Primetime Proverbs, 1989 Excerpted from more than 200 popular shows these bits of wisdom reflect every aspect of American culture It contains more than 2 000 gems making it a riveting resource and great entertainment for all 25 photos

American Proverbs About Women Lois Kerschen, 1998-06-25 Proverbs supposedly contain the wisdom of the common folk eternal truths to be passed down through the ages They are short often humorous expressions that teach lessons or give practical advice and they are perhaps the best indicators of attitudes and beliefs of any form of folklore Not only reflecting culture proverbs also perpetuate the cultural dictates of the past including the fears prejudices and misconceptions of their predominately male authors Because they are generalizations proverbs sometimes impede accurate observation and analysis and stifle original thought Like many other traditions and cultural practices proverbs often promote misleading stereotypes of women This reference book collects more than 800 American proverbs about women and analyzes their significance The volume begins with introductory chapters that explore the relationship between proverbs and culture and the image of women presented in proverbs The chapters that follow are devoted to particular categories such as wives and marriage mothers and daughters women as property and old women and grandmothers Each chapter includes a brief introductory overview and a listing of proverbs relating to the topic The proverbs were gathered through an extensive review of journal articles proverb dictionaries and other literature In addition to true proverbs the volume includes some phrases sayings and proverbial comparisons Not included are expressions that contain words like mother or daughter but do not really describe women or comment about them The book then presents a concluding analysis of how American proverbs portray women an alphabetical index of proverbs and an extensive bibliography

Anti-Proverbs in Five Languages Anna T. Litovkina, Hrisztalina Hrisztova-Gotthardt, Péter Barta, Katalin Vargha, Wolfgang Mieder, 2022-01-11 This book is the first comparative study of English German French Russian and Hungarian anti proverbs based on well known proverbs Proverbs are by no means fossilized texts but are adaptable to different times and changed values While anti proverbs can be considered as variants of older proverbs they can also become new proverbs reflecting a more modern worldview Anti proverbs are therefore a linguistic cultural phenomenon that deserves the attention of cultural and literary historians folklorists linguists and general readers interested in language and wordplay
