This Is True Love Adam Wolfe, 2021-07-19. What is true love? How can so many people experience it while others seem to be missing out? In *This Is True Love*, author Dr. Adam Wolfe helps singles and courting couples prepare for a lifelong loving relationship. He also helps married couples repair, strengthen, and enhance their relationship in ways they've never experienced or thought possible. And he offers discussion questions for those who have been divorced so they can reflect on what they've learned from past relationships and move forward with full confidence. Wolfe provides deep insights on the hottest topics that can either keep the flames of love alive or put the fire out. *This Is True Love* shares some hidden truths and helps you ponder the following questions: What do you expect to put into and get out of the marriage? What are your most important needs and desires? How will you handle and interact with family and friends? How will you make and manage money? How well do the two of you communicate? How much passion and intimacy is there in the relationship? Rooted in scripture and with discussion questions included, Wolfe helps you understand more about yourself and or your partner and why some marriages succeed and others fail. It encourages you to make the right choices with your current or future partner.

Book of Love: Horoscopes, Palmistry, Numbers, Candles, ..., *Looking for Love in Strange Places: A Memoir for My Stepdaughters* Diana Page, 2016-02-18. Back in 1968, Diana Page was going to graduate from the University of Michigan without much hope for marriage or a career. She didn't have a boyfriend, so a prospective husband was unlikely to materialize before the semester ended, and a bachelor's in political science wasn't going to make her easily employable. The solution: Join the Peace Corps where she could help change the world and possibly meet a guy who shared her values. Thus began Diana's adventures. Her travels as a journalist and diplomat took her down the dangerous roads of Latin American history from the 1960s into the twenty-first century. With excerpts from diaries, letters, and news articles, she weaves together a narrative of war and peace, presidents and peasants, but mostly of ordinary people who teach her about life. She also runs into a few extraordinary people along the way: Fidel Castro, Isabel Peron, Pele, Jorge Luis Borges, and Hilary Clinton, among others. *Looking for Love in Strange Places: A Memoir for My Stepdaughters* is a hopeful, humorous account of what happens when you seize the day without too many expectations for the future.
