Journal de la Société Royale D'astronomie Du Canada Royal Astronomical Society of Canada, 2009 Library catalogue in 1911 31 p appended to v 4 **Looking Up** R. Peter Broughton, 1994 In 1868 eight people came together to form the Toronto Astronomical Club Today more than 3 000 members from Canada the U S and overseas make up the Royal Astronomical Society of Canada Explore the history of the society and the allure of astronomy in Looking Up A History of the Royal Astronomical Society of Canada **Canadian Almanac & Directory** Laura Mars, 2010 The Canadian Almanac Directory contains sixteen directories in one giving you all the facts and figures you will ever need about Canada No other single source provides users with the quality and depth of up to date information *A History of Photography in Canada, Volume 1* Martha Langford, 2025-11-15 From early reports of the invention to its wide application during World War I the idea of photography created anticipation and participation in the modern world The first volume of A History of Photography in Canada captures this phenomenon by looking at hundreds of photographs generated in and about Canada in the making and by listening to the chords they struck in the collective imagination Emphasizing technological readiness and cultural eagerness for the medium Martha Langford shows how photography served ideals of progress and improvement as Canada's settler society looked to master the world by seizing its visible traces The imposition of these programs on Indigenous Peoples and indentured labourers is confronted throughout this volume which offers both narratives and counternarratives of subjectification Reproducing images of people places events and objects from the unceded territories of the First Nations Inuit and Métis from British North America and from the Dominion of Canada and the Dominion of Newfoundland Langford asks where and when photographs were taken why and by whom How did the making and preservation of a photograph alter the circumstances in which it was produced and how did this affect individual and collective consciousness Alongside accomplished portraits landscapes still lifes and their vernacular counterparts the book draws glimmers of photographic experience from treatises and doggerel official reports and personal diaries newspapers magazines letters and travelogues Anticipation to Participation chronicles eight decades of reinvention and repurposing from a wondrous discovery to the wide adoption of a basic tool for knowledge gathering artmaking and journaling Langford's sweeping narrative rewrites the history of photography from the bottom up vividly expanding the definition of photographic experience *Advancing Variable Star Astronomy* Thomas R. Williams, Michael Saladyga, 2011-05-26 Founded in 1911 the AAVSO boasts over 1200 members and observers and is the world's largest non profit organization dedicated to variable star observation This timely book marks the AAVSO's centennial year presenting an authoritative and accurate history of this important association Writing in an engaging and accessible style the authors move chronologically through five eras of the AAVSO discussing the evolution of its structure and purpose Throughout the text the main focus is on the thousands of individuals whose contributions have made the AAVSO's progress possible Describing a century of interaction between amateur and

professional astronomers the authors celebrate the collaborative relationships that have existed over the years As the definitive history of the first hundred years of the AAVSO this text has broad appeal and will be of interest to amateur and professional astronomers as well as historians and sociologists of science in general *Sex and Sexuality in a Feminist World* Katherine A. Hermes, Karen A. Ritzenhoff, 2009-01-14 Sex and sexuality are topics that have defined feminism since its inception What has changed is that there is now a generation of feminists and scholars who are comfortable not only to write in their own disciplines but who incorporate feminist ideas in their research This book assembles a variety of essays most of which were written especially for this collection that negotiate sex and sexuality in historical contexts as well as in contemporary times There is a common ground of history and popular culture among the articles While different theories of feminism operate in these essays feminist lenses have allowed the reevaluation of familiar topics from early religious practices to medieval literature to current films and advertising The authors represented in this collection range from established feminist and gender scholars to those who employ feminist theoretical frameworks in their respective disciplines
