Behrstock, Seth Davidson, 2008-04-02 The Texas coast offers rich avian treasures for expert birders and beginners alike if only they know where to look For those familiar with the Texas Parks and Wildlife Department's maps to the Great Texas Coastal Birding Trail this book on the Upper Texas Coast offers more more information more convenient and detailed maps more pictures more finding tips and more birding advice from one of the trail's creators Ted Lee Eubanks Jr and trail experts Robert A Behrstock and Seth Davidson For those new to the trail the book is the perfect companion for learning where to find and how to bird the very best venues on this part of the Texas coast In an opening tutorial on habitat and seasonal strategies for birding the Upper Texas Coast the authors include tips on how to take advantage of the famous but elusive fallouts of birds that happen here They then briefly discuss the basics of birding by ear and the rewards of passive birding before turning to the trail itself and each of more than 120 birding sites from the Louisiana Texas border through Galveston and Houston to just south of Freeport Advice on finding bird groups While not intended as a field identification guide the book contains more than 175 color photographs of birds and their coastal habitat giving readers an excellent feel for the trail's diversity and abundance Whether you are making your annual spring pilgrimage to Texas leisurely traveling with the family along the coast or wondering what to do during a layover in Houston using this book as your guide to the trail will greatly enhance your birding experience

The Angels' Galaxies Mohad A. Noor, 2018-03-21 Here is a thrilling charming text about believing in the power of angels and taking comfort from their enduring presence You will be entering the domain of Archangel Michael and Angels Galaxies There are Seven Thrones in the Seven Galaxies each ruled by an Angel King or Queen Angel Jennifer is the cheery and kind princess from Throne three Life is all good for the angels they have duties to perform and focus all their attention and powers towards transcending to higher thrones as they grow in rank But peace never lasts for long and everything comes to a halt when Demon King Saty is killed by his son All of a sudden eternal peace treaty is compromised and the demons begin to attack angels under the command of their new King Kaly Jennifer suddenly finds herself amidst a raging war between angels and demons between right and wrong and between the forces of light and the forces of darkness Every angel is expected to play their part and Jennifer is expected to play hers The stakes are high and danger lurks in the air but with her friends by her side and the violet eyed Prince Justin there to accompany her Jennifer might just be able to succeed in the task she is given

Ridley Plays 1 Philip Ridley, 2013-10-16 This volume contains Ridley's first three plays which heralded the arrival of a unique and disturbing voice in the world of contemporary drama They are seminal works in the development of the in yer face theatre that emerged in Britain during the mid 1990s The three plays here all manifest Ridley's vivid and visionary imagination and the dark beauty of his outlook They resonate with his trademark themes East London storytelling moments of shocking violence memories of the past fantastical monologues and that strange mix of the barbaric and the beautiful he has made all his own The Pitchfork Disney was Ridley's first play and is now seen as launching a new generation of playwrights who were

unafraid to shock and court controversy This unsettling dreamlike piece has surreal undertones and thematically explores fear dreams and story telling The Fastest Clock in the Universe is a multi award winning play which caused a sensation when it premiered at Hampstead Theatre in 1992 An edgy and provocative drama it is now regarded as a contemporary classic Ghost from a Perfect Place is a scorchingly nasty blend of comedy spectacle and terror where a monster from the past meets the monsters of the present

Bird Nerd Jennifer Ann Richter,2024-10-22 Thoughtful nerdy fifth grader Nyla sets out to win her school s bird watching competition while balancing old friends with new in this heartfelt debut Nyla Braun has always been called a nerd at her Philadelphia school But that hasn t stopped her from pursuing her nerdy hobbies especially when she has best friend Tasha by her side When a birding tournament between Nyla s class and a class from a suburban school is announced Nyla sees her chance to get the respect she deserves If they win that is The Burb Birders will be tough competition With the contest underway Nyla soon catches the attention of the most popular girl in class who also wants to win setting off a chain of small disasters as Nyla tries to balance old friends and new and the pressure to be cool when you really just want to be yourself Told with warmth and gentle humor debut author Jennifer Ann Richter s Bird Nerd combines a deep love of nature and birding with the story of a young girl learning to discover her own confidence and values

An Introduction to Language and Linguistics Christopher J. Hall, 2005-01-01

Christopher Hall's book is the best new introduction to linguistics that I have seen in decades It is engagingly written without talking down to the reader and it covers all the subparts of the field in a comprehensive and even handed manner I plan to use it the next time that I teach an introductory course at Washington Professor Frederick J Newmeyer University of Washington With apt examples from novels and newspapers courtroom trials and telephone conversations the lowly and the mighty his book repeatedly startles as it casts light on language This is a bright humorous and completely accessible tour of 21st century linguistics Professor Edward Finegan University of Southern California This book introduces the fundamentals of human language from a linguistic point of view using examples drawn from everyday life to aid comprehension and encouraging critical thinking throughout Besides presenting the fundamental building blocks of language and explaining how these function the book also introduces other key elements of the discipline of linguistics including language acquisition applied linguistics psycholinguistics and discourse analysis Packed full of examples this is the ideal introduction to language for those who are interested in studying linguistics have already started a course or just want to study at home
