Priest Portraits Of Ten Good Men Serving The Church Today:

Priest Michael S. Rose, 2003 Contrary to media reports priestly virtue continues to flourish in rectories across America Although its ranks have thinned there still remains a thriving priesthood of faithful men who are worthy of our support and who deserve our gratitude **Who Shall Lead Them?** Larry A. Witham, 2005-07-01 The clergy today faces mounting challenges in an increasingly secular world where declining prestige makes it more difficult to attract the best and the brightest young Americans to the ministry As Christian churches dramatically adapt to modern changes some are asking whether there is a clergy crisis as well Whatever the future of the clergy the fate of millions of churchgoers also will be at stake In **Who Shall Lead Them** prizewinning journalist Larry Witham takes the pulse of both the Protestant and Catholic ministry in America and provides a mixed diagnosis of the calling's health Drawing on dozens of interviews with clergy seminarians and laity and using newly available survey data including the 2000 Census Witham reveals the trends in a variety of traditions While evangelicals are finding innovative paths to ministry the Catholic priesthood faces a severe shortage In mainline Protestantism ministry as a second career has become a prominent feature Ordination ages in the Episcopal and United Methodist churches average in the 40s today The quest by female clergy to lead from the pulpit meanwhile has hit a stained glass ceiling as churches still prefer a man as the principal minister While deeply motivated by the mystery of their call to ministry America's priests, pastors and ministers are reassessing their roles in a world of new debates on leadership, morality and the powers of the mass media **Who Shall Lead Them** offers a valuable snapshot of this contemporary clergy drama It will be required reading for everyone concerned about the rapidly shifting ground of our churches and the health of religion in America **Pope Francis: The Last Pope?** Leo Lyon Zagami, Brad Olsen, 2015-03-05 **Pope Francis: The Last Pope** reveals the possible reasons for the choice of historical abdication of Benedict XVI and traces the process that led to the election of Cardinal Bergoglio the Pope who many have prophesized will be the last and will bring the Catholic Church to its end The book details the history of this prophecy which was hidden away in the Vatican for hundreds of years and predicts that the reign of the last Pope will herald the beginning of great apostasy followed by great tribulation It also explores the recent scandals in the Catholic Church and addresses questions including What pressures decreed the end of the pontificate of Benedict XVI What powers have an interest for the Church to end and What is the relationship between the Vatican and the New World Order Perfect for anyone interested in prophecies about the end times **Pope Francis: The Last Pope** reveals the truth about what numerology says about the last Pope and the darkness that may follow him as well as fascinating investigations into the gay lobby, Freemasonry and the Jesuit agenda in the Vatican and how it relates to the first Borgia Pope, the legend of the White Pope and the Black Pope and how Benedict's resignation may fulfill an ancient prophecy **Fellowship of Catholic Scholars Quarterly**, 2004 **American Book Publishing Record**, 2004 *The Catholic Periodical and Literature Index*, 2006 *Index to Philippine Periodicals*, 2005 *The Saturday Review of Politics*,
