The Ministry of the Word, Vol. 26, No. 08 Various Authors, 2022-10-30 This issue of The Ministry of the Word contains Messages 17 through 24 given during the spring 2022 term of the full time training in Anaheim California as the continuation of the general subject Chapters Five through Eight of Romans the Kernel of the Bible The sixteen messages in this term emphasize Romans 7 and especially chapter 8 The general subject of this series of messages is derived from footnote 1 on Romans 5 14 which says that chapters 5 through 8 of Romans can be called the kernel of the Bible The footnote also points out that life and death form two contrasting lines through these chapters and that man is in the middle between the line of life which represents God and the line of death which represents Satan Life and death are the intrinsic essence of the kernel of the Bible In Romans 7 and 8 we see that Paul discovered four laws four spontaneous automatic effortless and unconscious universal principles or functions In particular there are three lives and four laws revealed in these chapters The first law the law of God is the moral and objective law The second law is the law of good in man s soul especially the mind which corresponds to the created human life and which desires to carry out the law of God The third law is the law of sin and of death which derives from the evil satanic life in our flesh this law is stronger than the law of good within and thus seizes man s desire to do good and turns it into an opportunity to sin The fourth law is the law of the Spirit of life which is higher than and overcomes the law of sin and of death this law derives from the uncreated divine life that is now in our regenerated human spirit We need to see these three lives and four laws in order to experience the indwelling Christ as the law of the Spirit of life We also need to see what the flesh is The flesh denotes the totality of the fallen old man our entire fallen being man is totally flesh because the fallen being today is under the dominion of the fallen flesh The flesh is enmity against God the flesh is not subject to God s law the flesh is not able to subject itself to the law of God and the flesh can never please God Every aspect of our flesh whether good or evil is an enemy of God s authority Whatever is of the flesh is against God s throne it will be used by Satan the subtle one the enemy of God to hinder God s purpose The flesh is the meeting hall and the compound of sin death and Satan the flesh is a hopeless case and can

never be improved However in His wisdom and sovereignty God uses our flesh as a compelling force that causes us to turn to our spirit We are either in the spirit or in the flesh there is no third place for us to be The believer is a miniature garden of Eden with God as the tree of life in his spirit Satan as the tree of knowledge in his flesh and his mind in between In Romans 8 the mind is neutral being between the regenerated mingled spirit and the fallen body the flesh Setting the mind on the spirit is the key to death or life Because both Satan and God are in us our mind has become a battlefield between God and Satan Whether we are one with Satan or one with God depends upon where we set our mind In order to fight the battle against the enemy we must know that the mind is the battlefield and that the way to protect and cover our mind is to turn it to the Lord all the time The Bible requires only one thing of us that we walk according to the mingled spirit which is to live move act behave have our being and do everything in the mingled spirit While we remain in the touch with the Lord staying in contact with Him in our spirit the law of the Spirit of life works automatically spontaneously and effortlessly within us By the working the spreading of the law of the Spirit of life within us God makes us the same as He is in life nature and expression We are conformed to the image of the firstborn Son of God by the working of the law of the Spirit of life The Announcements section at the end of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Selections from the Correspondence of ... M. F. ... With a ... Biographical Notice. Edited by ... Mrs. H. G. Guinness. [With a Preface by J. D. Smith.] Marie FRY, 1874

Beyond Superstrings Wim Vegt, The world beyond Superstrings describes a world with dimensions smaller than Planck length 1.616229×10^{-35} m Since 1971 Superstrings within the dimensions of the Planck length have been considered the building elements for elementary particles The question rises What are Superstrings made of What is the building material for Superstrings What are the 10 dimensions This book offers an attempt to find new answers beyond unknown borders To find the new unknown boundaries we have to go back in time Because when we start with the same mathematical equations the same knowledge the same procedures we will always find the same outcome the same answers And soon we will believe that there is only one outcome The only outcome within the Standard Model where we will find the same elementary particles grounded on the same Superstring Theory To escape from the vicious circle in Quantum Mechanics we have to leave the path of well known physics We have to leave behind the founders of Quantum Physics Great scientists like Niels Bohr and Werner Heisenberg We have to leave behind the safe path of well known physics

We even have to leave behind the founders of classical physics We have to leave behind a very special scientist like James Clerk Maxwell the founder of Classical Electrodynamics And when we walk all alone in darkness wondering where to go we have to remember the first beginning of the discovery of light How a man half a monk half a scientist like Isaac Newton discovered the first principles of the light when he saw the first secrets of light being revealed When the pure white light was broken through a prism and separated in the colors of the rainbow Isaac Newton was touched by the beauty of the light as well as in his religious way as well as in his scientific way And that is the secret that the world has forgotten Everything will be revealed to us when we step down from our towers of power and kneel humble for the beauty of that what has been given to us Because there is wisdom in beauty There is knowledge in prayer And the most powerful wisdom will be given to us out of love Do not claim wisdom but receive it humble and enjoy the beauty of it There is nothing more non scientific in the world than to claim that we have found the God s particle There is nothing more arrogant in the world than to claim that we have found the theory of everything and that we have framed God into a quantum mechanical box But when we make ourselves humble and kneel for the beauty of the world When we open our heart for the love that is carried by the beauty wisdom will come to us and answers will be given for free Doors will be opened And we will discover the secrets to open the hidden doors to the unknown worlds When we go back in time back to 1672 when Isaac Newton just had discovered the beauty of light showing all its hidden colors And we ask the hidden world showing the beauty of light how can we build a world We will simply find the answers And knowledge will be given to us for free Knowledge beyond Superstrings Knowledge beyond 10 dimensional spaces Because the world is always in balance Newton s second law of motions simply expresses the balance in nature And balance will be our answer To build a world we have to build a world in balance And that is the only knowledge that has been used to build a new theory beyond Superstrings and beyond 10 dimensional spaces The discovery journey to this new theory beyond Superstrings will be lonely and dark Because there will be no guidance from well known physics Equations have to be reinvented And the road will lead straight through faith and believe through manipulation of truth through political intrigues through the darkness of the world But there is always the hope that at the end of the tunnel of darkness there will be light

The Ministry of the Word, Vol. 02, No. 10 Various Authors, 2023-03-03 This issue of The Ministry contains the third and fourth messages given by Brother Lee to the co workers in Southern California in September 1996 These messages comprise a timely loving warning from our brother to beware of four destructive matters ambition pride self justification and exposing others failures and defects and not conforming to the death of Christ Trouble after trouble has come to the Lord s recovery over the years simply because of these four matters But if we will deal with these four matters the Lord s recovery will immediately have a revival In addition to dealing with these four matters we must also be right in following others In actuality our leading is not a person but the divine truth the divine vision Consequently our following others must be according to the divine truth and the divine vision The next three messages in this issue are the

concluding messages of the Living Stream Ministry's Summer Training of 1998 on the Crystallization study of the Epistle to the Hebrews Message Ten emphasizes the crucial matter of the dividing of soul and spirit for the experience of the reality of the Sabbath rest Message Eleven indicates strongly that in order for the believers to be brought on to maturity Heb 6:1 we must progress from the word of the beginning of Christ the milk to the word of righteousness the solid food Message Twelve as a conclusion to the summer training stresses the critical need of being transformed and of being matured To be transformed is to be metabolically changed in our natural life whereas to be matured is to be filled with the divine life that changes us We need to go on to be brought on to maturity by forgetting the things which are behind and stretching forward to the things which are before pursuing toward the fullest enjoyment and gaining of Christ for the uttermost enjoyment of Christ in the millennial kingdom Ultimately the Lord's desire to bring us on to maturity must be matched by our willing cooperation with His gracious work Lastly we include a report concerning the International Elders Training in October 1998 held on the new campus for the ministry in Anaheim California
