A Bibliography, Etc** Walter Goldwater,1964 **American Little Magazines of the Fin de Siecle** Kirsten MacLeod,2018-03-01 In American Little Magazines of the Fin de Siecle Kirsten MacLeod examines the rise of a new print media form the little magazine and its relationship to the transformation of American cultural life at the turn of the twentieth century Though the little magazine has long been regarded as the preserve of modernist avant gardes and elite artistic coteries for whom it served as a form of resistance to mass media MacLeod s detailed study of its origins paints a different picture Combining cultural textual literary and media studies criticism MacLeod demonstrates how the little magazine was deeply connected to the artistic social political and cultural interests of a rising professional managerial class She offers a richly contextualized analysis of the little magazine s position in the broader media landscape namely its relationship to old and new media including pre industrial print forms newspapers mass market magazines fine press books and posters MacLeod s study challenges conventional understandings of the little magazine as a genre and emphasizes the power of little media in a mass market context

Radical Periodicals in America, 1890-1950 Walter Goldwater,1966 **Periodical Directories and Bibliographies** Gary C. Tarbert,1987 **Sleep Fictions** Hannah L. Huber,2023-11-21 The literary response to the dawning cult of wakefulness A turn of the century influx of new technologies and the enormous impact of the electric light transformed not only individual sleeping habits but the ways American culture conceived and valued sleep Hannah L Huber analyzes the works of Henry James Edith Wharton Charles Chesnutt and Charlotte Perkins Gilman to examine the literary response to the period s obsession with wakefulness As these writers blurred the separation of public and private space their characters faced exhaustion in a modern world that permeated every moment of their lives with artificial light traffic noise and the social pressure to remain active at all hours The implacable cultural clock and constant stress over physical limitations had an even greater impact on marginalized figures Huber pays particular attention to how these writers rebutted Americans confidence in the body s ability to conquer sleep with vivid portraits of the devastating consequences of sleep disruption and deprivation The author also provides a website and text visualization tool that offers readers an interdisciplinary deconstructed analysis of the book s primary texts The website can be found at <https://sleepfictions.org/sleep-scalar-index>

The Literary Journal in America to 1900 Edward E. Chielens,1975 *Radical Periodicals in America, 1890-1950* Walter Goldwater,1964 *Agricultural History* University of California, Davis. Agricultural History Center,United States. Agricultural History Group,1977 *Realist Poetics in American Culture, 1866-1900* Elizabeth Renker,2018-05-28 The terms poetry and realism have a complex and often oppositional relationship in American literary histories of the postbellum period The core narrative holds that realism the major literary movement of the era developed apace in prose fiction while poetry

stuck in a hopelessly idealist late Romantic mode languished and stagnated Poetry is almost entirely absent from scholarship on American literary realism except as the emblem of realism's opposite a desiccated genteel twilight of the poets Realist Poetics in American Culture 1866-1900 refutes the familiar narrative of postbellum poetics as a scene of failure and it recovers the active and variegated practices of a diverse array of realist poets across print culture The triumph of the twilight tale in the twentieth century obscured minimized and flattened the many poetic discourses of the age including but not limited to a significant body of realist poems currently missing from US literary histories Excavating an extensive archive of realist poems the volume offers a significant revision to the genre exclusive story of realism and by extension to the very foundations of postbellum American literary history dating back to the earliest stages of the discipline **The Manuscript Inventories and the Catalogs of Manuscripts, Books, and Periodicals: Book catalog, Pio-State L** Arthur and Elizabeth Schlesinger Library on the History of Women in America, 1984 The National Union Catalogs, 1963-, 1964 *University of California Union Catalog of Monographs Cataloged by the Nine Campuses from 1963 Through 1967: Subjects* University of California (System).
