors and their explicit or implicit contributions to world literature Indeed the volume shows how Polish authors from Jan Kochanowski in the 16th century to the 2018 Nobel laureate Olga Tokarczuk have engaged with their foreign counterparts and other traditions active participants in the global literary network and the conversations of their day The volume features views of Polish literature and culture within theories of world literature and literary systems with a particular attention paid to the resurgence of the idea of the physical book as a cultural artifact This perspective is especially important since so much of today's global literary output stems from Anglophone perceptions of what constitutes literary quality and tastes The collection also sheds light on specific issues pertaining to Poland such as the idea of Polishness and global phenomena including social and economic advancement as

well as ecological degradation Some of the authors discussed like the Romantic poet Adam Mickiewicz or the 1980 Nobel laureate Czeslaw Milosz were renowned far beyond the borders of their country while others like the contemporary travel writer and novelist Andrzej Stasiuk embrace regionalism seeing as they do in their immediate surroundings a synecdoche of the world at large Nevertheless the picture of Polish literature and Polish authors that emerges from these articles is that of a diverse cosmopolitan cohort engaged in a mutually rewarding relationship with what the late French critic Pascale Casanova has called the world republic of letters

Rosamond Lehmann and Her Critics Wendy Pollard, 2017-11-28 This study of contemporary and later critical responses to the work of the novelist Rosamond Lehmann 1901 1990 offers an original approach to twentieth century literary history by foregrounding the cultural and commercial fields in which Lehmann s writing was situated Wendy Pollard examines the effect recent developments in literary theory and movements from modernism to feminism have had on Lehmann s literary reception She also considers the interpolation of a damning third category between te and popular culture namely middlebrow a widening gender divide in readership controversies within book reviewing changes in the publishing world and the introduction of populist means of book marketing While considering the general privileging of male authors from the 1920s to the 1950s Lehmann s most prolific

period Pollard argues that her novels have been unfairly subjected to specific forms of neglect and their exclusion from many academic comparative studies is due to a diversity of form and content that can also be considered their strength

Japanese Women Writers Chieko Mulhern, 1994-10-10 Women have made many important contributions to Japanese literature since the Heian period 794-1192 when Murasaki Shikibu wrote her prose masterpiece *The Tale of Genji*. Even earlier though documentation is scant women actively participated in Japanese letters as poets. This reference is a guide to the work of Japanese women writers from centuries ago to the present day. The volume includes 58 alphabetically arranged biographical and critical profiles of these women. The book profiles women writers who are considered mainstream writers in Japan and who have attracted attention in the West chiefly through translations of their works and critical scholarship on their writings. Each entry discusses the subject's life, career, major works, and works in English translation. A bibliography concludes each article. While most of the women are poets, novelists, or authors of classical narrative fiction, the book also includes entries for premodern diarists, modern dramatists, television script writers, and movie scenario writers. An extensive bibliography and chronology conclude the volume.

Textual Liberation (Routledge Revivals) Helena Forsas-Scott, 2014-11-13 Feminist writing has emerged in recent years as a major influence of twentieth century European literature. *Textual Liberation*, first published in 1991, provides a timely and wide-ranging survey of twentieth century feminist writing in Europe, presenting texts from a number of countries and highlighting some of the transnational parallels and contrasts. The contributors emphasize the wider contexts, political, social, economic, in which the texts were produced. They cover feminist literature in Britain, Scandinavia, Germany, Eastern Europe, Russia, France, Spain, Italy, and Turkey, and consider a range of genres including the novel, poetry, drama, essays, and journalism. Each chapter contains an extensive bibliography with special emphasis on material available in English. A stimulating introduction to the development of European feminist writing. *Textual Liberation* will be an invaluable resource for students of women's literature, women's studies, and feminism.

Selected Poems of Angela de Hoyos Angela de Hoyos, 2015-08-30 In *How to Eat Crow on a Cold Sunday Morning*, renowned Mexican American poet Angela de Hoyos suggests you start on the wings, nibbling apologetic like before moving to the dry, tough giblets and on to the gall bladder that green bag of biliousness wants to gag your throat in righteous retribution, making you wish that you had learned how to eat a pound of prudence instead. Tension between people, men and women, Chicanos and Anglos, is a frequent theme in de Hoyos's work. Clear and accessible, her poems about relations between the sexes are universal in their appeal. Many eloquently convey women's issues and feelings. Men, she said, sometimes in order to say it, it is necessary to spit the word. This collection showcases the work of a beloved literary activist who gave voice to marginalized communities. Born in Mexico, de Hoyos spent most of her life in San Antonio, Texas, where she saw firsthand Chicanos' loss of language identity and traditions. The discrimination endured by Mexican Americans runs through her work, and in one of her most well-known poems, *Arise, Chicano*, the poet exhorts her people to free themselves from poverty and

oppression There is no one to succor you You must be your own messiah Mostly self educated de Hoyos was equally adept at writing in Spanish or English and many of her poems are written in a skillful combination of the two Containing 80 previously published poems and several that have never been published this volume highlights a vibrant voice that calls for equality and respect for all people regardless of gender or ethnicity *The HarperCollins World Reader* Mary Ann Caws, Christopher Prendergast, 1994
