Radio Boys Cronies - the Original Classic Edition Wayne Whipple, S. F. Aaron, 2012-06 This is a high quality book of the original classic edition This is a freshly published edition of this culturally important work which is now at last again available to you Enjoy this classic work These few paragraphs distill the contents and give you a quick look inside The first speaker a lad of fifteen large for his age fair haired though as brown as a berry and athletic in all his easy deliberate yet energetic movements turned to the one he had called Bill a boy of about his own age or a little older but altogether opposite in appearance for he was undersized dark haired black eyed and though a life long cripple with a twisted knee as quick and nervous in action as the limitations of his physical strength and his ever present crutch permitted Young Edison had a friend up in the printing office who let him see proofs from the edition being set up so that he kept posted as to what was to be in the paper before it came off the press Watching the compositors at work he learned to set type and make up the forms so within two weeks after purchasing the press he brought out the first number of The Weekly Herald the first paper ever written set up proof read printed published and sold besides all his other work on a local train and this by a boy of fourteen He had to read to find out things there seemed to be no one who could tell him the half that he wanted to know and I guess a lot of people got pretty tired of having him ask so many questions they couldnt answer Maybe hes not altogether right about that for education is mighty fine and Id like to go to a technical school Gus and I both are aiming for that but were going to read and study a lot our own way too and experiment arent we Gus

The Radio Boys Trailing a Voice Allen Chapman, 2012-07 This historic book may have numerous typos and missing text Purchasers can download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1922 edition Excerpt Cassey nor any of the rest of the gang They searched the woods for miles around the old barn about which the boys had told them even carrying their search into the neighboring townships but without any result It seemed as though the earth had opened and swallowed up Cassey together with his rascally companions If such a thing had actually happened their disappearance could not have been more complete They must be experts in the art of hiding grumbled Bob upon returning from a visit to the chief of police I was certain they would be rounded up before this Guess they must have made a break for the tall timber said Joe Decided maybe it isn t just healthy around here added Herb with a grin And then just when they had decided that Cassey and his gang had made a masterly getaway the radio boys got on their trail once again That very evening when tuning in for

the concert they caught another of those mysterious stuttering messages in the unmistakable voice of Dan Cassey Rice rats make hay was the substance of this message and the boys would have laughed if they had not been so dumbfounded What do you know about that gasped Jimmy That old boy sure has his nerve with him They re still hanging around here somewhere cried Bob excitedly They ve probably got a hiding place that even the police can t find Oh if we could only make sense of this exclaimed Herb staring at the apparently senseless message which he had written down If we only had their code the whole thing would be simple Oh yes if we only had a million dollars we d be millionaires retorted Jimmy scornfully Where do you get that stuff anyway Well said Bob temporarily giving up the problem as far as I can see all

The Radio Boys with the Revenue Guards Gerald Breckenridge,2014-12-04 Not much like last summer is it Jack Not much Frank No Mexican bandits No Chinese bad men No dens in Chinatown Say Jack remember how you felt when we were licked in our attempt to escape from that dive out in San Francisco Boy that was the time when things looked mighty blue Jack No answer Jack In a louder tone Still no answer Frank turned around impatiently from where he lounged in the open doorway of the radio station and faced his chum at the receiver Oh listening in he exclaimed and fell silent Facing about he gazed southward to where less than a mile away sparkled in the bright July sunshine the clear waters of the open Atlantic

Radio Boys Loyalty S. F. Aaron,Wayne Whipple,2014-02-06 They ve got a splendid broadcasting station at the Tech Bill I know it hence my general exuberance And if we don t get at it once in a while it ll be because we can t break in What do you want to shout into it first off Why I thought you knew Gus I ve got it all fixed date and time for Professor Gray and Mr Hooper to listen in They re the chaps that are responsible for our getting into the Tech and they deserve our first message I ll explain to President Field and I know he won t object What s this you were telling me about hazing asked Gus but as though really little interested Terry Watkins was telling me his cousin went there Lost a new hat the third day a pair of glasses the fourth and most of his clothes the fifth His dad has a lot of dough so he needn t have minded but that won t be the case with us I guess it s me for carrying a gun If they re mean enough to pick on you old scout I ll carry one too but I think you ll be exempt If I m to be a victim I reckon I ll have to grin and take No you won t either We ve come here to study not to fool and we haven t got money to spend on ruined duds just to gratify a lot of chumps There are better things too than a gun not so crude and not illegal I can imagine laughed Gus and turned again to watch the fleeting landscape
