Rails North The Railroads Of Alaska And The Yukon:

Rails North Howard Clifford,1981 Well illustrated accounts of the railroads in Alaska and the Yukon Lists equipment rosters and summarizes proposals for railroads not yet built *Alaska and Yukon Railroads* Howard Clifford,1999 Originally published as *Rails North* 1982 Several tiny lines in such locations as Nome Wrangell and Katalla include mine rails Much space covers the two current operators the Alaska Railroad and the White Pass and Yukon Route **The Big Wild Soul of**

Terrence Cole Frank Soos,Mary Ehrlander,2019-02-15 This collection of essays honors beloved Alaska historian Terrence Cole upon his retirement Contributors include former students and colleagues whose personal and professional lives he has touched deeply The pieces range from appreciative reflections on Cole s contributions in teaching research and service to topics he encouraged his students to pursue plus pieces he inspired directly or indirectly It is an eclectic collection that spans the humanities and social sciences each capturing aspects of the human experience in Alaska s vast and variable landscape Together the essays offer readers complementary perspectives that will delight Cole s many fans and gain him new ones

History of Alaska , Volume I Jonathan M. Nielson, Ph.D.,2018-02-01 As a unique distant geographical region of the United States Alaska has evolved from military insignificance to high strategic priority in the 142 years since its purchase from Russia in 1867 The reasons for this dramatic shift derive from a correlation of geography foreign policy domestic politics and military technology Historically the role of the armed forces in Alaska has been large and diverse Alaska was one of the two principal territorial purchases made by the United States between 1803 and 1867 adding nearly 1 5 million square miles to America s national domain Smaller by the size of Texas than Jefferson s Louisiana Purchase Alaska unlike all of the territories and states carved out of the former languished in obscurity and isolation and was administered as a colonial dependency by the military and other branches of the federal government its official territorial status and government notwithstanding While sharing many common aspects of frontier settlement and Western history with territories such as Montana the Dakotas Wyoming and Colorado Alaska presented special challenges peculiar to a non contiguous arctic and sub Arctic environment separated from the United States by a foreign power Indeed only the defeated South under Reconstruction experienced the same degree of military occupation and martial law Alaska also has the unique distinction in the American experience of belonging to Imperial Russia before it became of interest to American expansionists Still others found Alaska tempting and pursued their own designs North of 53 The Spanish British Canadians and even the French plied Alaska s waters and made their claims to Alyeska the Great Land And it is with these clashing imperial ambitions that this three volume history begins **"That Fiend in Hell"** Catherine Holder Spude,2012-09-28 As the Klondike gold rush peaked in spring 1898 adventurers and gamblers rubbed shoulders with town builders and gold panners in Skagway Alaska The flow of riches lured confidence men too among them Jefferson Randolph Soapy Smith 1860 98 who with an entourage of bunco men conned and robbed the stampedeers Soapy though a common enough criminal would go down in legend as the Robin

Hood of Alaska the uncrowned king of Skagway remembered for his charm and generosity even for calming a lynch mob When the Fourth of July was celebrated in 98 he supposedly led the parade Then a few days later he was dead killed in a shootout over a card game With Smith s death Skagway rid itself of crime forever Or at least so the story goes Journalists immediately cast him as a martyr whose death redeemed a violent town In fact he was just a petty criminal and card shark as Catherine Holder Spude proves definitively in *That Fiend in Hell Soapy Smith in Legend* a tour de force of historical debunking that documents Smith s elevation to western hero In sorting out the facts about this man and his death from fiction Spude concludes that the actual Soapy was not the legendary boss of Skagway nor was he killed by Frank Reid as early historians supposed She shows that even eyewitnesses who knew the truth later changed their stories to fit the myth But why Tracking down some hundred retellings of the Soapy Smith story Spude traces the efforts of Skagway s boosters to reinforce a morality tale at the expense of a complex story of town building and government formation The idea that Smith s death had made a lawless town safe served Skagway s economic interests Spude s engaging deconstruction of Soapy s story models deep research and skepticism crucial to understanding the history of the American frontier **Journal of the**

House of Representatives of the United States United States. Congress. House,2012 Some vols include supplemental journals of such proceedings of the sessions as during the time they were depending were ordered to be kept secret and respecting which the injunction of secrecy was afterwards taken off by the order of the House **Alaska History** Marvin W. Falk,2006-03-30 Marvin W Falk offers a systemic and select listing of just over 3 000 publications on the history of Alaska published from the 18th century to early 2004 Early explorations were conducted by nationals from several nations and the results were published in Russian German French Spanish and English Many of these foreign language accounts have been published in translation and are included in the bibliography This bibliography covers a wide span of Alaskan history including historical literature from Discovery in 1741 The Russian period ending in 1867 The U S territorial period ending with statehood in 1959 The oil boom *Alaska's Tanana Valley Railroads* Daniel L. Osborne,2013 In a region desperate for transportation to rich gold bearing creeks the narrow gauge Tanana Mines Railroad was built over permafrost bogs and hills to carry miners and supplies in 1905 Reorganized as the Tanana Valley Railroad this little line promised the survival of both gold mining and Fairbanks until Fairbanks s economic base broadened The railroad built with Klondike Gold Rush earnings prospered for only a few years and was acquired by the Alaska Railroad The narrow gauge survived 25 years serving as the terminus for the Alaska Railroad and ensuring the development of Interior Alaska The Journal of Geography ,1903
