It's time to take back your power and your life. Take it back from the bad relationships, bad careers, bad investments, bad company, and bad memories. It's time for you to live a fuller, happier, more productive and wholesome life. This is your time to claim your blessings. God has given you a choice. Choose wisely, sis. Choose to win and enjoy every moment of it.

With her national bestseller *10 Bad Choices That Ruin Black Women's Lives*, beloved television personality, lecturer, and author Dr. Grace Cornish wrote a self-help classic for black women who wanted to face and erase the relationship problems. Now in her *10 Good Choices That Empower Black Women's Lives*, Dr. Grace takes readers beyond healing just their romantic relationships; she's ready to show black women how to incorporate new empowering good choices into every aspect of their lives. Inspiring and insightful, this is Dr. Grace's tried and true prescription for finding the right balance between work, love, and spirituality. From *Trust Your Intuition* to *Taking Calculated Chances* and *Embracing the Skin You're In*, Dr. Grace outlines ten positive choices that will help black women move onward and upward in their personal and professional lives. Full of first-person anecdotes from Dr. Grace's patients, friends, and fans, this is a real book about real people in tough situations and the choices they have made that led to renewed success, happiness, and peace of mind.

With her trademark brand of smart, sympathetic sister-to-sister counseling, Dr. Grace Cornish's *10 Good Choices That Empower Black Women's Lives* is destined to become a classic of self-help for African American women of all ages and backgrounds.

*10 Bad Choices That Ruin Black Women's Lives* Grace Cornish, Ph.D., 1999-10-12

In her best-seller *10 Bad Choices That Ruin Black Women's Lives*, relationship expert Dr. Grace Cornish has written a lively, provocative guide for black women everywhere who want to shed the duds and find the studs who will treat them with respect. According to Dr. Cornish, six out of every ten black women are either in bad relationships, share a man, or are celibate. The problem is not the women themselves, she explains, but the bad choices they keep making. In this frank and refreshing book, Dr. Cornish speaks to unique aspects of the African American female psyche by targeting ten of the most common and foolish choices black women make in their lives regarding men and how they can correct these problems. Relying on case studies, interviews, and the letters she has received, Dr. Cornish gets to the heart of the matter by illuminating why black women, no matter how smart, savvy, and successful, continue to lose at the dating game and how they can face, erase, and replace the problems that have kept them from finding true love.
