Radical Church:

Radical David Platt, 2010-05-04 New York Times bestseller What is Jesus worth to you It's easy for American Christians to forget how Jesus said his followers would actually live what their new lifestyle would actually look like They would leave behind security money convenience even family for him They would abandon everything for the gospel They would take up their crosses daily But who do you know who lives like that Do you In **Radical** David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences He shows what Jesus actually said about being his disciple then invites you to believe and obey what you have heard And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus Finally he urges you to join in The Radical Experiment a one year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring The Radical Question and A Radical Idea David Platt, 2012-10-02 Challenge the Status Quo The Radical Question offers a compelling introduction to Radical's challenge to the contemporary church In this concise message Platt asks What is Jesus worth to you Then he explores what a commitment to Jesus would actually look like in action The Radical Idea extracts key passages in Radical Together the follow up to Radical to show readers that church is not built on places performances programs or professionals but on people Platt argues that those of us in the pews are meant to be active and intentional in spreading the good news of the gospel because when ordinary believers mobilize in everyday ministry communities and church families change dramatically The goal of the church is never for one person to be equipped and empowered to lead as many people as possible to Christ The goal is always for all of God's people to be equipped and empowered to lead as many people as possible to Christ David Platt Is a Radical Church Possible? Adrian Alker, 2016-03-25 Mainstream Christian denominations are facing critical decline in the United Kingdom Church leaders call for new strategies for growth but will these be effective In this book Adrian Alker calls for an honest look at the life of Jesus and the faith of the Church and suggests a radical and more honest reshaping of the churches to enable them to face the challenges of the present day The author has been ordained as an Anglican priest for over thirty years and recognises the important contributions which church congregations can and do make to their communities and the wider world He passionately believes that the Church must become more Jesus shaped and less concerned with its own structures and beliefs in order to attract new members **Radical Welcome** Stephanie Spellman, 2021-11-16 For the fifteenth anniversary of its publication this revised edition features a new introduction from the author on the state of the church and its radical welcome today along with new reflections on how it continues to reshape the church This book is at once a theological inspirational and practical guide for congregations that want to move beyond diversity and inclusion to present a vision for the church of the future one where the gifts voices and power of marginalized groups bring new life to the mainline church Based on two years of work and over 200 interviews with people in congregations all around the United States in

Subterranean Dan White, 2015-08-24 The landscape of Christian spirituality in the West is no longer lush with green grass and wild flowers blooming Instead across the country we find dry terrain where churches no longer can expect interested seekers yet most of our solutions for addressing this predicament link to anxiety around our performance and personality Rather than going back to the boardroom to cook up new techniques for a trendier church let's ask more meaningfully rooted questions Do we know how to be present in our neighborhoods Do we know how to be present in community Do we know how to be present to the in breaking kingdom of God There is a growing groundswell discovering that we have become uprooted and detached from each other in the way we express being the church We need a subterranean movement that plunges below the surface into a way of being the people of God that carries an unwavering incarnational creed Dan White Jr uses crisp criticism narrative theology and tangible practices to uncover a hopeful pathway for being radically rooted in God's world

Dietrich Bonhoeffer and Arnold Koster Paul Spanring, 2014-09-25 Baptists and Lutherans often define the tension of being in the world but not in terms of two separate realms the kingdom of God and the kingdom of the world However their understanding of these realms and their delicate connection is quite nuanced Within the Lutheran tradition the two kingdoms are held in tension which in turn leads to a precarious interaction of state and church In the Ana Baptist tradition a much stricter duality is emphasised resulting in a more radical and separatist stance Dietrich Bonhoeffer and Arnold Koster analyses and compares the historical development of these two viewpoints and to discover how these traditions represented in the lives of two individual followers responded to the ideological onslaught of neopaganism and the enforced political conformity of the Third Reich Compared with Dietrich Bonhoeffer little is known of the Baptist preacher Arnold Koster His ministry as a pastor of the Baptist church in Vienna lasted from 1928-1960 During the Nazi regime he consistently preached critically and prophetically against its underlying ideology

Paul Among the Postliberals Douglas Harink, 2013-08-14 This book is changing my mind on more themes than any publication since Hans Frei's *The Eclipse of Biblical Narrative* George Lindbeck Yale University Harink brings several postliberal theologians mainly Yoder and Hauerwas into genuine conversation with the church's original apocalyptic theologian the Apostle Paul The engaging result is a call for the church to return to its true vocation as an uncompromising critic of the state's omnivorous appetite for our loyalties But that is the vocation found in the politics of the cross in which the suffering and victorious God has redemptively invaded the captive world thus calling into being the community that Paul speaks of as the new creation The attentive reader of Harink's book will come away then with an energized hope for the whole of humanity a hope focused on the corporate political nature of God's apocalyptic invasion in Christ J Louis Martyn Union Theological Seminary Sets new standards for all who dare to aspire to theological engagement with Scripture Michael Cartwright University of Indianapolis Doug Harink has knocked a hole in the artificial wall separating the theological disciplines and has established a working coalition between two scholarly enterprises the various new perspectives that seek to supplant older reformational models of interpreting Paul and the work of various theologians who seek to subvert the established theological strategy of accommodating the gospel to the canons and criteria of modernity A unique and highly significant contribution Terence L Donaldson Wycliffe College University of Toronto One of the most creative and exciting books that I have read in years Instead of decrying the gap between theology and biblical studies Harink simply closes the gap by bringing together the best in recent biblical and theological studies In its direct reading of the biblical text this book represents a new stage in the development of postliberal theology Jonathan R Wilson Westmont College *The Intentional Christian Community Handbook* David Janzen, 2012-11-01 This is a book that we've needed for a long long time This is a book for people who long for community and for people who've found it for young seekers and for old radicals Like a farmer's almanac or a good cookbook it's a guide that doesn't tell you what to do but rather gives you the resources you need to find your way together with friends in the place where you are We couldn't be more grateful to have a book like this And we couldn't be happier to share it with you Shane Claiborne and Jonathan Wilson Hartgrove In the 21st century a new generation of Spirit energized people are searching for a new yet ancient way of life together David Janzen a friend of the New Monasticism movement with four decades of personal communal experience has visited scores of communities both old and new *The Intentional Christian Community Handbook* shares his wisdom as well as the experience of intentional Christian communities across North America over the last half century
