Don't Look at Me Like That Diana Athill, 2023-08-15 A candid novel of love betrayal and friendship about a young woman who breaks with her peers moves to London and begins a shocking affair When I was at school I used to think that everyone disliked me and it wasn't far from true confesses Meg Bailey at the start of Don't Look at Me Like That Coming of age in the mid 1940s Meg finds herself to be out of place wherever she finds herself She is a nonbeliever in her father's parsonage an artistic dreamer at her stuffy boarding school a provincial in the worldly circles frequented by her best friend Roxane and Dick Roxane's future husband It is only when Meg newly graduated from art school moves into an untidy London rooming house alive with the sounds of crying children sparring lovers and even foreigners that she begins to feel at home But ties to the past are not so easily severed and Meg must disentangle herself from her troubled intimacy with Roxane and Dick before she can begin to start living in her own way Don't Look at Me Like That is the only novel by the famed memoirist and editor Diana Athill who died in 2019 at the age of one hundred and one At once clear eyed

and compassionate it is a story of making mistakes and making a life *Look at Me Daddy!!!!* Jarvis F. Wright Sr.,2020-03-12 I hear look at me Daddy at least a million times a day from my daughter It is very important to her that I am watching when she is doing something It doesn't matter what it is One day an overwhelming thought popped into my mind while watching my daughter engage in yet another activity that she wanted me to watch her do The thought was that my daughter did not just crave my attention she craved my affirmation She didn't want me to just SEE what she was doing she wanted me to SEE her She wanted me to show her that I was interested in her as a person The beginning pages of this book are addressed to fathers I explain in detail the insight that I received that day watching my daughter This profound thought led to an extensive search for the true significance of the daddy daughter relationship The second part of the book is written in a way that not only demonstrates how dads can affirm their daughters with just simple daily interactions but allows the book to be used as a tool to interact with their daughters This book can be read to daughters by dads as a bedtime story Besides reading with our children is as fundamental as affirming them **Look at Me** Anita Brookner,2012-07-18 A lonely art historian absorbed in her research seizes the opportunity to share in the joys and pleasures of the lives of a glittering couple only to find her hopes of companionship and happiness shattered **Tangweera** Charles Napier Bell,1899
