*Mrs. Stevens Hears the Mermaids Singing* May Sarton, 2014-07-22 Sarton's most important novel tells the story of a poet in her seventies whose life is retold episodically during an interview with two writers from a literary magazine. Hilary Stevens's prolific career includes a provocative novel that shot her into the public consciousness years ago and an oeuvre of poetry that more recently has consigned her to near obscurity. Now in the twilight of her life, Hilary, who is both a feminist and a lesbian, is receiving renewed attention for an upcoming collection of poems, one that has brought two young reporters to her Cape Cod home. As Hilary prepares for the conversation, she recalls formative moments, both large and small. She then embarks on the interview itself, a witty and intelligent discussion of her life, work, and romantic relationships with men and women. After the journalists have left, Hilary helps a visiting male friend with his anxiety over being gay and imparts wisdom about channeling his own creative passions. This ebook features an extended biography of May Sarton.

[The Novels of May Sarton Volume One](#) May Sarton, 2017-11-28 Three luminous novels from a New York Times bestselling author and National Book Award finalist whose prose leaves compelling echoes in one's mind. The New York Times Book Review: Throughout her long and acclaimed career, May Sarton refused to be categorized. As a memoirist, poet, and novelist, she broke new ground by openly exploring homosexuality, gender inequality, and other once-taboo social issues. Gathered here in one volume are three of her most memorable and moving works of fiction. *Mrs. Stevens Hears the Mermaids Singing*, widely regarded as her most important work, is Sarton's 1965 semiautobiographical novel centered upon Hillary Stevens, an author now in her twilight years. As she prepares to publish anew, Stevens sits down to discuss her life, the arc of her creative journey, and her love affairs with both men and women. The plot of this short novel is deceptively simple; the mood, subtle; the feeling, intense. The New York Times Book Review: *A Shower of Summer Days*. The Irish estate home, Dene Court, has been shuttered for years, but this summer Violet Dene Gordon and her husband Charles return from British Burma, electrifying life in the sleepy village that adjoins Violet's childhood home. As an added complication, Violet's American niece is being sent to Ireland to separate her from an unsuitable romantic attachment. A National Book Award finalist, *A Shower of Summer Days* establishes, once and for all, Sarton's unmistakable authority. The New York Times Book Review: *The Magnificent Spinster*. This absolutely compelling monument to love and friendship is actually the story of two women: Cam, the novel's narrator, and the recently deceased Jane Reid. Unmarried and childless, Jane left no family to remember her, so Cam sets out to immortalize the life of her quietly remarkable friend and teacher in fiction. The Cleveland Plain Dealer.

**The Courage to be a Stepmom** Sue Patton Thoele, 2003 Who's taking care of me? Popular author, psychotherapist, mother, and stepmother Sue Patton Thoele has the answer to that question. She offers practical advice and emotional support for women who find themselves in transitional families, but it's not the usual nuts and bolts advice about such issues as dealing with hostile ex-wives or learning to effectively discipline. Instead, Thoele's book is the first to focus on stepmothers' unique emotional and spiritual needs. **Life**
