Olafson, Professor Frederick

Principles And Persons An Ethical Interpretation Of Existentialism

Jon Stewart

Principles And Persons An Ethical Interpretation Of Existentialism:

Principles and Persons Frederick Olafson, 2019-12-01 Originally published in 1967 Many critics have claimed that existentialism has not produced any ethics as distinct from the moralistic assertions of its individual proponents Challenging this view Professor Olafson demonstrates that Sartre Heidegger and Merleau Ponty indeed worked out a powerful ethical theory and that their positions must be understood as deriving from a voluntarist concept of moral autonomy that can be traced beyond Nietzsche and Kant to certain tendencies in late medieval thought He demonstrates that a broad parallelism exists between developments in ethical theory among Continental philosophers of the phenomenological persuasion and the more analytically inclined philosophers of the English speaking world **Principles and Persons** Frederick A. Olafson, 1998 Principles and Persons Robert E. Cooke, 1967 **Idealism and Existentialism** Jon Stewart, 2010-06-02 The history of Continental philosophy is often conceived as being represented by two major schools German idealism and phenomenology existentialism These two schools are frequently juxtaposed so as to highlight their purported radical differences There is a commonly held view that an abrupt break occurred in the nineteenth century resulting in a disdainful rejection of idealism in all its forms This break is often located in the transition from Hegel to Kierkegaard The history of philosophy in the first half of the nineteenth century has thus been read as a grand confrontation between the overambitious rationalistic system of Hegel and the devastating criticisms of it by Kierkegaard s philosophy of existence This work aims to undermine this popular view of the radical break between idealism and existentialism by means of a series of detailed studies in specific episodes of European thought As a whole this book represents an important attempt to demonstrate the long shadow cast by Kant and Hegel over the subsequent history of European philosophy **The Cambridge Companion to Simone de Beauvoir** Claudia Card, 2003-03-10 Table of contents *Kant and Sartre* S. Baiasu, 2011-08-26 This book challenges the view of the relationship between Kant s and Sartre s practical philosophies arguing that Kant was one of Sartre s most significant predecessors The book identifies several fundamental theses of Sartre s practical philosophy and shows Sartre to be closer to Kant in this respect than many contemporary Kantian theories are Perplexity in the Moral Life Edmund N. Santurri, 2010-06-01 Consider the following situation a mayor is holding captive the leader of a terrorist group that has placed bombs throughout the city It is determined that the only way to get the terrorist to confess where the bombs are hidden is to torture his child in front of him Should the mayor torture an innocent child to save the lives of many In *Perplexity in the Moral Life* Santurri discusses how situations of moral perplexity are to be construed and how the interpretation of these situations might be constrained by the presuppositions of Christian ethics Often in our practical lives we are perplexed about what morality requires of us any course of action appears as a moral transgression Santurri examines the thesis that situations of moral perplexity may actually be cases of genuine moral dilemmas in which a moral transgression is unavoidable Proponents of the moral dilemmas thesis collide with an established philosophical tradition holding that no

adequate ethical theory can countenance the existence of genuine dilemmas It has been suggested that admitting the existence of dilemmas is tantamount to acknowledging the presence of a debilitating incoherence in one's system of moral reasoning Santurri contends that the issue of whether or not genuine moral dilemmas exist cannot be resolved on the basis of philosophical arguments typically advanced either by the traditional or by the revisionist views and maintains that moral perplexity is a phenomenon which cannot be interpreted apart from answering certain fundamental questions of moral ontology He then goes on to consider what sort of constraints a Christian view of morality imposes on the interpretation of moral conflict and argues that there are good reasons for Christian ethics to deny the existence of genuine dilemmas He concludes with a critical discussion of the positions that have been or might be employed in Christian ethical arguments for the reality of irresolvable moral conflict

Praxis and Action Richard J. Bernstein, 2011-06-03 From the Introduction This inquiry is concerned with the themes of praxis and action in four philosophic movements Marxism existentialism pragmatism and analytic philosophy It is rare that these four movements are considered in a single inquiry for there are profound differences of emphasis focus terminology and approach represented by these styles of thought Many philosophers believe that similarities among these movements are superficial and that a close examination of them will reveal only hopelessly unbridgeable cleavages While respecting the genuine fundamental differences of these movements this inquiry is undertaken in the spirit of showing that there are important common themes and motifs in what first appears to be a chaotic babble of voices I intend to show that the concern with man as an agent has been a primary focal point of each of these movements and further that each contributes something permanent and important to our understanding of the nature and context of human activity

Hegel's Political Philosophy Stephen C. Bosworth, 2019-09-09 Originally published in 1991 this volume examines Hegel's political philosophy from the perspective of his argument for constitutional monarchy It offers an interpretation of Hegelian theory that is relevant for the understanding of modern republican constitutions Modern republican theories are assessed together with those of Plato Kant and Marx in order to put Hegel's model to the most rigorous test The arguments are based on fresh analysis of Hegel's system and on new translations of key passages in Hegel's text

The Cambridge Companion to Heidegger Charles Guignon, 1993-02-26 This volume contains both overviews of Heidegger's life and works and analysis of his most important work Being and Time

Aquinas and Sartre Stephen Wang, 2009 Thomas Aquinas and Jean Paul Sartre are usually identified with completely different philosophical traditions intellectualism and voluntarism In this original study Stephen Wang shows instead that there are some profound similarities in their understanding of freedom and human identity

The A to Z of Existentialism Stephen Michelman, 2010-04-01 Existentialism is the philosophy of human existence which flourished first in Germany in the 1920s and 1930s and then in France in the decade following the end of World War II The operative meaning of existentialism here is thus broader than it was circa 1945 when the term first gained currency in France as a label for the philosophy of Jean Paul Sartre However it is

considerably less broad than the view proposed by commentators in the 1950s and 1960s who in an attempt to overcome Sartre's hegemony discovered the seeds of existentialism far and wide in Shakespeare Saint Augustine and the Old Testament prophets In this dictionary existentialism is understood as a decidedly 20th century phenomenon though with roots in the 19th century Effort has been made to understand the philosophy of existentialism as all philosophies should be understood as part of an ongoing intellectual tradition an evolving history of problems concepts and arguments The A to Z of Existentialism explains the central claims of existentialist philosophy and the contexts in which it developed into one of the most influential intellectual trends of the 20th century This is done through a chronology an introductory essay a bibliography and more than 300 cross referenced dictionary entries offering clear accessible accounts of the life and thought of major existentialists like Jean Paul Sartre Martin Heidegger Martin Buber Karl Jaspers Gabriel Marcel Simone de Beauvoir Albert Camus and Maurice Merleau Ponty as well as thinkers influential to its development such as Wilhelm Dilthey Henri Bergson Edmund Husserl and Max Scheler This book affords readers an integrated critical and historically sensitive understanding of this important philosophical movement

The Quest for Responsibility M. A. P. Bovens, 1998-03-12 The search for responsibility in complex organisations often seems an impossible undertaking Adopting a multidisciplinary approach combining law social science ethics and organisational design Mark Bovens analyses the reasons for this and offers possible solutions He begins by examining the problem of many hands because so many people contribute in so many different ways it is very difficult to determine who is accountable for organisational behaviour Four possible solutions corporate hierarchical collective and individual accountability are analysed from normative empirical and practical perspectives Bovens argues that individual accountability is the most promising solution but only if individuals have the chance to behave responsibly The book then explores the implications of this approach What does it mean to be a responsible employee or official When is it legitimate to disobey the orders of superiors What institutional designs might be most appropriate

Plato and Modern Law Richard O. Brooks, 2017-07-05 This audacious collection of modern writings on Plato and the Law argues that Plato's work offers insights for resolving modern jurisprudential problems Plato's dialogues in this modern interpretation reveal that knowledge of the functions of law based upon intelligible principles can be reformulated for relevance to our age Leading interpreters of Plato Vlastos Hall Strauss Weinrib Annas and Morrow are included in the collection The editor supplies an insightful introduction and extensive bibliography to the collection

Phenomenology in a Pluralistic Context William L. McBride, Calvin O. Schrag, 1984-06-30 Phenomenology in a Pluralistic Context contains papers selected from three years of meetings of the Society for Phenomenology and Existential Philosophy SPEP The essays are representative of the most current thinking among North American philosophers who have been influenced by the phenomenological movement A majority of the selections reveals a considerable mutual influence between phenomenology and other philosophical currents Special emphasis is given to issues in social and political theory the philosophy of medicine

of art of language and of religion phenomenology s relationship to Kantianism and to Marxism and the figures of Merleau Ponty Sartre and Heidegger **Pragmatic Perspectives in Phenomenology** Ondrej Svec,Jakub Capek,2017-06-26 This collection offers complex analysis of the pragmatic theses that are present in the works of leading phenomenologists including Husserl Heidegger and Merleau Ponty It will be of interest to scholars of phenomenology who are interested in moving beyond the analytic continental divide to explore the relationship between practice and theory **Agreements** Oliver Black,2012-04-26 A study of agreements which combines the use of philosophical analysis and legal theory **Volume 19, Tome II: Kierkegaard Bibliography** Peter Šajda,Jon Stewart,2017-03-16 The long tradition of Kierkegaard studies has made it impossible for individual scholars to have a complete overview of the vast field of Kierkegaard research The large and ever increasing number of publications on Kierkegaard in the languages of the world can be simply bewildering even for experienced scholars The present work constitutes a systematic bibliography which aims to help students and researchers navigate the seemingly endless mass of publications The volume is divided into two large sections Part I which covers Tomes I V is dedicated to individual bibliographies organized according to specific language This includes extensive bibliographies of works on Kierkegaard in some 41 different languages Part II which covers Tomes VI VII is dedicated to shorter individual bibliographies organized according to specific figures who are in some way relevant for Kierkegaard The goal has been to create the most exhaustive bibliography of Kierkegaard literature possible and thus the bibliography is not limited to any specific time period but instead spans the entire history of Kierkegaard studies **Core Concepts in Classical Psychoanalysis** Morris N. Eagle,2017-11-14 In Core Concepts in Classical Psychoanalysis alongside its companion piece Core Concepts in Contemporary Psychoanalysis Morris N Eagle asks of the core concepts and formulations of psychoanalytic theory which ones should be retained which should be modified and in what ways and which should be discarded The key concepts and issues explored in this book include Unconscious processes and research on them what evidence is there for a dynamic unconscious Is there a universal Oedipus complex The importance of inner conflict The concept of defense Unlike other previous discussions of these concepts this book systematically evaluates them in the light of conceptual critique as well as recent research based evidence and empirical data Written with Eagle s piercing clarity of voice Core Concepts in Classical Psychoanalysis challenges previously unquestioned psychoanalytic assumptions and will appeal to psychoanalysts psychoanalytic psychotherapists and anyone interested in integrating core psychoanalytic concepts research and theory with other disciplines including psychiatry psychology and social work **Husserl** David Woodruff Smith,2013-07-04 This second edition of David Woodruff Smith s stimulating introduction to Husserl has been fully updated and includes a new ninth chapter featuring contemporary issues confronting Husserl s phenomenology It introduces the whole of Edmund Husserl s thought demonstrating his influence on philosophy of mind and language on ontology and epistemology as well as ethical theory and on philosophy of logic mathematics and science Starting with an overview of Husserl s life and works and his

place in twentieth century philosophy and in Western philosophy as a whole Smith introduces Husserl's conception of phenomenology explaining Husserl's innovative theories of intentionality objectivity subjectivity and intersubjectivity In subsequent chapters Smith covers Husserl's logic metaphysics realism and transcendental idealism epistemology and meta ethics Finally the author assesses the significance and implications of Husserl's work for contemporary philosophy of mind and cognitive science Also included is a timeline glossary and extensive suggestions for further reading making Husserl second edition essential reading for anyone interested in phenomenology twentieth century philosophy and the continuing influence of this eminent philosopher

Principles And Persons An Ethical Interpretation Of Existentialism Introduction

In the digital age, access to information has become easier than ever before. The ability to download Principles And Persons An Ethical Interpretation Of Existentialism has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Principles And Persons An Ethical Interpretation Of Existentialism has opened up a world of possibilities. Downloading Principles And Persons An Ethical Interpretation Of Existentialism provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Principles And Persons An Ethical Interpretation Of Existentialism has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Principles And Persons An Ethical Interpretation Of Existentialism. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Principles And Persons An Ethical Interpretation Of Existentialism. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Principles And Persons An Ethical Interpretation Of Existentialism, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Principles And Persons An Ethical Interpretation Of Existentialism has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and

book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Principles And Persons An Ethical Interpretation Of Existentialism Books

1. Where can I buy Principles And Persons An Ethical Interpretation Of Existentialism books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
